IN AND ABOUT THE CITY

SHRINE BAND AND PATROL TO STOP OFF IN CITY

Will Make Twenty Minute Stop Here Friday While En Route to Twin City For Mid-Summer Ceremonial.

Local Shriners have been advised by Thomas Griffith, recorder, that Capt. Brockmann and the Oasis Temple Patrol Band will stop in Concord Friday afternoon while en route to Winston-Salem for the mid-summer ceremonial of the temple, and that while here a concert will be given by the band.

A number of local Shriners plan to meet the patrol and band at the outskirts of the city and escort them to the court house lawn, where the concert will be staged. The party plans to leave Charlotte at 3 o'clock and reach Concord in time to give the concert at 3:45 o'clock.

The general public, and especially all Shriners of the city, are invited to hear the band, which for a number of years was under the direction of Prof. Robert Kessler, formerly of Concord.

Three men from Concord, E. G. Lovie, L. T. Hartwell, Jr., and James A. Dorton, will be initiated into Shrinedom at the ceremonial in Winston-Salem, and it is very probable that the Oasis Temple party will be joined by a number of local Shriners when they pass through the city.

STORES OF CITY START CLOSING ON THURSDAYS

Practically Every Firm in Concord Decides to Give Clerks a Half Holiday Each Week.

Nearly every store in the city will start one week from tomorrow closing on Thursday afternoons during the remainder of the summer. The custom has been adhered to for a number of years but there was some indication this year due to opposition on the part of the members of the Merchants' Association.

Final decision was made several days ago to close Thursday of this week but it was later decided that owing to the fact that it would be impossible to get word to the people in the county this week, it would not be started until next week.

It is contended by persons pushing the movement that business was not so heavy during summer afternoons as to warrant keeping the clerks in the stores every day. It is further intimated by the same people that it is inhuman to keep the clerks at work when they could get out for an outing.

Chief among the stores opposing the movement was Parks-Belk which has announced that it will remain open each afternoon. The contention of this store is that it finds it more effective to give a holiday of a week's duration to each clerk rather than spread it out during the entire summer.

MAN FLOGGED SWEARS AGAINST TWO ON TRIAL

Rudolph Willard Identifies Walter Jackson and Tom Skipper in Cumberland.

Fayetteville, June 30.—Walter Jackson and Tom Skipper were placed on trial in Superior court here this afternoon charged with the flogging of Rudolph Willard in the western part of Cumberland county on the night of May 26.

When court adjourned this evening, Willard had completed his story of the beating, and his brother, Jake Willard had corroborated him in his identification of Jackson and Skipper as two of the eight men in the band.

Rudolph Willard testified that he and his brother had met Skipper and Jackson on the road earlier in the night; that two hours later, after they had gone to bed at Jake's house, there was a knock at the door and a strange man who entered the house with a pistol in his hand told them that he was "the sheriff from Fayetteville" and had a warrant for Rudolph's arrest.

While dressing, the witness said, he recognized Jackson and Skipper, whom he had known for some time. He was placed in a large car, driven by another stranger and joined by two small cars drove two miles north of the Raeford road, where a sack was placed over his head, he was tied to a tree and beaten until he was almost unconscious. He was left in this condition, said the witness. On the way to the spot, Rudolph said, his kidnappers told him that they were going to beat him because he had made complaint of Tom Skipper's misconduct.

Willard said that he had complained to officers of Skipper keeping a disorderly house and selling whiskey. He also testified that when he told members of the band that he was going to report them, they replied that they would kill him if he did.

They Must Be Girlish Now

Styles in beauty are changing. A year ago the boyish type of girl was most popular, and Miss Ruth Malcolmson (in the bathing suit) was chosen Miss America. But now the petite, ultra-feminine type, as represented by the other little miss, is in favor, according to averages computed at a Los Angeles contest. The comparative measurements of these two young women are given above.

"Our Gang" Gleanings

Every one has some sort of a secret passion and that of Fatty Joe Cobb, the rotund member of "Our Gang" in their latest Roach Pathe-comedy, "It's a Bear," showing today at the Concord Theatre, is to be able to roll a cigarette with one hand. It's a great stunt and he finally accomplishes it in the film, but the results are terrible for Joe. That's only a part of the trouble caused, for the kids are seen out bear hunting and unlike most hunters, get what they start after, only to discover they don't want it so very much after all.

Perpendicular hair and a flaxen complexion where a rich chocolate had been a moment before represents fright and little dark haired Farina undergoes just such a rapid change in the latest Hal Roach "Our Gang" Pathe-comedy, "It's a Bear." The "Gang" are seen out bear hunting, using such modern equipment as bows and arrow, slingshots, etc., when they happen to get hold of a real bear and when the realization dawns upon them that their hunt has been successful—Wow! You should see their dust!

THRILLING ACCOUNT OF RECENT EARTHQUAKE

Eyewitness on Moving Train Tells of the Press Shaking and Houses Moving.

