Mrs. T. P. Thornton, of Charlotte, and her daughter, May Ola, are visiting Mrs. Thornton's niece, Mrs. Minnie Caddell.

TWELVE YEAR OLD BOY STRUCK BY AUTOMOBILE

Seriously Injured When Run Over by Voight Barnhardt in Unavoidable Accident.

A circus-day accident occurred this morning when Johnnie Lipscomb, a twelve-year-old son of Will Lipscomb, colored, was run over by Voight Barnhardt on Church street near the county building and was possibly seriously injured.

An examination at the local hospital, where the boy was rushed immediately after the accident by Mr. Barnhardt revealed the fact that he is suffering from a fracture of the skull at the base of his head. Doctors were not certain just how serious his injuries might prove.

According to bystanders, the accident was unavoidable. Mr. Barnhardt was traveling at an ordinary rate of speed up Church street when the youth ran out in front of him and was struck before the Ford was able to be stopped.

The boy was knocked unconscious and was immediately rushed to the hospital where he later partly regained consciousness. After the examination, Mr. Barnhardt carried the boy and his father to their home in Number 5 Township, about eight miles from Concord.

Kerr Street Baptist Revival

The congregation at Kerr Street Baptist revival was larger Thursday than ever. There was a great interest, and everybody seemed to be happy. The booster choir is growing every night. Mrs. L. R. Crooks has added much to the service by the inspiration she has put in playing the piano. Mr. Fry delighted the congregation on Thursday night by singing a solo, entitled "He Is Mine." Mr. Payne preached an uplifting sermon from Ecclesiastes 8:10, "and so I saw the wicked buried who had come and gone from the place of the Holy," taking for a subject "The Wicked." He said in part:

There is a great wave of wickedness gone over this world as never before since the great conflict with Germany. Sin and crime has been abroad in this country. First, who are the wicked? We class people in several classes. But let's see how God classifies them. We say the drunkards, the gamblers and the thieves and the profane are the wicked. But God says that the moral man, the ungodly man and the one in the church that has not been born of the Spirit, are all in the same class. There are only two classes with God. Those who are headed towards heaven and those who are headed towards hell.

Second. The opportunity of the wicked. They say that the opportunity for wealth knocks at every man's door once in life. So does everyone have opportunity to make peace with God, and you have a wonderful opportunity tonight to seek Jesus and life.

Third. The results of neglecting opportunity. Oh, there are folks in hell tonight saying "I might have been in heaven tonight but I neglected the opportunity." Turn with me to some of the saddest words that fell from the Lord's lips when He said, "Oh Jerusalem, Oh Jerusalem, thou that stonest the prophets and killeth them that are sent unto you, how oft would I gather thee under my wings and ye would not, behold your house is left unto you desolate."

Service tonight at 7:30. Come and bring your friends, and come praying for lost souls.

A. T. CAIN, Pastor.

MOUNT PLEASANT NEWS

Work at Seminary and Institute Going Well—Annual Reception—Other News.

Mt. Pleasant, Sept. 17.—Work at both the Collegiate Institute and Mount Amorena Seminary is going well. Since the opening a week ago, a number of new students have entered, and every thing points to a successful school year.

The new members of the faculty of both institutions are proving both efficient and popular.

The annual reception tendered the students by Prof. and Mrs. George F. McAllister was held last Friday evening in the new dormitory. The entire lower floor was thrown open, and the occasion proved most delightful.

The play, "Am I Intruding?" was rendered here again last Saturday evening. The audience was delighted with the artistic presentation of this comedy.

Mrs. William Fisher, who has been quite ill for the past month, was taken last Sunday to Charlotte, where she entered the Sanatorium for treatment. She was accompanied by her daughter, Mrs. J. T. McEachern, who will remain with her mother at the Sanatorium.

Mr. and Mrs. Roy Webster left Monday night for New York City, where Mr. Webster will resume his studies at Columbia University.

Miss Anna Schenck, of Greensboro, was the guest here recently of Miss Mildred Barrier.

Mr. Joe McNulty underwent an operation last Saturday at the Charlotte Sanatorium. His condition continues critical.

Mr. and Mrs. Joe Yandell announce the birth of a son, Monday, at the Presbyterian hospital in Charlotte. Prior to her marriage, Mrs. Yandell was Miss Lois McNulty.

Mrs. Raymond Shankle and children have moved here from Albemarle to spend the winter with Mrs. Shankle's father, Mr. A. C. Barrier.

Mrs. Monary Drye is slowly improving from her recent nervous breakdown.

