MOORESVILLE FALLS TO CONCORD BY 13-7 COUNT

Locals Win By Straight Football in Game in Which Fumbling Is Frequent.

Concord Highs made it two victories out of two starts when they took the contest from Mooresville Friday afternoon in a game which was marked by the superiority of the locals in almost every department. The final score was 13-7.

Despite the fact that the match was staged in Mooresville, several hundred of the high school students attended the game and contributed their part by yelling vociferously during the entire progress of the game, their spirits in no wise dampened by the light drizzle which fell during the greater part of the afternoon.

Concord's eleven showed great defensive work and had the backfield not gone completely asleep on one occasion, Mooresville would never have scored. The Iredell's tally came in the early part of the second quarter when out of a clear sky a pass was shot to Hager who had slipped around end and behind the entire backfield. The pass proved to be well aimed and all the Mooresville men had to do was to trot to his goal line for a counter.

Prior to the pass, the Concord team had exhibited clever work in stopping all attempts to thrust the ball through the line or around the end. Every play was smeared and in a number of cases ground was lost. The pass caught the locals off their guard and the touchdown resulted.

Coach McAuley's team had an offensive which was determined and effective, marred at times by fumbles due to a slippery pigskin. After the kick-off in the first quarter, Mooresville was unable to gain and punted to their own twenty-yard line. From here, the backs lunged forward in a series of gains the eighty yards for a touchdown, Jarrett making the touchdown. Litaker kicked goal for the extra point. Another touchdown was halted when the locals lost the ball on a fumble in the same period.

The other touchdowns came in the third quarter when steady gains by the bold and black backs brought the ball to the ten yard line and Lineberger carried it across in a fast play.

Fumbles and punting featured the fourth quarter although on one occasion Lineberger made a spectacular 20 yard run.

Mooresville's team was badly crippled when Boyd and Heglar were knocked out in the first quarter, Boyd suffering from injury to his neck and Heglar bruises on his head. Brown, captain of the team, was also out of the game on account of illness.

CABARRUS FARMERS SEEM TO HAVE CASH ON HAND

At Any Rate They Are in No Hurry to Sell Cotton, Indicating Good Financial Status.

Cabarrus county farmers seem to be in fine shape financially. This condition is indicated by the fact that so far little Cabarrus cotton has been marketed while farmers in Stanly, Anson, Montgomery and Union counties are bringing their cotton to this market by the score.

More than 2,000 bales of cotton have been sold on the local market so far this season and 75 per cent. of it was grown outside this county. Farmers in many adjoining and near-by counties seem anxious to market their cotton but the local farmers seem content to sit back with the belief that prices are certain to advance a little later.

The fact that the Cabarrus farmer can hold his cotton indicates that financially he is not embarrassed. Time was when farmers everywhere were forced to market their cotton as soon as possible so as to get cash to settle bills accumulated during the entire year, but apparently the Cabarrus farmer has found other means of raising cash and he is holding his cotton until he is satisfied that prices will not be much higher.

The cotton platform is a busy place now. The average number of bales handled daily this week has been more than 250, with a daily increase since Tuesday. More than four times as many bales have been sold here this year as last year.

CHATS With Your Gas Man

GRANDMA SPEAKS
"I hear much complaint from the young housewives of today about long hours in the kitchen, arduous household duties, hot weather work and the like," comments an elderly woman.
"I wonder what these young girls would say if they had coal buckets and wood bins to fill, ashes to carry out, lamp wicks to trim and washing to do, over a sizzling coal stove. It seems to me they are surfeited with conveniences but utterly lacking in their sense of appreciation."
Grandma is correct. We are literally surrounded by the most marvelous conveniences known to mankind. Yet how easy it is to think lightly of them or even forget them. Sometimes it takes the older generation to bring us to our senses. A description of domestic duties fifty years ago generally makes one thankful for the blessings of today.
