\$50,000 SPIRITUALIST CHURCH WILL HAVE NO WORSHIPERS

Court Rules, However, Provision in Will of Eccentric Farmer Must Be Fulfilled.

Leroy, Ill., Aug. 13.—They have broken ground here for a \$50,000 church without any parishioners. There will be \$25,000 expended for furnishings and extras. A pulpit for the preacher and seats for the communicants, but there will be no people. This house of worship will be dedicated March 1, 1926. The court has ruled that the structure must be built. It was provided for, in the will of J. T. Crumbaugh, an eccentric farmer of this community.

All contestants of the will have been beaten so often they have quit. Crumbaugh became a spiritualist before he died. The church is to be a spiritualist church. That is why it will have no attendance. There is not a spiritualist in the township. The will provides for the maintenance of the church by income from 1000 acres of land.

The fellow who kicks up the most dust doesn't always make the most progress.

That Salisbury Meeting.

Word was sent out for a gathering of the committeemen, so appointed from Charlotte, Concord, Salisbury, Lexington and Winston-Salem, to assemble themselves in Salisbury on last Thursday, for the purpose of making an organization to go about securing the Piedmont and Northern extension from Charlotte north to Winston-Salem.

Every one of these places, except Charlotte, had large delegations. They were in earnest about the proposed extension. It was a business meeting by business men, who came together to do what was necessary to bring about the desired end. State Senator Woodson presided; Ex-Governor Morrison was elected permanent chairman of this working committee, and Clarence Kuester, of Charlotte, was made permanent secretary. A committee of five, headed by Senator Woodson, was authorized to wait upon Mr. J. B. Dixie, seeking an appointment for the full committee to present their side of the movement for the extension of the said railroad.

Mr. Morrison, when called upon, explained in a practical and enlightening manner the real object of the meeting. He gave the gathering to understand that his part in the matter was not as attorney for anybody but as a citizen hoping to be of service to the great Piedmont section and, eventually, to the whole state. He made clear that the extension of the Piedmont and Northern railway, which now ends at Charlotte, to Winston-Salem, via Concord, Kannapolis, Salisbury, Lexington, would connect the several towns with several great railroad systems—the Seaboard, the Atlantic Coast Line and the Norfolk and Western, which is practically the Pennsylvania railroad.

The meeting was not loud but genuinely a business one. Before the great crowd assembled in the Rowan court house, it had its picture taken. This in the future, when this proud section is enjoying the splendid benefits of the extension which everybody believes that Mr. Duke will make sure, will play a distinct part in preserving the history of the first movement in this proposed great development.

It is generally believed that when the great industrial captain sees the hearty reception of the suggested extension of the Piedmont and Northern, by all the people along the suggested line, that Mr. Duke a man of vision and action and power, will not hesitate to continue his mighty contribution to the upbuilding of the state. So mote it be.

The Country Gentleman is the oldest agricultural paper in the world. It was established in 1831. City in Buenos Aires.

COLORED LUTHERANS HOLD CONVENTION IN CONCORD

The Speaker Points Out That Work Among Negroes in State Started Here.—Other Addresses Made. The General Conference of the Lutheran colored mission convened Thursday morning at Grace Church, Prof. T. Berg, of the theological department of Immanuel Lutheran College, at Greensboro, presiding, and the Rev. M. N. Carter, of Chicago, Ill., acting as secretary. C. F. Ritchie, prominent business man of Concord, addressed the convention and welcomed the members to this city and encouraged them to consecrated work and zealous mission endeavor.

The Rev. J. P. Smith, superintendent of the eastern field, in a brief historical sketch called attention to the fact that the work in North Carolina had its inception in Grace Church and that the beginnings of Immanuel Lutheran College and Theological Seminary, now located at Greensboro, were likewise made in Grace school.

