CONDITION GRAVE IN CHINA SAYS MISS TROY

Streets of Soochow Heavily Patrolled and Soldiers Everywhere. Greensboro, July 26.—The gravity of conditions in China is emphasized by Miss Nia Troy, missionary to China from the Methodist Episcopal church.

DINNER STORIES

Rules and Regulations. "How long does it take to draw out my money if I put it in the postal bank?" asked the prospective depositor with the market basket.

Unpardonable. A strong-chinned lady of uncertain—no, almost certain—years was in court charged with assault, battery and a few other details.

Still Wild. "How long has the wild man been in this country?" asked the old lady visiting the circus.

A Big Haul. "The prisoner who escaped this morning was a born thief, wasn't he?" asked the visitor to the prison.

Countess Confessed Her Jealousy Caused Leo Tolstoy's Death. Admitting that her insane jealousy had been responsible for her husband's last illness, Countess Tolstoy told her daughter, "I suffer more than you, you are losing a father, but I am losing a husband of whose death I am guilty."

Indigestion in its Worst Form Overcome. In early Bible times, a pedagogue was not a school-teacher as now, but a servant, usually a trusted slave, household to and from school.

INDIGESTION IN ITS WORST FORM OVERCOME

HERB JUICE Proves Its Power Again As a Great System Cleanser and Regulator. "I would just like for all sufferers of stomach trouble-indigestion to try HERB JUICE. This medicine has helped me more than anything. It brought real relief to me when everything else failed, and for this reason I want other sufferers to try it for their troubles," said Mrs. C. E. Kirby, of 17 Swink Street, Concord, N. C.

COMES TO TOWN AFTER SECLUSION OF 30 YEARS

Nebraska Hermit Says World Is "Gallop-ing to Hell"—Enjoyed Trip. Omaha, Neb., July 25.—When Julius Caesar brought the first wild man back to Rome from the wilds of Germany, they let the shaggy old Teuton run loose around the town for a few days before they cut him for the leading role in one of those little affairs at the Coliseum.

Lives in Seclusion. Mr. Morris has lived in a hut by the rearing waters of Bauman creek for thirty long years. He is a wild world go by, while his hair got long and shaggy and the spiders spun pretty little webs across his cerebellum.

Like It, Anyway. On the whole, however, he enjoyed the ride. For, after thinking it over a little, he remarked: "If I had built my hut a little closer to Omaha, I might walk in once in a while."

Discards His "Chew." But he finally consented to stay there. He even showed that he knew how to act in such places by taking a two-inch cud of chewing tobacco from his mouth and stuffing it into his hip pocket when he entered the dining-room.

MORRISON DEFICIT ONLY THREE MILLIONS. This is the State Auditor's Finding on an Accrual Basis. Tom Bost in Greensboro News. Raleigh, July 26.—Former Governor Cameron Morrison has been furnished a statement of the deficit made up on the accrual basis and the \$9,500,000 in round numbers has been reduced below \$3,500,000. The exact figures are near \$3,125,000.

stop, is leaving and in his place Haynes, Concord's brilliant fielder, has been secured. Hodges, former Newberry star, has been hired to take Lindsay's place at second base. Bergdoll's Buried Gold. From his safe retreat in Baden, Germany, Grover Cleveland Bergdoll, notorious draft evader, still insists that he buried \$250,000 in gold "somewhere" in the Maryland hills. He submitted a sworn statement to that effect in counter suits brought by his mother, Mrs. Emma Bergdoll, and Alien Property Custodian Miller.

SMART BUYERS COME HERE!

We're not getting all the tire business in town. We never expect to. But we're getting our share and our business is growing constantly. The reason for this is that car owners have found our location is convenient, our service prompt, efficient and courteous, our merchandise of the highest quality, and our prices surprisingly low.

As a matter of fact, and we realize it sounds pretty strong, if every car owner in town who is not buying from us, really knew what we had to offer, we'd come pretty close to having a monopoly on the tire business here. We honestly believe this, because we're already selling to scores of the brainiest tire buyers in town—smart people who look twice and think three times before they buy anything. If we can satisfy them and keep on doing it—we can please you, too.
