IN AND ABOUT THE CITY

BELK MANUFACTURING CO
New Spinning Mill to Be Erected Soon
at Ellenboro.
Rutherfordton Sun.
Surveying for the location of Ellen-
boro's new spinning mill is going for-
ward this week. The new plant will
be located on the east side of the Sea-
board Air Line railroad just north of
Ellenboro.

A meeting was held in Ellenboro last
week in which Messrs. W. H. Belk and
J. M. Lumley, of Charlotte. The name
of the new firm will be the Belk Man-
ufacturing Company. The following were
elected officers of the corporation: W.
H. Belk, Charlotte, president; E. A.
Martin, Ellenboro, vice president.
Following a meeting of the directors,
J. M. Lumley was elected superintendent
and manager and J. A. Martin secretary-
treasurer.

The organization is to be capitalized
at \$100,000. Nearly \$25,000 has been
subscribed in stock. Mr. Belk is
putting into the company machinery val-
ued at over \$20,000. More stock will
be eagerly taken by the men of that
section who realize the great possibili-
ties of the mill and what it means to
the town of Ellenboro and surrounding
territory.

Fifty-three acres of ground have been
secured, close to the railroad. The work
of erecting necessary buildings, a rail-
road siding and other work will be pushed
rapidly. Mr. Belk already has the ma-
chinery, which will be installed as soon
as practicable. It is hoped to have the
mill in operation before the first of the
year.

Mr. W. H. Belk, president of the com-
pany, is head of the great Belk interests
in Charlotte. His connection with the
new company spells success from the very
beginning as Mr. Belk's other plants
will take the entire output of the spin-
ning mill at Ellenboro, thus assuring dis-
posal of every bit of the product of the
new mill. Granting a successful opera-
tion of the plant, and there is no possi-
ble doubt of this, Mr. Belk has intimated
that the Ellenboro plant may be-
come eventually a million dollar propo-
sition.

KLAN MEN STAGE PARADE IN TOWN OF MOOREVILLE

350 March Down the Street.—Methodist
Minister Offers Prayer—Tribute to
Bryan.
Mooreville, July 30.—The Ku Klux
Klan of this city staged a parade, pub-
lic speaking and barbecue supper Tues-
day night before several thousand spec-
tators. The parade had about 350 robed
members including six women.

W. C. White, of the Raleigh head-
quarters, was master of ceremonies. Rev.
C. L. McCain, of the Methodist church,
offered the prayer, after which the peo-
ple stood for a moment in silent tribute
to William Jennings Bryan.

Mayor McNeely turned the town over
to the knights, after which Dr. Shelly
Frontis presented O. K. Bennett,
lawyer, of Asheville, who addressed the
crowd on the principles of the organiza-
tion and its purposes. He was followed
by a brief talk by Rev. Dr. McGuire,
pastor of the First Baptist church of
Concord. When the speaking was over,
the klansmen and their specially invited
guests were served a well prepared bar-
becue supper. Everything passed off
pleasantly and the event attracted peo-
ple here from many towns and cities in
the state, some from Fayetteville, Ra-
leigh, Elkin, Concord, Asheville and
other points.

REPORT CONFUSING

No "Rev. Dr. McGuire" is Pastor of the
First Baptist Church Here.
Reports from Mooreville to the effect
that "Rev. Dr. McGuire, pastor of the
First Baptist Church of Concord" ad-
dressed a Klan meeting there Tuesday
night are rather confusing to Concord
people by reason of the fact that the
congregation of the First Baptist Church
here has no pastor at present and has
never had one named McGuire.

It is understood that a man named
McGuire, who says he is a Baptist min-
ister, has been in and around Concord
for some time, but he has never been
pastor of the First Baptist Church and
many persons have been heard to say
they never even heard of a preacher in
Concord named McGuire.

phanage is the institution of the Re-
formed church of North Carolina, with

tendent.

GIBSON LOSES GAME TO FORT MILL BY 3-1 SCORE

Locals Unable to Do Anything With
Visiting Pitcher—Haynes Hits Home
Run For Only Score.
Manager Basinger's charges were up
to their usual Thursday afternoon form
yesterday. They could not hit and, to
make matters worse, handed Fort Mill
the game on a silver platter. Fort Mill
won by a score of 3-1.

