

KANNAPOLIS DEPARTMENT

NUGGETS.

Denise Mills Will Curtail.
BY JAZZY MOORE
C. M. Powell, superintendent, denied that the Cabarrus Mills will go on shorter hours next week. It has been freely rumored that unless demand is materially stimulated considerable curtailment would be evident. He intimated that the orders on hand would be enough to continue operations.

"Ye Ole Timers Convention."
Veteran members of combined troops one and two of Boy Scouts will be apprised of the fact that the younger Scouts are again preparing for their periodical "old-timers" convention. The numbers on the program as chronicled in scoutdom is all-convincing.

Tuesday of next week is the day set aside by the troops' committee for this event. The Cabarrus Y. M. C. A. officials have offered their splendid co-operation in making this occasion a huge success.

SPORTING BREVITIES.

Charlotte Team Is Coming Here to Try Conclusions With Lindsey's Winning Combination.

BY JAZZY MOORE.
Everyone is wondering just what will be the outcome of the clash here tomorrow when Clone Lindsey's aggregation lines up against the strong Tabernacle team from Charlotte. No predictions, except a hard fought game will be seen, are at present being made, as dope from the Charlotte team has been coming in rather slow.

Making a wonderful showing for amateurs and displaying enough flash to carry him to league ball, Tabernacle has one of the most dependable chaps, Moody, who ever donned the old tops at the Queen City this season. It is Moody that will ascend the hill for the visitors tomorrow. Knowles, former Hornet recruit, is showing up well and playing an excellent offensive game for Tabs.

It must be admitted that the locals are a little shaken over the encounter tomorrow. But they are going in there to win and the thought of defeat has been eliminated from their calendar. Every man on the team has been on his toes in every fray and by a powerful display of stamina every opponent has been forced to accept defeat at their hands.

Gibson Is Also Causing Apprehension.

Do Kannapolis now fear the Gibson club from Concord? Some red hot sport from that city insinuated in an unsigned letter to this writer that the local team was afraid to play the Concord contin-

gent. He further added that the Lindsey workers were yellow in that they would not play in Concord. If this self-termed sport will investigate he will find that the Kannapolis manager agreed to play the game in Concord Thursday. He was willing to cancel the Charlotte engagement to get a return engagement with Concord. But, it seems a high official of the Gibson Mills would not agree to let the teams play there during the work days. Anyway, old timer, please sign your name next time. Then we can answer it and try to explain the circumstances. In addition to being against the live, unsigned letters are extremely bad taste, and awfully poor sportsmanship.

To Leave on Long Jaunt.

The Kannapolis will leave shortly for a trip over the state. Several games have been scheduled with teams in the eastern part of the State.

Season Nears End in Twilight League With the Race Still Close.

A new week begins in the Twilight League this afternoon with Cannon in the Midway suburb and Cabarrus playing the Bleachery at the latter's home. There are three full weeks of play left for the season of 1925 and the curtain will be lowered on this brand of ball. The week just passed saw a shift in the second and third positions. Cannon hit the to-boggan, winning but one game during the week, that on Thursday. Cabarrus, after dropping the opening game, took the last couple of games from their league mates. No other positions were changed, although the Bleachery's lead was slightly reduced during the four games. The Ewan men were able to win only one out of four played.

Midway Is Still in the Race.

Midway is still in the race. Fans at Cabarrus are now inclined to believe the race will be Cabarrus and Midway, although Bleachery and Cannon are still in the fighting. The Cannon's meeting with the Midways and Cabs may have an important bearing on the league race for the three clubs concerned.

However, if the fight continues as closely as heretofore the winner will not be known until the last man is out in the last game of the season. Just to make it more interesting some fans are dreaming of a tie for first place when the curtain is rung down August 13th. This may or may not be the case but certainly by the last two series between the three leading clubs is very probably the ones that will make the cup winner.

Meisner Starts Training For Scrap.

Meisner has not as yet accepted any of the several fight offers made him by promoters. The boxer is working out daily in the Cabarrus gymnasium.

REFUSE TO CUT DOWN MAN DYING ON A ROPE

Suicide's Neighbors Said They Lacked "Authority"—Might Have Saved His Life.

Washington, July 21.—While Jacob S. Moyer dangled at the end of a rope here today, neighbors called in by his wife expressed the opinion that they lacked "authority" to interfere and declined to cut the rope.

Police who arrived later were unable to resuscitate the man, who had committed suicide. Warath of the body indicated a possibility that life was not extinct when his position first was discovered.

He: "Dearest will you marry me?" She: "John, I can't marry you, but shall always respect your good taste."

