**PRESSLEY ALLOWS Y. M. C. A. ONLY ONE HIT AND WINS**

Cannon Takes Victory by 5-0 Count.—The Mill Team Anxious for a Schedule.

Cannon Mill baseball team added another game to its string of victories Saturday when the Y. M. C. A. team was defeated by a score of 5-0. Pressley pitched airtight ball and allowed the Y only one hit while Sappenfield, on the mound for the Y, was nicked for ten safeties.

Cannon is crying for games, declaring that they are now ready to take on all comers, nobody barred. Any one wanting games is asked to call 487L.

Battries: Cannon, Pressley and Belk. Y, Sappenfield and Bruton.

## DICK MILLER IS NOW KANNAPOLIS MANAGER

Kannapolis Leaves For Three Day Trip to Fayetteville.—Signs Several Gibson Players.

Kannapolis has again shifted manager. This time it is Dick Miller who gets the call over the earphone manager, McLean. Dick has had experience galore and should do well, his supporters declare. He is a former big-leaguer and has a good baseball head.

While Miller, who plays first base, is taking over the helm of the club, McLean is being shifted to the outfield. An effort is being made to get Gemmer, Gibson Mill star receiver, to do the catching for the Cabarrus boys. This will strengthen the team, Kannapolis having tried any number of catchers.

Haynes is the other Gibson player who has signed with Kannapolis, following the bust-up of Gibson team last week. The flashy short-stop was used on the last road trip by Kannapolis and played stellar ball constantly.

Kannapolis left this morning for Fayetteville, where the team will engage in a three-day conflict with the easterners. The last three days of the week will see the two teams back in Kannapolis to conclude the affair with three more games. Fayetteville has one of the strongest nines in the state and the contests should be entertaining.

Pitchers taken on the tour are Culp, Holshouser, Sherrill and Ferguson. Only one other new member has been added, Henry Owl, a University of Oklahoma star, who takes Homer Fink's place in centerfield. Homer cannot make the trip on account of work.

**Time and Place of County Sunday School Convention.**

The County Sunday School Convention for this year will be held on next Thursday, August 20th, in St. Stephens Lutheran Church, which is in No. 7 township about three miles Southwest of Gold Hill. This church may be reached by going out of Concord on the Mt. Pleasant road to the Blacksmith shop, two miles out, and there taking the left, on the Gold Hill road. This main road leads almost directly to the church. Anyone going this route will keep the Gold Hill road on across the Mt. Pleasant and Salisbury road at Watts Cross Roads, and follow this main highway toward Gold Hill till the church is reached.

Another way from Concord to the Church is to go out on the Mt. Pleasant road and keep on this road till a plain left hand is reached about a mile this side of Mt. Pleasant. Take this left hand road and keep the plainest straightforward road. There will be little or no difficulty in deciding which is the right road till a forks of the road is reached in the valley of Buffalo Creek. Here either road may be used. The most used route here is found by taking the right, cross the creek, and take the left hand road as soon as the creek is crossed and keep the plainest and most nearly straight road till the church is reached. This last described route is one of the best from Concord to the convention.

**Hornby Has Smashed Out 33 Circuit Drives.**  
Chicago, Aug. 16.—Rogers Hornby, leading batter of the National league, launched during the last week a desperate drive to match the record established by Babe Ruth when the Yankee slugger cracked out 50 home runs in 1921. At this date in the Bambino's big season he had bagged 44 homers. The Cardinal manager, by laying out four in the last seven days, ran his string to 33, leaving him just 11 behind the 1921 trail of Ruth.

The home run hitters slumped during the week the American leaguers chalking up only 11 while the senior circuit counted 24.

Babe Ruth, suffering from a strained back, had been unable to increase his total of 11.

The South Australian Leger, first run at Adelaide in 1855, is now the oldest turf classic in Australia.

You don't have to take our word about Goodyear Quality. Here is a letter handed us by a tourist after we had sold him a 29x1.40 Balloon Tire to take the place of an old one:

"Yorke & Wadsworth Co., Concord, N. C., Dear Sirs:— This tire has given me 20,782 miles and has made two trips from New York to Georgia and back. Only had one blowout, and used the original Goodyear tube all the way. Goodyear Balloons for mine hereafter. Yours very truly, W. J. PEPPARD, 74 S. Highland Ave. Ossining, N. Y."

We have the original letter and old tire in our show window.

**Cottage or Mansion?**

Truthfully can it be said that today's cottage is more convenient and livable than yesterday's mansion. Think of the transition in terms of some of the ordinary conveniences of today—gas cooked meals, gas-heated water running at the faucets, gas house-heating furnaces, etc.

Within the lifetime of most of us we have seen the passing of domestic drudgery. The fuel problems of half the population of America are being solved in whole or in part by gas service. Fifty years ago the tyranny of coal was complete—for gas was just then beginning to be used for cooking.

Who would buy a mansion without today's gas conveniences? The fact is that many a cottage is considered a mansion by its owner simply because it is so completely equipped with modern labor-saving services.
