

OPPORTUNITY KNOCKS

'TIS TIME TO WAKE

Wake to the Ring of Opportunity—one that will merit you more in a few short weeks than you can possibly accumulate in the same period of time. Yes, even a much longer period of time. Wake that dormant passiveness—that longing to materially add success to that which you have already obtained. And in that waking, realize the personal gain now afforded you by participating in a most liberal \$10,000 distribution offer, open to all.

Subscriptions count from three to fourteen times as many votes now as they will at the last of the campaign. It is the early ones who have an advantage.
