LOCAL MENTION

The weekly meeting of the Concord Kiwanis Club will be held tomorrow at 12:30 at the Y. M. C. A.

According to a deed filed yesterday at the court house, J. M. Hendrix, trustee, has sold to Tena Chaney for \$1 property in Ward One of this city.

Seven cases were tried in recorder's court yesterday afternoon, defendants found guilty paying \$19.00 in fines and costs. The cases were not of much importance, it was reported by the officers.

A force of hands is at work now improving the road from Midland to the main Concord-Monroe road. The road is being widened and graded at the same time and when completed will offer an improved highway from Concord to the center of Midland.

A revival meeting will begin at McKinnon Church next Monday night with Rev. W. W. Arrowood, D. D. The road is being widened and graded at the same time and when completed will offer an improved highway from Concord to the center of Midland.

Despite the fact that little work could be done on it this summer the Concord-Monroe road is in fine shape. As is to be expected the road is very dusty in spots but taken as a whole it is in extremely good condition. The road that runs from the Charlotte-Albemarle road via Flowe's store is also in good shape.

W. W. Ferris, representative of the United States Steamship Lines, of Atlanta, was in the city today conferring with Mr. Blanks on prospective tours to be taken. The party which went to Europe with Mr. Blanks this summer sailed on the Leviathan which is one of this company's vessels.

School children of the city are on regular schedule of work now, with sessions both morning and afternoon. Due to the excessive heat since the opening of the schools only one session has been held daily until today, work having been completed at 12:30. It is planned now to continue the two sessions program.

Cool weather continues to be Concord's lot and there is great rejoicing because of it. The low temperatures which struck the city early Tuesday have continued and while it was not so cool yesterday afternoon as it was during the morning, it was nothing like as hot as has been for several weeks.

Chief Talbirt and Patrolman Robinson returned yesterday from Wilson, where they went to get Roy L. Spry, wanted here for alleged violation of the prohibition law. The trip was made without untoward incident, Chief Talbirt reports. The officers were struck with the fine crops they saw all the way from Raleigh to Wilson.

The race in the National League is over for the year, Pittsburgh clinching the pennant yesterday by defeating Philadelphia while New York was losing two games to St. Louis. In the American League Philadelphia gained half a game on Washington by defeating St. Louis twice. Washington needs only three victories, however, to clinch the pennant.

One of the most important football games of the season in this state will be played Saturday when Wake Forest and Carolina meet at Chapel Hill. The teams are expected to be in the running for the state championship so the winner Saturday will have the big edge. Although the game comes early in the season it is expected to be one of the best of the year. A number of local fans plan to drive to Chapel Hill to see the game.

MISS SHIRLEY ELMORE AND DRENNAN ARRESTED

Belmont Policeman Alleged to Have Deserted Wife and Child to Elope With Girl.

Gastonia, Sept. 23.—Fred Drennan, ex-Belmont policeman, and Miss Shirley Elmore, young lady of that place, who eloped several days ago with what was said to be \$3,200 of the latter's inherited money from a relative's estate, were arrested last night in Los Angeles, Calif., according to a wire received here today by Solicitor John G. Carpenter, who forwarded warrants to that city charging the man with non-support and desertion of his wife and children, and both he and the girl with immoral conduct. The solicitor announced at noon that he forwarded extradition papers immediately to Governor Angus W. McLean, in Raleigh, which will be signed and turned over to a local officer to take to the California city.

The Doctors in the Case.

Winston-Salem Journal.  
"Expect well-known doctors to take stand for W. B. Cole." This headline introduced a newspaper article in connection with the coming trial of the wealthy Rockingham manufacturer who shot and killed William Ormond a few weeks ago. The names of several physicians well known throughout the State are mentioned as probable witnesses in the case. The array of smart lawyers to be connected with one or the other side of the case has been known for some time. Now comes the line-up of doctors. There was a time when interest centered wholly upon the personnel of the counsel engaged in a murder trial. Now the lawyers have to share with the doctors. A good deal now depends upon which side can get the smartest doctors to testify. Physicians are scientists. The man in the street is a bit puzzled to understand how mental facts can be presented as probable witnesses in the use of murder trials. In the interest of the integrity of the medical profession, physicians could do well to guard even against the innuendo that fanciful considerations blend in the slightest degree their opinion of mental phenomena regarding which a reasonable amount of agreement might be expected.

The new \$2,000,000 stadium of the University of Pittsburgh will be opened September 26 with the football game between the Pitt Panthers and Washington and Lee. The new stadium will seat 70,000.

It is surmised that the epistolary xxx's for "kisses," originated in the ancient custom of placing crosses (x's) on the dead, as a salute from friends.

Miss Rogers Gained  
15 Pounds in Six Weeks

Skiny Men and Women Gain Five Pounds in 30 Days or Money Back.

My Dear Friends:  
After my attack of Flu I was thin, run-down and weak. I had a sallow complexion, my cheeks were sunk in and I was continually troubled with gas on my stomach. I felt stuffy and had lost my appetite. I had read about McCoy's Cod Liver Oil Compound Tablets and decided to give them a trial. At once, I began to pick up an appetite, my cheeks filled out and my complexion became healthy looking and I gained 15 pounds in six weeks and am very thankful for what McCoy's Cod Liver Oil Compound Tablets did for me.

Miss Alberta Rogers, 264 W. Cerro Gorda St., Decatur, Ill.

To take on weight, grow strong and vigorous, to fill out the hollows in cheeks and neck, try McCoy's Cod Liver Oil Compound Tablets for 30 days. 60 tablets—60 cents at the Pearl Drug Company and drugist everywhere. If they don't give you wonderful help in 30 days, get your money back—you be the judge. But be sure and ask for McCoy's, the original and genuine.
