"CLEAN-UP WEEK" TO BE OBSERVED HERE

City Will Provide Trucks and Wagons For Removal of Trash in All Parts of City Next Week.

Everything is set for "Clean-Up Week" in Concord next week. The city has completed its plans and the campaign promises to be a success if the people of Concord will do their part.

It is planned by the city to collect trash in all parts of the city, certain streets to be visited by trucks and wagons on certain days. Household holders have only to place the garbage and trash on the street nearest their home and the city will have it removed.

In this connection it is well to re- member that persons are to put the trash on the streets only on those days on which the trucks will come around. "If trash is piled in the streets early in the week, and the wagons are not scheduled to come around to those particular streets until the last of the week, the work will be hindered," one city official pointed out. "People are asked to watch the schedule and put out their trash on the day the trucks are to visit the street on which they live."

The schedule for the trucks and wag- ons follows:
Ward No. 1—July 27 and 28, Monday and Tuesday.
Ward No. 2—July 28 and 29—Tues- day and Wednesday.
Ward No. 3—July 29 and 30—Wed- nesday and Thursday.
Ward No. 4—July 30 and 31—Thurs- day and Friday.
Ward No. 5—July 31 and August 1— Friday and Saturday.

Golf Tournament to Commence Saturday Afternoon.

In order to give every member of the Country Club complete time to compete in the 36 holes of medal play the commit- tee has decided to begin this tournament Saturday, July 25th and continue it through the following Saturday, August 1st, at which time all incomplete scores will be thrown out and the player who has turned in the lowest score for 36 holes will be declared winner.

The following regulations will govern this tournament:
1. Each player must register at the club house before beginning the 36 holes of play and after registering the total number of strokes for his next 36 holes will constitute his medal score for the tournament.
2. Players are permitted to choose their own partners and may play in either twosomes, threesomes or foursomes.
3. Each score card turned in must be attested by all members of twosomes, threesomes or foursomes.
4. Teeing up will be permitted.
5. Balls, driven over the wire fences along No. 7 fairway and along the road on No. 8 fairway are out of bounds, and when more than a club's length over either of these fences—another ball must be played with a penalty of one stroke. Balls driven over fences behind No. 2 and Number 4 greens will not be considered out of bounds but may be played without penalty.
6. The committee is very anxious for all members of the Country Club to take part in this tournament and expects, from the scores turned in to accurately establish the handicap each player should have and as soon as possible arrange a handicap tournament.

The following players have declared themselves ready to play their 36 holes during the coming week and many more are expected:
Grey Bost, Wm. Sherrill, Walter Furr, W. H. Wadsworth, L. D. Coltrane, W. W. Flowe, Alex Howard, Leslie Bell, Ken- neth Caldwell, I. I. Davis, Chas. Wads- worth, and T. D. Maness.

One thing especially the tournament committee wishes to be understood by every player who enters the tournament and that is: He must play his 36 holes in a row—once he begins them—in other words there must be no intervening games between his tournament play, for once registered his next 36 hole will constitute his medal score, whether he plays them all in one day or 18 holes on different days—the only restriction being that at least 18 holes must be played a day.

If he wishes he may play 18 holes one Saturday and 18 holes on the following Saturday but there must be no play be- tween these dates as the score to be counted will be the 36 holes played after the player is registered for the tourna- ment.

If you want to see a girl's face light up, offer her a good match.

STAGE ALL SET FOR BASEBALL CLASSIC OF THE SEASON

Two Lineups Show Some Fast and Heavy Men Are to Meet Each Other on Diamond—Locals in Splendid Shape For Contest—Record Crowd Expected.

BY JAZZY MOORE

Kannapolis, July 24.—"Let's go," says the Lindsey machine, and with every man keyed to the keenest edge and the stage all set for the greatest amateur clash ever witnessed here on a baseball diamond, the Kannapolis forces are prepared to meet the fast Gibson charges, representing Concord, at the Cabarrus field tomorrow at 3:30 o'clock.

With a week of hectic practice fading into the background, in addition to sev- eral well-earned victories over flashy teams are in good shape and ready to meet their opponents when the umpire's signal sends them into action. Taking all things into consideration, the general opinion is that both teams are evenly matched. Therefore excitement is running high as the time approaches for the contest.

Lineup.
The following men will fight with their backs to the wall to strive of the grim spectre of defeat at the hands of that same Concord outfit:
Third baseman—Charlie Saunders. Charlie is a member of the three musket- eers of the heavy artillery. In addition he leads the club in cushion pilfering. He is a phenom of the Duke University inner works.
First baseman—Lavin Lapsley. He is only 19 years of age and stands an excel- lent chance of becoming one of the best in the game. His batting average for the season is .318.

Right field—Russell Lee. In 1924 he proved most valuable to the local high school team. He was given a trial with the Charlotte, Sully League, team this year, but failed to make the grade. One more season and he will be primed for action in this league. His is a danger- ous hitter.
Center fielder—Homer Fink. Fink's record alone speaks for itself. He is a scintillating fielder, thinks quick, and can do anything in a baseball player's vocabulary. He is a Rochester, N. Y., property.

