The 4 Car Distribution

Is Just Starting

GET IN ON IT NOW!

Right now is the time to get in on the ground floor—to plan on having your choice of these fine cars. Just as we said before, this is not a lottery or a game of chance but a FAIR and SQUARE offer of FREE AUTOMOBILES AND CASH to help build circulation for The Tribune and The Times. The reason we decided to give away automobiles was because we felt sure that there must be honest, deserving people in the several communities served by The Tribune and Times who would be glad to say a good word for The Tribune and Times and help these papers to put over its circulation objective. If you are that kind of a person you are one of these that this offer was made for. Remember—these cars are going to be brand new, and we are going to prepay war tax and delivery charges. They are ready to get in and drive.
