Baseball fans in the city will note with interest the announcement that Gibson will play the Tabernacle team from Charlotte Saturday. The Tabernacle team is one of the strongest in the fast city league in Charlotte. Simmons is to pitch the game on Saturday.

HUDNELL KILLS HIMSELF STANDING BY OFFICER

Spencer Man, Arrested by Chief Wagstaff at Great Falls, S. C., Sends a Bullet Through Brain.

Spencer, Aug. 11.—Sending a bullet crashing through his brain, R. Paul Hudnell, aged about 27, until a few days ago a well known Spencer grocer, ended his life before daylight this morning at Great Falls, S. C., while standing by the side of Chief of Police J. A. Wagstaff, of Spencer.

The officer, who went to Great Falls Monday night in search of Hudnell, had just arrested him on charges of the larceny of \$2,000 worth of goods from James Ellison and Company, at Washington, N. C. It was while packing his grip to return to Spencer with the officer that Hudnell fired the fatal shot. He died instantly.

Two companions in bed in the room witnessed the tragedy enacted while Chief Wagstaff made a futile effort to get possession of the gun. It was charged Hudnell hauled the goods from Washington to Spencer by truck and sold them at retail.

WILD BASEBALL RUMORS MAKE ROUNDS OF CITIES

Kannapolis and Concord Each Hears That Other to Stop Playing.—Gibson Plays Here Saturday.

Rumors have been rampant in Kannapolis, according to advice received from that place, that the Gibson Mill team is "gafloo-ey," disbanded, busted and gone up in smoke.

Rumors have been rampant in Concord that had the Kannapolis team not won Saturday's contest, that team was going to stop, cease and halt playing.

Both rumors are the outcome of last week's three games between the two teams.

From Kannapolis comes the report that four of Manager Bascom's charges had handed in their suits and were planning to seek more pleasant pastures in which to exhibit their talent. This, quite naturally, stirred the baseball element of the city to its depths and inquiries were made from all available sources.

As a matter of fact, Gibson does lose one of the players. Hahn, who did so much to help the team at second base, has left for Alabama. He was too big a player for the locals to keep. A star last year in the Sally League and a good prospect this year at Pittsburgh, it was impossible for the local management to make it attractive enough for him. He left Pittsburgh after six weeks because they wished to farm him out to a western team.

The entire personnel of the remainder of the team will be intact. Some one will have to fill in for Gates in left field when he pitches Thursday. Then on Saturday, when Simmons pitches, Gates will return to his outer garden.

Gibson plays Colesmeec on Thursday at Colesmeec and returns to Concord Saturday for a game with the Charlotte Tabernacle. The Tabernacle team has been beaten once this year by Gibson but it has beaten Kannapolis twice.

The lineup in Saturday's game is as follows: Simmons pitcher, Clemmer catcher, Harrill first base, Basinger second base, Haynes starstop, Belk third base, Gates leftfield, Johnson centerfield and Hatley right field.

It is said that the rumor about Kannapolis disbanding if they lost last Saturday, was absolutely true. Somebody heard somebody else say that they heard one of the players for Gibson say that one of the Kannapolis players declared that had not Kannapolis won on Saturday, they were just going to quit playing.