Mr. and Mrs. D. D. Sawyer, of Salisbury, were guests here last Sunday of Mr. and Mrs. John C. McDow.

During the past ten days the following young ladies from our village have gone away to school: Miss Helen James, to Morganton; Miss Ruth James, to Lincolnton; Miss Mabel McAllister and Mary Lowder to Albemarle; and Misses Helen Seaford, Mary Peck and Wilhelmina Allman, to Concord.

Mr. Henry Foil will leave tonight for Woodstock, Va., where he will enter Massanutten Academy.

Rev. and Mrs. C. W. Warlick attended the opening of Catawba College in Salisbury, Tuesday evening. Their son, Charles, has enrolled there as a member of the Freshman class.

Mr. Leroy Blackwelder, of Dallas, N. C., visited friends here Monday.

Miss Elizabeth Foil returned last Saturday to Brenau College to continue her studies.

Miss Sarah Misenheimer returned last week from a visit to Winston-Salem.

Mr. Floyd McNulty is slowly improving from his recent illness. He underwent treatment for a month at the Presbyterian Hospital in Charlotte, suffering from blood poison. Mr. McNulty is now able to walk a little on crutches.

Mr. and Mrs. Joe Banks McAllister, of Winston-Salem, spent the past week-end here with Mr. and Mrs. John B. McAllister.

Mrs. M. L. Buchanan, of Concord, is spending the week here with her sister, Mrs. A. N. James.

Mr. Joe Warlick, of Maiden, is here for a week with his parents, Rev. and Mrs. C. W. Warlick.

Mrs. Lee Evans Foil and children are spending several days in Charlotte with Mrs. George Wear.

Mrs. John C. McDow and little daughter, Mary Heilig, will leave tomorrow morning for Lancaster, S. C., where they will meet Mr. McDow and spend the week-end with relatives.

Mr. and Mrs. D. M. Furr are at the home of Mr. Luther Lipe for a month. Mr. Furr has charge of the culvert construction on the new highway east of Mt. Pleasant.

STANFIELD MAN KILLED MONDAY AT LOCUST

Poisonous Gases in Old Well Cause Death of William Hartsell, Prominent Citizen of Community.

Word has been received in the city from Stanly county to the effect that William Hartsell, who lived near Stanfield, was killed Monday afternoon at the place of D. M. Hethcox, a short distance from Locust.

According to the story told here, Mr. Hartsell had been secured to clean out an old well and after going down was overcome by the poisonous gases which had accumulated during the period that it had not been in use. The details of the tragedy could not be learned.

Mr. Hartsell was a prominent man in the Stanfield community and is survived by a wife and several children. Burial was made at Clark's Grove Tuesday afternoon.

PYTHIANS WIN GAME BY SCORE OF 17-4

Down Locke-Brown Mill Team in a Game Featured by Errors.—Presley Pitches Well.

By JAZZY MOORE Errors of easy rollers paved the way for the Pythians, 17 to 4 triumph over Bub Sullivan and his champion Locke textilers in the opening contest of a two-game series at the Locke field Thursday afternoon.

Presley, the victorious boxman, was hitting on all cylinders. His box work was simply wonderful. Of the thirty-one batters that faced him Presley whiffed eleven, walked one, and dished up but four weakly hits. Had the loser's defense been less erratic the score would have far low-ered.

The Knights took the lead in the early inning and held it throughout the game although in the third inning the Sullivan men, with a rally which produced two runs, cut the lead to one run.

Fink, McClain and Gates, members of the western North Carolina championship club from Kannapolis made their debut in Pythian uniforms. Funderburke, of Kannapolis Twilight league fame, played right and short for the textilers.

The socking of McClain, with a home run, two doubles, and a single out of four trips, featured the offensive attack of the two clubs.

Score by innings: Pythians . . . 011 370 005—17 10 3 Locke Mill . . . 100 000 102—4 4 0 Presley and McClain; Browne, Sullivan, and Cleaver. Umpires: Rube Wilson and Ed Revis.

GETTING READY TO START NEW FACTORY

Ground Being Cleared for Furniture Factory to Be Built by W. M. Linker.

The site for the new furniture factory to be erected here by W. M. Linker is being cleared now and it is planned to begin actual work on the building within the next several weeks.

The land on which the factory will be built was formerly used as the site of another furniture factory, but it has not been used for a number of years and of necessity must be cleared off before work on the new building can be started.

Mr. Linker purchased the land several weeks ago but did not have it cleared off until he had perfected all plans for the factory and was about ready to start construction work.