Sessions on Thursday were devoted exclusively to matters of business, principally in regard to the colleges at Greensboro and at Selma, Ala. It was decided to hold the next convention at Selma, Ala., and a special committee was appointed to make plans and recommendations for the golden anniversary of the Lutheran colored mission, which will take place two years hence and is to be celebrated in connection with the next general convention.

In a sermon on "The Values of Christian Education," delivered at the night service, Prof. W. H. Beck, of Greensboro, pointed out that popular education is not meeting the needs of the day and that we must not be content with the mere development of the intellect, but must properly and thoroughly train the emotional and volitional phases of soul life by means of Christian principles and ideals as embodied in the Gospel of Jesus Christ.

Today's sessions were devoted to the hearing of a doctrinal paper on "The Image of God and Original Sin," by Dr. H. Nau, president of Immanuel Lutheran College, Greensboro. The fact was stressed that the modern views of Genesis as being only allegorical and figurative documents are in no-wise new, but were advanced many centuries ago by such men as Philo, Origen, and others. These views which seem to be disrupting the church today are just as incapable of accomplishing that end or shattering a belief in the Scriptures as they throughout the past nineteen centuries could not shake the eternal foundations of the church or the authenticity of the Scriptures.

The white citizens of Concord are cordially invited to attend the services to be held tonight at Grace Church, beginning at 8 o'clock, at which the superintendents of the various districts will report on the work in their respective fields. Special music will be rendered, and brief addresses will be delivered by the director of missions, the Rev. C. T. Drewes, of St. Louis, Mo., and President I. T. Albrecht, of Fairfax, Va.

RESIGNATION OF WEEKS IS SET FOR OCTOBER

Charles D. Hillis Mentioned as Probable Successor.

PYTHIANS WIN PENNANT IN CITY LEAGUE RACE

Victory Over DeMolay Nine Cinches Flag For Team After Exciting Three-Cornered Race.

The Pythian team, by winning the game Thursday afternoon from the DeMolay outfit, clinched the pennant in the City League. Thursday's contest was won by a 9-5 score. Victory for the Pythians had looked extremely doubtful recently owing to the fact that both the Y and the DeMolay teams had strengthened to such an extent that they were winning consistently from the league leaders. After winning five straight games, the Pythians had not been able to enter the win column with one exception.

In fact, so closely were the three teams running in the race that it looked as though all three might be tied for initial honors. Bringing up unexpected strength, however, the Pythians crushed the DeMolay nine in decisive fashion and will be awarded the rag as a result of the victory.

The Y. M. C. A. team and the DeMolay team, now tied for second place, will fight it out in the last game of the season on Saturday, the 22nd.

CHARLOTTE EVENS COUNT WITH KANNAPOLIS CLUB

Visiting Slabbits Was Heavy Contributor in Winning Ball Game.—Leo Hills Homer With Man on Base. BY JAZZY MOORE (Special to The Tribune)

Kannapolis, Aug. 14.—The Villa Heights, Charlotte Sunday School League leaguers, hosted the Kannapolis leaguers, but the Kannapolis leaguers, to an even break in their series here by taking the final tilt, 7 to 4. The first game was won by a 2 to 1 decision over the Queen City leaguers earlier in the season.

The locals were first to count, a walk and a double generating a run in the first inning. Digusting. It took the Villians three innings to overcome this lead. But the third inning they started in slumping, and Kannapolis started in throwing wild-pitch, and when everything had calmed down Villa Heights had a trio of markers. Not so bad! James took a walk to open the fourth stanza and took second unmolested, and advanced to third base on a wild pitch and scored when Hopkins sacrificed to center. Heart breaking! Again James walked to raise the curtain in the sixth net. Causal caught one of Champion's fast ones on the end of his bat and manipulated a long soarer to right. Alexander, who hadn't even seen the ball all day, finally slapped out a whoozy roller, tallying both men. To make matters worse, Summers came along in the ninth to throw in an extra run. Really disgusting!