Left Fielder—Clarence Wood "Peck", as he is known in baseball circles, is well known in this section of the state. Last year he played stellar ball for Asheville of the South Atlantic loop. In 1922 he

was a member of the state amateur champions, Kings Mountain team. Like- wise in 1923 he was connected with a winning combination in Albemarle. Shortstop—Johnny Johnston. The "Babe Ruth" of the sandlot, has been conferred on this Carolina University star. Wednesday he sent two over the boundary line. Next year he will direct the University of North Carolina's base- ball destinies.
Catcher—"Hop" Hopkins. While he is a newcomer he looks mighty good to us. He is a Knoxville, Tenn., recruit.
Second baseman—Cleve Lindsay. This handsome young man is the skipper of the Kannapolis crew. He hails from the Blue Ridge League.
Pitcher—Herman Holshouser. The best bet of the pitching staff. He has been in New York all the week talking terms with John McGraw. He is making a mark for other hurlers to shoot at. In the last 27 innings he has given up but eleven hits. Holshouser is due in town today. But should he reconsider and put his signature to a Giant contract, Whoopee! The tables will probably be turned.
Utility—Johnnie McInnis. McInnis still holds his place as cock of the walk when it comes to strutting his stuff before the fair sex. They are expected out in force to see Kannapolis and—well, watch John McInnis Saturday afternoon. He is another Carolina protege.
Pitcher—"Lefty" Champion. Cham- pion, late of the Maiden club, shows championship form when he is right and when he is wrong—well, did you ever see a polecat through your nose? Yes, well then, you know what we mean.
Utility—Dick Miller. In Miller, Kannapolis has an experienced and capable player. In Pittsburg a few years back, he was a sensation for the Pirates around the initial sofa.
Utility—Norris Helms. Helms is at the height of his form right now and is without question one of the best "life savers" in the Piedmont section. He al- ways delivers the goods in time of need.
Utility—Mack McLain. The last, but not least by any means, is McLain. By ways of righteous Mack is a catcher. Formerly he did receiving work for the Salisbury-Spencer team.

Entitled "The Town's Honor."

And those are the characters that will play the part of Kannapolis in the nine-act drama, that is expected to play to twenty-eight hundred people. The general admission will be 50 cents.

LATTA LEFT TWO MILLION FOR PHILANTHROPIC PURPOSES

Orthopedic Hospital at Gastonia to Re- ceive Income From Half Million For Cripples.

Asheville, July 23.—Nathan E. D. Latta, Jr., of Charlotte, his son, as executor, the will of the late E. D. Latta, capiti- list of Charlotte and Asheville, filed here this morning, bequeaths the bulk of the estate to charitable purposes, the be- queaths amounting to \$2,000,000 exclu- sive of certain allowances to be paid members of the family. The estate is valued at three or four millions, all prop- erty in excess of this sum having been divided between his son and his daugh- ter, Mrs. William H. Porcher, also of Charlotte, some months ago.

One-fourth of the income of the two millions left for charitable purposes is to be paid to the trustees of the general assembly of the Presbyterian Church in the United States (Southern) to consti- tute a memorial fund to provide college education and theological training for young men from the Asheville Presby- terial wishing to become ministers of the gospel, training for these students to be at the Union Theological seminary.

Another quarter of the income goes to the Orthopedic Hospital at Gastonia to be known as the Edward D. Latta fund and applied exclusively for the treat- ment of poor and indigent crippled chil- dren.
Mission hospital, at Asheville, receives half the income on about one million dol- lars for the erection of a nurses' home and maintenance of a ward or depart- ment for treatment of maternity cases. Site for the home is also bequeathed. Mr. Latta was for some time a patient at this hospital.

Mrs. E. D. Latta, his widow, is pro- vided for with \$50,000 for purchase of a suitable home, all household effects and an income of \$1,500 monthly. The same allowance is to be made Mrs. Porcher.
William H. Porcher, Jr., when he reaches his sixteenth birthday, will re- ceive \$3,000 annually, until he reaches thirty, when the trustee is instructed to pay over the sum of \$50,000 with no re- strictions. Similar arrangements are provided for future grandchildren, save that the first son of E. D. Latta, Jr., should be marry, will receive \$6,000 an- nually and \$150,000 on his thirtieth birthday.

Acquisition of a lot of land in Dil- worth, Charlotte, fronting on Kingston avenue is directed to be held in trust, and a house costing \$3,500 to be erected for the use of H. R. McCorkle and his family and to be delivered the said Mc- Corkle's children or held in trust for his grandchildren after his death.
Friends mentioned for bequests include: E. T. Cansler, Charlotte, \$1,000; T. G. Guthrie and C. D. Tallafiero, \$1.00 each; Miss Maude Carson, \$100 annually and \$200 for five years; Mrs. Jessie Glasgow \$100.