Mr. Linker will make tables and chairs in his factory and will have one of the best equipped and most modern plants to be found in the South.

If you love sport for sport's sake the October issue of Sportlife, a Macfadden Publication, should appeal to you. "The Moose of Mad Moontime" will make you want to start cleaning your guns and digging out your hanging clothes, while "The Mutti" from the pen of A. W. Tillingham, concerns itself with a wolf tournament and the part a little yellow mongrel played in it. "An Alaskan Jang of Arc" is the true life story of Mrs. Nellie Lawing, of Roosevelt, Alaska, who filled the place of a man in the conquest of the North Country.

Melrose Flour

Liberty Self Rising Flour

We have had much trouble recently to get these most popular brands of flour. Why? Because their high quality has made out an immense demand that the mills are continually being on orders.

Moral—Buy Fresh Melrose Now. It's always the best. Liberty Self-Rising has grown in demand beyond all expectations. The purest phosphate and salt are mixed in just the exact proportions. Cooks with little experience makes good bread with Self-Rising Flour.

We have both Brands Fresh. Give us your order now. It's cheaper.

MAIL BAG ROBBERY DISCOVERED HERE

Carton Shipped From Hartsell Mills Rifled and Goods Carried Away.—Dropped From Car.

Discovery was made this morning of a mail bag which had been split and looted of its contents and left beside the railroad track a short distance above the Kerr Bleachery, R. L. Cross, who found the empty sack, reported it to the police who later turned the case over to the Postal Authorities.

The mail bag had been shipped from this city on the 16th on Train No. 12 and contained a carton in which were four tablecloths manufactured at the Hartsell Mill. It was being shipped to Cleveland. All the boxes in which the goods had been packed had been torn open and the goods carried off.

The only way in which the robbery could be accounted for was that it had fallen from the car and had been opened later by some person or persons who happened to discover it. On the date that the package was shipped,

ped, a large number of other similar packages were shipped and it is believed that in the hurried loading, one fell from the car soon after the train had started.

Highway System Includes 6,000 Miles. Figures recently compiled show that on July 1st, the State Highway system included 6,444 miles of good roads. Of this mileage in excess of 2,000 miles has been paved or is being paved by the Highway Commission, exclusive of paving done by Counties and turned over to the State. Route 10, one of the most important routes in the State, has approximately 500 miles of paving completed or under construction in its total length of 573 miles.

Cole Defense Meets in Final Conference. Rockingham, Sept. 17.—The entire legal staff employed for the defense of W. E. Cole met in conference here Wednesday night and today, but no information or plans of the defense was made public.

Stop Those Drugs

They never affect the Liver

When you take cathartics you believe that they directly affect the liver. They do not. Countless recent tests have proved that. That's why all those treatments bring you disappointment.

But modern science has found a way to really stimulate the liver. That is ox-gall, a liver secretion. Physicians the world over now employ it to do what you've tried to do.

Many of our ailments are due to torpid livers. We have tried to correct them, but we failed. As a result, we have suffered—most of us—from troubles of this sort:

- Indigestion Heart and Stomach Troubles Impure Blood Bad Complexions High Blood Pressure Lack of Youth

Now we ask you to join the millions who have found a new relief. Ox-gall, a gland secretion, really stimulates the liver. Then it acts. Then it floods the intestines with bile. The "Dioxol" is especially recommended by Pearl Drug Co.

LET'S MAKE IT A DOUBLE HEADER!

Your head hasn't had a vacation. No matter where you took it this summer you made it work every minute.

NOW—a new KNOX Hat and a new cap—both bought the same day—will show your head you have a heart and will show your mirror two views of the timeliest looking man you ever peered at!

Come and let us introduce your profile to something a little newer—something a bit different than you can find in any other shop in Concord.

CANNON BUILDING

Have You Tried "Super-X"?

You can prove that it has longer range than any load ever put in a shot gun shell. One trial will convince you that no other load can come within fifteen or twenty yards of "Super-X." Its close, dead effective pattern at extraordinary distances has given it a tremendous sale. Once used, you will never be satisfied with any other shell.

There are many other exclusive features in Western shells and rifle cartridges that interest shooters everywhere. Do you know the advantages of using Western "Field" shells, or why the "New Chief" is such an excellent black powder shell? Are you interested in rifles? "Marksmen" L. R. 22 cartridge is famous for long-range accuracy. Western has just perfected a new high-velocity .30-30 that you ought to know about, and also Western's Lubaloy bullet jacket metal that absolutely prevents metal fouling. Tell us what your ammunition problems are. Let us serve you. We are dealers in the world famous
