

CASH FOR YOU-OR A CAR

TO THOSE WHO HAVE ENTERED

Time is passing swiftly by and there remain three more weeks until the close of the First Period in the Tribune-Times great gift distribution. After October 19th the big vote schedule of the First Period will be gone forever, and a reduced schedule of votes will be in force.

Don't let a single subscription get away from you now—it will cost you big votes and votes are what it takes to win. You may never again have the opportunity that is before you. How can you earn over \$2000 in two months during your spare time? The Tribune and Times will give you precisely that amount in the value of one of its popular model cars which will be awarded to hustlers in a few short weeks. Get busy now while the big votes are in force for subscriptions and see how easy it is to mass a large number of votes. Everyone has an equal chance to select their own prize in the election.

TO THOSE WHO HAVE NOT ENTERED

The opportunity is still at hand for new candidates. If you are alive and awake to the chance now before you, and are willing to give some of your spare time and thought to a proposition whereby \$10,000 in prizes are at stake—then you should be a candidate in this campaign. You should send in your name today. With a little effort you can secure your choice of the four big powerful automobiles or hundreds of dollars in cash. The work is easy, requires no special talent or education to earn the biggest of the awards. Your opportunity, then, to win a prize that will repay many times for your efforts is here—right now. But to get your rightful share you must get busy at once.

Don't lag in the campaign; don't hesitate or be timid about your race. Go to it and keep right at it. Give during your spare time as you would any good business proposition. The greatest opportunity of your life is before you.
