The Plan in Brief

The object of the big distribution is two-fold: primarily to increase the already large subscription lists of The Concord Tribune and Times, to collect arrearages and advance subscription payments from present or new subscribers, and at the same time to afford our friends and readers an unparalleled opportunity to profit in a big way through their spare time during the next few weeks. So, it is a plan that works both ways, and to the ultimate good of all concerned.

In order to gain this end quickly and advantageously, the most valuable and attractive list of prizes ever offered by a newspaper in this section of the country, has been made ready for distribution among those who participate most heartily.

Ambition and energy are the only requisites for success. The plan adopted is the fairest and most impartial conceivable. There will be no "double vote" offers, extra values given or any other vote indictment whatever inaugurated during this competition. Neither will there be any long term subscriptions accepted. The plan of the campaign is straight-forward and simple, and is fully outlined in this announcement.

Let it be understood at the very outset, that this is not a "beauty" nor "popularity" contest, but a strictly legitimate, competitive proposition for enterprising business men and women, and boys and girls, and one in which no element of chance enters. One feature of this competition is the fact that there will be no losers in this race.

HOW TO ENTER THE ELECTION

The first step in order to become a candidate and compete for a prize, is to clip the nominating coupon appearing below, fill in your name and address and mail or deliver to the campaign department of The Tribune and Times. This coupon entitles you, or the person whom you

might nominate, to 5,000 FREE votes. These votes are given you as a starter and speed you on your way to win. Only one such nomination coupon will be accepted for each candidate entered.

HOW VOTES ARE SECURED

The next step is to call on or write (preferably call) the campaign department for a free working outfit, consisting of an official receipt book, sample copies of The Tribune and Times and other information relative to launching an active campaign.

It takes votes to win, and votes are secured in two ways: First, by clipping the coupons appearing in The Tribune and Times. Start gathering them NOW. After a short time these coupons will be reduced to a lesser number of votes. The only restriction placed on voting coupons is that they must be deposited at the campaign department on or before the expiration date printed thereon.

Thus equipped, you have but to go to your friends and neighbors, relatives and acquaintances and have them clip the free coupons from their papers, and pay up a subscription to The Tribune or Times through you. THAT'S ALL THERE IS TO IT. However, you will never win anything unless you make the start; meanwhile it will not be a very difficult matter to capture one of the big prizes, nevertheless it is necessary that you start early. You must plan out your campaign the same as any successful man plans out his work for a season, above everything else, let no one discourage you, but stick to it and finish. Anything worth having is worth striving for. A few short

weeks and you may be riding in your own automobile.

get the "cream" of votes and subscriptions, while those who put off entering until a later date will have to take what is left.

Don't waste valuable time waiting to "see what the other fellow is going to do," but pitch right in and show the "other fellow how to do it."

EARLY START MEANS EASY FINISH

The advantages of an early start are manifest. Not only do you have the FULL TIME in which to secure the winning votes, but new and up to and including October 19, you will receive the maximum schedule of subscriptions. Then, too, the first in the field will undoubtedly

Their names will be published in time to suit their functions.

ADVISORY BOARD

It is the sincere aim of this newspaper to conduct the election, from start to finish, in a fair, honorable and impartial manner. Every precaution has been taken to safeguard the interests of participants, and absolute honesty in balloting is guaranteed.
