"Like thousands of other American people," continued Mrs. Holland, I suffered with stomach trouble, constipation and indigestion. I consequently never felt like doing anything. My skin had such a dry, dead look to it that I knew my blood was not in a very healthy condition. I constantly had bilious attacks and my kidneys were so irregular that I could not sleep at night. No laxative I took seemed to have any effect on my bowels and I always had that dull feeling and headaches which are steady companious to one in my state of health.

"I was always taking some kind of medicine trying to get relief, but I can honestly say that I never found it until I began taking HERB JUICE. I had only taken it a short time when I began to feel better than I had in years. Now I am not bothered with stomach trouble, constipation or indigestion.