Los Angeles, Calif., June 30.—An eyewitness account of the Santa Barbara earthquake was brought to Los Angeles today by Dr. Frederick Vining Fisher, lecturer for the Los Angeles Chamber of Commerce, who was aboard a Southern Pacific train passing through the city when the tremor occurred.

"We were just pulling out of Santa Barbara for Los Angeles when our train began to wobble sharply from side to side," he said. "It felt as though we had jumped the track."

"In a moment the shaking became worse and it seemed the train would go over on its side. The engineer applied the brakes. I looked out the dining car window and saw trees shaking, houses moving, chimneys falling and people running from their homes."

"As soon as the worst of the shocks had stopped, the train got underway and we had traveled as far as Summerland, about seven miles from Santa Barbara, when another shock toppled a huge oil tank onto the track in front of the train."

"After this was removed and the train continued, we found in every pass and deep cut evidences of the quake. We twice narrowly missed being buried in slides."

The train arrived in Los Angeles four hours behind schedule.

Income Tax in State Drops Over \$700,000

Raleigh News and Observer.

Income tax collections for the fiscal year ending today show a decrease of \$730,255 over corresponding collections for the fiscal year ending June 30, 1924, it was announced yesterday by Commissioner of Revenue R. A. Daughton.

Figures covering all collections are not yet available, but Commissioner Daughton stated that the decrease in income taxes would be largely offset by an increase in inheritance taxes.

For the year ending June 30, 1924, income tax collections amounted to \$4,481,375.25 while collections this year were \$3,750,452.30. Taxes on individual incomes increased from \$975,000 to \$977,000 and those on foreign corporations increased from \$1,565,000 to \$1,607,000 but these increases were more than offset by the decrease in taxes on domestic corporations from \$1,940,000 to \$1,165,000, the slump in the cotton mill business accounting for the big difference.

SALISBURY CHURCH ENTERED BY THIEVES

Money and Other Valuable Taken From Clothing in Vestment Room of St. Luke's.

Salisbury, June 30.—Thieves have again been at work in the churches of the city. This time they stole money and other valuable from the clothing and vestment room of St. Luke's Episcopal church while the choir was taking part in the Sunday service. Recently at First Methodist church a dress belonging to a member of the choir was stolen from a Sunday school room during the morning service.

Mt. Pleasant Selling Bonds This Afternoon

The town of Mt. Pleasant this afternoon at 2 o'clock received bids for \$34,000 worth of street improvement bonds, the money from the sale of the bonds having been used to pave one of the principal streets of the town.

The bids were presented to the town officials at 2 o'clock this afternoon but no decision had been reached as to which bid would be accepted as The Tribune goes to press.

M. H. Caldwell, member of the local bar, attended the meeting, acting as attorney for Mt. Pleasant.

Debate at McGill Street Baptist Church

At McGill Street Baptist Church this evening at 7:45 there will be an informal debate on the following resolution: Inasmuch as Baptist people did not come out of the Roman Catholic Church, nor did they have their origin in the 16th century, but existed from the time of the Apostolic Churches to the rise of the Roman Catholic Church in the fourth century, and were known throughout the Roman Empire as the Christians and existed through the dark ages, but driven to the mountain forests and caves of the earth by the persecution and administered to them by the Roman Church, therefore Resolved that we ought to change our name from "Baptist" given us by our enemies, to that of the Christian Churches, retaining our present doctrines and incorporating our Baptist history.

Library Will Be Closed Thursday and Saturday

Notice has been given by Mrs. Richmond Reed, librarian, that the library will be closed on Thursday and Saturday of this week. Thursday has been agreed upon by most of the stores and offices in the city as the day for half holiday and for that reason, the library will not open Thursday afternoon.

Saturday, the 4th of July, is a legal holiday and the library will not be opened then. These two holidays coming so close together will make Friday a rush day, said Mrs. Reed.

Friests Brave Death to Give Last Rites

Within a few minutes after the explosion of the Boron plant a group of Catholic priests from the Church of the Gesu, Seventeenth and Stiles streets, rushed to the scene.

Father Samuel J. Robb, one of them, crawled into the wrecked building and administered the blessed sacrament to a man he found pinned there. He was unable to aid the stricken worker, and narrowly missed being overcome by the fumes.

The man to whom he administered the last rites, it is believed, was George Spencer, who was killed.

Robert L. Kessler Is Improving

Concord friends of Robert L. Kessler, of Charlotte, who is ill in an Asheville hospital, will be glad to know that he is improving and hopes to return soon to his home at Charlotte. Mr. Kessler who is a brother of Mrs. Jno. M. Young, of this city, was taken ill while on his way from the big Shriners' convention in the west and had to be removed from the train at Asheville.

Firemen Making Plans to Go to Asheville

A number of local firemen are making plans to attend the Fire Convention which meets in Asheville on July 13th and continues for four days. According to the program proposed, the firemen will have a full four days.

Both the Cannon and Cabarrus firemen are practicing daily for the various athletic events which are to be staged. The central station is not planning to compete. Last year, several of the events were won by these teams.
