Nanzetta Takes Durham Man off of Crutches After 3 Months in Hospital
Mr. Eugene Crumps, who is employed at Belk's Department Store, Durham, N. C., gives his experience with Nanzetta's remedies as follows:
I suffered with an attack of rheumatism 5 months, was treated by three different doctors, spent 3 months in the hospital. I received no real benefit from anything. Mr. Alex. Thomas, of Charlotte, who is an acquaintance of mine and who had also suffered similarly to my condition, advised me to try Dr. Nanzetta's remedy. I went to see him and began using his remedy. I am now very well satisfied that I have received help that I thought beyond hope.
