IN AND ABOUT THE CITY

NEGRO WOMAN IS HELD BY THE CORONER'S JURY

Odessa Alexander, negro woman held in jail here in connection with the death of an infant whose body was found in a sanitary closet in Kannapolis Wednesday afternoon, was ordered held for Cabarrus Superior Court by a coroner's jury which investigated the case Thursday afternoon, was denied bail.

Coroner Hartsell summoned the following jury, which ordered that the woman be held: W. T. Durham, W. C. Puceli, Joe Lindsay, Ralph Housel, Louie Funderburk and James Taylor. The inquest was held at the home of Harvey Sifford, for whom the Alexander woman formerly worked and where it is contended by the State, the baby was born.

Mr. and Mrs. Sifford were questioned by Coroner Hartsell and members of the jury, and other witnesses also were examined.

CONVENTION DELEGATES ELECTED BY MERCHANTS

They Decide to Leave Matter of Closing Stores in Summer Up to the Individual Groups.

The Merchants Association in session Thursday evening at the Y. M. C. A. selected its president and secretary, O. A. Swaringen and Mrs. Beulah Hancock, to represent it in the meeting of the State association which is to be held in Charlotte next week, the dates being the 19th, 20th and 21st.

At the same time, other members were urged to attend the group meetings which are to be held on Tuesday night of next week in various places. A number expressed their willingness to attend these meetings.

The matter of closing stores on Thursday afternoons during the summer months was taken up but nothing definite was accomplished in the discussion. It was decided to let each group of merchants decide whether or not it would close. The feeling was widespread that there would not be a general closing as there has been heretofore. The most likely group is considered as being the grocery stores which will probably take one afternoon of a week.

COUNTY BEE RAISERS ADDRESSED BY MR. SANDS

Says That Cabarrus Has One of the Most Active Clubs in the State.

C. L. Sands, state extension department bee specialist with headquarters at Raleigh, spent Thursday in the county, attending with R. D. Goodman, Cabarrus county agent, a meeting of the Bee Club at the home of W. D. York, near Concord.

Mr. Sands spoke on the subject of caring for bees, of standard hives and equipment, of swarm control by changing brood chamber to the top and adding new ones and of other subjects relative to bee culture. After a full discussion of the subjects, a practical demonstration in their care was given.

The Cabarrus club, according to Mr. Sands, was one of the most active in the state. Forty-five were present at the meeting which was the largest attendance he had anywhere in the state. He declared that he was delighted with the excellent work which was being done in Cabarrus county.

PROSPECTIVE PLAYERS ARE URGED TO SEE MANAGERS

Preparations Being Made For the City Baseball League Which Opens Soon.

All players who plan to join the sandlot loop of the city league should get in touch at once, J. W. Denny says, with the manager of the team they wish to play with and make the necessary arrangements before next Tuesday night.

All names are ordered in by the time the Tuesday night meeting comes off and it will probably be a hard matter to secure a berth after that date.

Managers of the four city teams are as follows: H. J. Hitt, of the Pythians; J. W. Denny, of the Y. M. C. A.; Robert Cline, of the DeMolay; and C. D. Watkins, of the Calvary Lutherans.

To Install Bowling Alleys at Y. M. C. A.

In addition to the other diversions offered by the Y. M. C. A., bowling alleys will soon be installed for use by those who are desirous of securing this sort of recreation.

The alleys are being received by the local Y. M. C. A. as a gift from the Kannapolis Association. Officials of the Kannapolis Y are planning to place new ones in the gymnasium which will be completed about the middle of the summer and will not need the ones which are being presented to the local Association.

Secretary Blanks, who received word of the offer from Kannapolis, was very pleased at the neighborly action of Mr. Sharp in making the present. Both the alleys and are in good condition and could only be secured new at an expenditure larger than the Concord Y could pay at the present.

At the Theatres.

Hoot Gibson in "Let 'Er Buck," and a comedy, "Under a Spell," starring Bert Roub, Ned Edwards and Alice Howell, are the features being shown today and tomorrow at the Pastime.

Harry Carey in "Roaring Rails" is being shown today and tomorrow at the New Concord.

"Locked Doors," starring Betty Compson, Theodore Roberts, Kathryn Williams, Theodore von Elza and Robert Edson, is being shown today at the Star.

In the rural districts of Norway, the engagement of a couple is announced by the minister on three successive Sundays.

FINE GOLF PLAYED IN GOLF MATCH IN CITY

Three Members of Concord Team Beat 40 During Tournament—Only One Winston-Player Here.

The inter-city golf match played over the course of the Cabarrus County Club Thursday afternoon resulted in some close matches after some very good scores had been made. However, due to the fact that only one member of the Winston-Salem team showed up the scoring in the tournament was made somewhat complicated.

Walter L. Furr for the local team defeated Killingsworth and Brown, from Salisbury and Winston-Salem, respectively, and J. I. Davis, Jr., and Walker, of the Salisbury team, played all square on points.

Dungan, of Salisbury, defeated Dr. W. H. Wadsworth while Arce, of Salisbury, defeated Leslie Bell for the 18 holes, Bell winning the second nine.

Davis, Furr and Bell had 39's on their second rounds, these being the best score made in the tournament.

In the professional match, Johnson, of the local club, and Crosby, of Salisbury, defeated Andrews, of the Twin City Club, and Mills, of the Lexington Club.

NIBLOCK MADE PRESIDENT OF Y BOARD FOR THE YEAR

All Officers Re-elected to Positions—Several New Members Taken In.

At a meeting of the Board of Directors of the Y. M. C. A. held Thursday night, F. C. Niblock was re-elected president for the coming year. Other officers re-elected at this time were: A. F. Hartsell, Vice-President; A. G. Odell, Recording Secretary; and W. G. Caswell, Treasurer.

To fill a vacancy on the Board, T. D. Maness was elected to serve a term of three years. Two new members of the Board, T. N. Spence and F. J. Haywood, were greeted by the President, who outlined their duties briefly.

Of outstanding interest in the meeting was the report of Secretary Blanks, giving in detail the combined activities of the year. This report will be sent to the National Council for the Yearbook for use in its compilation.

A committee was appointed by Mr. Niblock to make plans for the repairing and painting of the Y building which is to be done in September. On this committee were A. G. Odell, T. N. Spence and T. H. Webb.

A financial committee consisting of F. J. Haywood, A. R. Hoover and C. S. Smart, was appointed to review the budget for the year.

An Important Announcement

Bob's Dry Cleaning Company wishes to announce the purchase and installation of the exclusive use of Prof. Ramsey's Friendolene Process of Dry Cleaning for Concord.

Among the many advantages in patronizing establishments operating with this method are the following:

Gloves Cleaned with this process come out with WHITE NEWNESS—no more PERSPIRATION tips.

SILK DRESSES, GOWNS AND COSTUMES dry cleaned in a manner SUPERIOR to ALL methods. This process enables us to prevent the disturbing of colors in severe cases, where it is necessary to resort to other methods than dry cleaning.

With this process we can, where colors have run together, PUT THEM BACK IN PLACE.

We can also change the colors in many garments without the dyeing process.

Furthermore a majority of PERSPIRATION CIRCLES and WATER spots are removed without wetting or shrinking.

MEN'S CLOTHING

are cleaned in a superior manner, due to the fact that they are so thoroughly renovated in this method that you will never be annoyed with the same spots returning by general exposure. It will be pleasing to note the difference in appearance of LININGS. And the beautiful feature, NO MORE SCOURING for ordinary perspiration.

Remember this system is in operation exclusively by