Haynes, the million dollar shortstop,
kept Gibson from being blanked when he
poled one over the left field pailings in
the eighth inning for the only earned run
of the game.

Both clubs exhibited ragged fielding at
times but the visitors made their poor
plays at times that did not matter, where-
as Gibson's were always costly in the
extreme.

The pitchers were effective. Ferguson
allowing six hits and Gates, hurling his
first game for the Gingham Makers, al-
lowing the Sandhoppers but seven. The
odds were against Gates, however, and
even he contributed to the poor plays of
the evening by hitting Burrell with a
pitched ball when the bases were filled.

The first score of the game came in the
third inning when Ferguson, A., visiting
pitcher, hit a long fly to centerfield which
Dago Smith muffed effectively letting him
to third base. A sacrifice fly to right
field scored him.

Up to the sixth inning, Gates did not
allow his opponents a hit. In this frame,
Ferguson, W., the first batter, singled.
Caldwell was safe in an attempt to
catch Ferguson at second. Blair struck
out but Belk singled filling the bases.
Gates then settled down and struck
Blackwood hit into a double play but
Blair was safe on third and scored when
Basinger errored Burrell's grounder.

After Haynes' home run in the eighth,
Gibson attempted to stage a rally. Two
outs had already been registered when
the four-ply swat was registered. Basinger
made three strikes but the catcher
dropped his last one and tried an easy
throw to first which went wild, letting
Sid have a lease on life. Watts was
walked but Harris ruined things when
he struck out.

Hatley, University of N. C. heavy hit-
ter, was unable to touch Ferguson yester-
day. This played in making his first
appearance in Gibson uniform struck out
three times and hit a long fly on his last
effort.

STOLEN CAR FOUND BY GASTON COUNTY OFFICERS

Essex Coach of W. H. Muse Deserted by
Occupants When They Saw Rural Po-
lice Approaching.

Efforts of local police officers
W. H. Muse, Jr., has recovered his
Essex coach which was stolen Thursday
morning from in front of the office of
the Locke Cotton Mill. The car was
found by Gaston county rural police
officers who had been advised to be on
watch for it by local officers.

Officer Talbirt, of the Jackson Training
School, advised his brother, Chief
Talbirt, of the local police department,
that he had seen an Essex coach with a
Concord license near the Catawba River
bridge Thursday afternoon while return-
ing from Gastonia. The occupants of the
car did not appear prosperous enough
to own a car, the officer advised Chief
Talbirt, and his suspicions were aroused.

Chief Talbirt had already notified offi-
cers in nearby cities to be on a watch
for the car and as soon as he received
the tip from his brother he communicated
with the Gastonia officers again. At
11 o'clock Thursday night they advised
local officers that numbers on the car
found by the rural police corresponded
with the number on Mr. Muse's car, and
the latter left this morning for Gas-
tonia to get the car.

Local officers were advised that the oc-
cupants of Mr. Muse's car ran when they
saw rural police officers approaching
them, although at that time the officers
did not know the car had been stolen.

Official Population of Raleigh Listed at 30,371 By Washington.

Raleigh News and Observer.
The population of Raleigh as of
January 1, 1925 was 30,371, according
to the official government estimate,
which is figured on the average rate of
increase shown between the census
years of 1910 and 1920 and which takes
into consideration increases in the city
limits.

A letter bearing this information was
received yesterday by H. B. Branch,
secretary of the local Chamber of Com-
merce, from W. M. Stewart, Director of
the Census. Mr. Branch believes that the
rate of increase of population as af-
fects Raleigh has grown since 1920 and
that the government's estimate is too
conservative.

"There are at least thirty-five thou-
sand persons in Raleigh and its suburbs,"
he declared. "We found that out when
the last city directory was issued."

The Key to Success

Success depends primarily on a healthy
liver and stomach. You can not think
straight if these organs are not working
properly. Mayr's Wonderful Remedy is
usually successful in such cases. Our ad-
vice to everyone trouble in this way, es-
pecially when accompanied with bloating
in the stomach, is to try this remedy.
It is a simple, harmless preparation that
removes the catarrhal mucus from the in-

tion which causes practically all stom-
ach, liver and intestinal ailments, in-
