All In the State of Mind

If you think you are beaten, you are.	will grow;
If you think you dare not, you don't.	Think small, and you'll fall behind;
If you would like to win, but think you can't,	Think that you can, and you will—
It's almost a cinch you won't.	It's all in the state of mind
If you think you'll lose, you are lost.	If you think you're outclassed you are,
For out in the world's you'll find	You've got to think high to rise,
Success begins with a fellow's will—	You've got to be sure of yourself before
It's all in the state of mind	You can ever win a prize.
Full many a race is lost ere ever a step is run,	Life's battles don't always go
And many a coward fails ere even his work is begun	To the stronger or faster man,
Think big and your deeds	For sooner or later the man who wins
	Is the fellow who thinks he can.

Extension Votes

Attention of the candidates is again called to the second payment plan on subscriptions, which are very valuable toward obtaining votes. If a subscriber has already taken out a subscription with you or another contestant for 6 months, a year, or any period of time less than five years, you can write him for an extension of the first one for any period up to five years. You then are credited with votes equal to the total time of both subscriptions less the votes given on the first subscription. This is one way of accumulating votes very rapidly and should not be overlooked by candidates. The extension votes are figured on the vote schedule of the period in which the extension is turned in to the campaign department so get these extensions in this first period, up to midnight, Monday, October 19, for the biggest votes on them.

Real Chance Here For Live Wires

Is there a chance for a new live wire contestant? Is there a chance for a real worker? You know there is. And there is the same chance for any contestant now entered. It is time now to work. Subscriptions mean more votes now than they ever will again. In just ten days the votes will be less per subscription. The time to get votes is now—today—when they count for more.
