ADMIT THE MASTER.—Behold, I stand at the door, and knock; if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.

SUCH HATRED IS RARE.
It is fortunate for civilization that such hatred as Henry Cabot Lodge felt for Woodrow Wilson is rare among humans.

Up to the last active hours of his life Senator Lodge continued his attack on Woodrow Wilson, all because the latter would not bow to the dictates of the Senator as some occupants of the White House would have done.

COL. MITCHELL'S CHANCE

Colonel Mitchell is not satisfied with the court martial proceedings because, he says, such procedure will not give him opportunity to further his plans for a unified air service.

The most that can be done to the Colonel is to dismiss him from the service. Such dismissal will give him a better chance to put his plan before the people.

MEDICAL SCHOOL IN THE STATE

In his last will and testament James B. Duke made provisions for a medical school, hospital and nurses' home at Duke University.

EXPECT PULLMAN CAR SURCHARGE IS CLOSED

Decision of I. C. C. For Uniform Rates Expected to Settle Case Definitely.
Washington, Oct. 23.—Among persons familiar with the affairs and workings of the Interstate Commerce Commission the view is taken that the action of the commission in dealing with the Pullman car surcharge case, which came up from North Carolina, will be final.

Similar cases were brought to the commission for adjudication from Georgia and Alabama, and while there was some talk of possible appeals from the ruling of the commission, nothing further has been heard from the matter.

Contract Let For Road to Valdese.
At a meeting of the State highway commission in Raleigh last week a contract was let for the hardsurfacing of 7.7 miles of road on highway No. 10 from the eastern limits of the town of Morganton to the bridge beyond the swimming pool east of Valdese.

A man's fool friends are his worst enemies. The mention of the name of John W. Davis as a candidate for President brought a horse-laugh to the country.

DEATH PENALTY IS LOSING FAVOR WITH JURORS

W. O. Saunders Says This is Reason So Many Murders Are Being Acquitted.
Raleigh, Oct. 21.—A social structure that is breaking down under the strain rather than a hesitancy to convict where the punishment prescribed is the electric chair, is responsible for jury verdicts like the one recently returned by twelve Union county men who heard the trial of William B. Cole, wealthy Rockingham textile manufacturer.

Mr. Saunders is a foe of capital punishment and in his first and only term as a member of the General Assembly, a few years ago, introduced a bill to abolish it in North Carolina.

He thinks that the sentiment in North Carolina, as well as in other parts of the country, has grown against the death penalty in the past few years, but he does not entertain the opinion that it will be done away with any time soon.

Thus North Carolina's greatest benefactor provides funds for a medical school that has been needed for many years. In the past various suggestions as to how such a school could be secured have been offered, but it was difficult to get the money.

Continuing throughout the week services will be conducted each evening at 7 o'clock Rev. H. A. Pesperman, of Greensboro, will preach Sunday and Monday evenings.

That was the trouble with the story, Saunders said. There is no way to estimate the amount of blockade liquor which is consumed in this country.

CROWD SCOURS WOODS FOR NEGRO ATTACKER

Youthful Black Makes Assault on White Woman; Four Arrested.
Asheville, Oct. 22.—Sheriff's forces and a crowd estimated at 700 are tonight scouring the woods in the vicinity of West Asheville, a suburb of this city, in an effort to capture a youthful negro who about 2 o'clock attacked a young white woman who was enroute to the city from her home.

The prohibition law, the Elizabeth City writer thinks, has had much to do with the failure of the social structure to stand up.

Decreased attendance at the 1925 State Fair, believed by many to be due to a lack of attractions, very probably means that the 1926 fair will be abolished or that a new manager will be brought here to promote the next exposition.

New Church at Rockwell Will Be Formally Opened Nov. 1.
Rockwell, Oct. 22.—Opening of the new Ursinus Reformed Church at this place will be observed with appropriate ceremonies Sunday, November 1.

Continuing throughout the week services will be conducted each evening at 7 o'clock Rev. H. A. Pesperman, of Greensboro, will preach Sunday and Monday evenings.

That was the trouble with the story, Saunders said. There is no way to estimate the amount of blockade liquor which is consumed in this country.

PAINS ALL OVER

Lady Says She Took Cardui and Never Saw Such Improvement—Was So Weak Couldn't Stand.
Weatherby, Miss.—Mrs. James M. Hall, of this place, writes that she was "getting weaker all the time" when Cardui, the woman's tonic, was first brought to her attention.

"I suffered all the time and had pains all over," says Mrs. Hall. "My skin was cold and flabby. I did not have any color. I had always been a very active woman—used to outdoor exercise, walking and going where I pleased, and to get down, not able to get myself a drink, was indeed a hardship."

"Nothing seemed to help me, till I began on Cardui. The first bottle seemed to strengthen me, and I sent for five more. By the time I had taken these, I was on my feet, going around, doing my work, gained in health and strength."

"I took two more bottles, and I am well and strong. Can work my garden. I haven't had any more sickness."

DINNER STORIES

Waggish Diner (with menu): "Chicken croquettes, eh? I say, waiter, what part of a chicken is the croquette?"
Waiter: "The part that's left over from the day before, sir."

Porter: "This train goes to Buffalo and points east."
Old Lady: "Well, I want a train that goes to Syracuse, and I don't care which way it points."

Sam, impaneled for jury service at a murder trial, had seemed a little too anxious to serve.
"Do you know the accused?" he was asked.

"Yassuh—dat is, nossuh," he replied, realizing that if he made an affirmative answer he would be disbarred from serving.

"Well, man's conquest of the air is certainly an achievement," said Gmshly.

Prospereous Crook: "My dear, we shall have to get rid of the cook. She attracts too many policemen!"

"Before you get one," writes S. H., "they are those confounded auto's; after you get one they are 'these darn fool pedestrians.'"

Said the bank teller to the new girl who was making a deposit: "You didn't foot it up."
"No," she replied innocently, "I took a taxi."