UNABLE TO SLEEP AT NIGHT

Had Bad Case of Stomach Trouble; Also Suffered With Nervousness and Constipation.—Says HERB JUICE Gave Relief.

"I never dreamed that any medicine could do as much for a person as HERB JUICE has for me. It is the most wonderful remedy I have used and worthy of the highest praise," said Mr. W. J. Smith, well known carpenter who resides at 108 Clark Street, Concord, N. C., in a recent statement to the HERB JUICE man.

W. J. SMITH

"My nerves were at the breaking point," continued Mr. Smith, "when I began using HERB JUICE. I had suffered so much with stomach trouble without getting any relief to speak of from other medicines that I had used. I had about despaired of ever finding anything that would bring me relief. When the HERB JUICE representative offered free bottles to sufferers of stomach trouble I got a bottle and I will always be thankful for having started using this medicine. It immediately proved the most satisfactory and beneficial remedy I have ever used for stomach trouble. The gas pains and bloating spells that were constant worry for years had about ruined health. I was so nervous at night that to get a good night's sleep was out of the question. Everything I ate would hurt me immediately afterwards. In addition to this I was badly constipated; my liver was very sluggish, this caused me to have bilious and dizzy attacks and really I was in a very weak condition, but the first bottle of HERB JUICE made a wonderful change in my condition and after taking several bottles I have been relieved of all these troubles. And I know that I owe all this to this great Medicine HERB JUICE. Today my improved condition speaks for itself. I can get anything at any time and the good part about it is I can digest it and do not suffer any after effects. Since I have taken HERB JUICE I am much stronger and feel better in every way than I have in many years. I have also found HERB JUICE to be a wonderful laxative and through it is mild and natural action my bowels and liver have been regulated and my entire system cleansed of all impurities. I can truthfully say that I feel 100 per cent. improved in every way and I know this is due to the use of HERB JUICE."

HERB JUICE is guaranteed to give satisfaction or money refunded by Gibson Drug Co.

Facts, Not Fiction, Guide Us!

We do not sell \$35 dresses for \$19.75, \$9 shoes for \$5.90, \$3 full-fashioned hosiery for \$1.49.

If the dresses were worth \$35, the shoes \$9 and the hosiery \$3, we would sell them at those prices.

We DO sell \$19.75 dresses for \$19.75, and not for \$35. They're worth \$19.75!

We DO sell \$5.90 shoes for \$5.90, and not for \$9. They're worth \$5.90!

We DO sell \$1.49 full-fashioned hosiery for \$1.49, and not for \$3. They're worth \$1.49!

Wesley an Evolutionist.
John Wesley, founder of Methodism, was an evolutionist, according to Dr. Edward Mims, of Vanderbilt University, at Nashville, who gives strong proof of his assertion in a quotation from the writings of the great theologian and preacher.

In an essay entitled "A Great View of the Gradual Progression of Beings," written long before Darwin's time, John Wesley wrote as follows:
"By what degrees does nature raise herself to man? How will she rectify this head that is always inclined toward earth? How change these paws into flexible arms? What method will she make use of to transform these crooked feet into skillful and supple hands? Or will she widen and extend this contracted stomach? The ape is the rough draft of a man, this rough sketch, an imperfect representation which nevertheless bears a resemblance to him and is the last creature, that serves to display the admirable progression of the works of God. But mankind have their gradations as well as other productions of our globe. There is a prodigious number of links between the most perfect man and the ape."

Jefferson Davis Never Tried.
After his capture by federal troops at Irwinville, Ga., he was imprisoned for two years at Ft. Monroe. He was indicted for treason by the grand jury of the District of Columbia, but was never actually brought to trial. After two years of bickering on the part of the government and court he was released on bail, Horace Greeley being one of his sureties. He was included in the general amnesty act of Congress passed in 1868.

Since this time yesterday nearly 2,000* men have changed to Chesterfield

SUCH POPULARITY MUST BE DESERVED

SMART BUYERS COME HERE!

We're not getting all the tire business in town. We never expect to. But we're getting our share and our business is growing constantly. The reason for this is that car owners have found our location is convenient, our service prompt, efficient and courteous, our merchandise of the highest quality, and our prices surprisingly low.

As a matter of fact, and we realize it sounds pretty strong, if every car owner in town who is not buying from us, really knew what we had to offer, we'd come pretty close to having a monopoly on the tire business here.

We honestly believe this, because we're already selling to scores of the brainiest tire buyers in town—smart people who look twice and think three times before they buy anything. If we can satisfy them and keep on doing it—we can please you, too.