Feature Play of the Game. Johnny Johnson served Villa Heights the trouble of making a run in the eighth. Hopkins belted a long one to short field and Johnson was in too far. Running at top speed with his back to the ball, Johnny appeared to be in a hopeless chase as far as making a putout was concerned. By a sudden lunge in the air he speared the ball, back hand, and returned it before a run could score.

An error by Summers allowed Kannapolis to push a lone run over in the eighth. In the final scene Mr. Lee came within our line of vision. He said to himself he must annex a circuit clout before the game was over—and he clouted furiously. The ball sailed away in the general direction of Concord. It was a homer that was responsible for half of our runs. Saunders was perched on first.

Both Petchers Hit Freely. Both Willie James, former Danville Piedmont hurler, and "Lefty" Champion, one of the local mainstays, were hit rather freely. Too many bases on balls proved Champion's undoing. Three times Champion walked the opposing slabbist and three times runs were chalked up for Charlotte.

The next station is the Gastonia affair, as a prelude to the "titled series" with Fayetteville next week. The Gastonia boys have been playing some good baseball and fans will regret if they fail to see the celebrated youngsters perform. The game will start at 4 o'clock at the Cabarrus field.

In addition to the boys' building, the next report to which much more importance attaches than to any of its predecessors may prove disappointing to the numerous shorts both trade and speculative and create the demand necessary to take up the slack much more closely than now seems probable.

A crop expectancy below 14,000,000 will be a poor basis for putting prices under pressure and is more likely to stimulate demand than to promote further selling. It is a ticklish situation as to the outcome of which anyone is entitled to his guess which may prove correct but it does not offer much incentive to take a decided stand on either side though the market looks and acts lower for the present.

There was a renewal of pressure on this with shorts, who had covered, putting out their contracts again and fresh selling discounting expected pressure from hedges the volume of which although not yet important is expected to increase materially in the near future and prove difficult to absorb without further concessions in price. Deterioration, however, is natural and normal at this time and complaints of that are by no means limited to the southwest so that it is quite among the possibilities that the next report to which much more importance attaches than to any of its predecessors may prove disappointing to the numerous shorts both trade and speculative and create the demand necessary to take up the slack much more closely than now seems probable.

Text: 'Heavy, Heavy, Hovers Over His Head ANTHRACITE COAL STAKE OPERATORS MINERS HARD-COAL CONSUMER Now She Says She Feels Entirely Well Since Taking Nature's Own Remedy, HERB JUICE. "I simply cannot find words to express my gratitude for the relief your HERB JUICE medicine has given me. I never dreamed any medicine would do for a person what HERB JUICE has done for me in such a short time, and I know now that there is still relief to be had when suffering with gas pains and indigestion. My stomach has restored my health and now I feel entirely well." said Mrs. T. W. Moore, of No. 12 Guy street, Concord, N. C. Continuing her statement to HERB JUICE man, Mrs. Moore added: "I thought I was about done for, and no relief was in sight when I began using HERB JUICE. Anyone who knows the discomfort of gas pains and indigestion can appreciate my condition. I would have thought suffocating pains in my stomach after eating and this caused me so much trouble at night that it was utterly impossible to get a restful night's sleep. Everything I ate seemed to hurt me, my food would sour, causing belching, heavy bloating and it was out of the question to eat a hearty meal without suffering for hours afterwards." was told at the Drug Store that HERB JUICE was a good medicine for such ailments as I had. I decided I would try a bottle. Now since I have taken several bottles of this medicine, I feel like an entirely different person. Today I am in good health and do not hesitate one moment to say that HERB JUICE is responsible for it. I have gained considerably in weight and have more energy than I have had in years. As soon as I started using this wonderful medicine the gas pains and bloating spells vanished and now I can do my housework with ease. I will always keep a bottle in my home. I can recommend HERB JUICE to anyone as the greatest medicine I have ever used." HERB JUICE is guaranteed to give satisfaction or money returned by Gibson Drug Co.
