TEST FREE Youth

Let us help you bring it back. This is to those who feel youth departing. Or health or vim. It urges you to try what doctors the world over now advise.

Many of our troubles are due to torpid livers. That means lack of bile. Then toxins form in the intestines, and those toxins are absorbed in the blood.

Some of the results are these: Indigestion, Constipation, Impure Blood, High Blood Pressure, Heart and Kidney Troubles, Bad Complexions, Lack of Youth.

We thought for generations that cathartics stimulated liver action. Now we know they don't. So most of our efforts to correct these troubles proved a disappointment.

Now modern science brings a new discovery. It is a gland secretion—ox-gall. It comes from the liver, the largest gland in the body, and it stimulates the liver.

The results have astounded the medical world. It is bringing effects which seem unbelievable. Millions of people are gaining priceless benefits by a little use of ox-gall.

Now ox-gall is condensed in tablets, called Dioxol. Each tablet contains 10 drops of purified ox-gall. All druggists supply them. We ask everybody who seeks new vitality to learn what this method means.

Send this coupon for a trial. The results will start in 24 hours. If it brings to you what it brings to others, all your life you will thank science for Dioxol. Clip the coupon now.

Write to: **Whitall Pharmacal Co.**, 555 Madison Ave., New York City. I want to try Dioxol.
