Celebrates 88th Birthday.

Salisbury Post. An occasion of unusual interest was the celebration of the birthday of Nathan Brown, of Blacksburg, S. C., formerly of Rowan county. On the 6th of November Mr. Brown reached his 88th year, surrounded by all of his children except one. The children present were: Mr. L. H. Brown, of Washington, D. C.; Mr. G. F. Brown, of Granite Quarry; Mrs. B. B. Fry, of Blacksburg, S. C.; the Rev. P. D. Brown, of Columbia, S. C.; Dr. A. J. Brown, of Seattle, Wash., and Mrs. L. A. Thomas, of Concord. Mrs. T. J. Lyerly, of Granite Quarry, was unable to attend on account of the serious illness of Mr. Lyerly.

Mr. Brown spent his whole life in Rowan county with the exception of the last five years. For 70 years he lived in the same house near Granite Quarry. "Uncle Nathan" is known throughout the county as one of the old school of sturdy citizens. He is the oldest of a family who became prominent as churchmen and citizens. He is also the oldest of the Stone House Browns. Recently a history of these highly honored people was prepared by the late Rev. R. L. Brown, which shows that they are found in all worthy walks of life.

The children had prepared a surprise for Father Brown, in which Mrs. Brown shared as her birthday came so near. Many valuable and useful gifts were presented during the day which added to the pleasure of the occasion. A birthday cake was presented to Father Brown containing eight large candles, one for each ten years, and eight smaller ones, one for each year.

A splendid attendance was an encouraging feature of the meeting. A number of interesting reports of interesting reports were heard. Mrs. G. T. Crowell, who with Mrs. J. At the last state convention of the American War Mothers at the invitation of the State Highway Commission, the Mothers decided to adopt as part of their year's work the co-operating with the State Highway Commission in the planting of trees along our splendid highways, the various chapters of the State to begin this work Armistice Day, as a Memorial to the soldiers of the World War.

BISCUIT CONTEST IS CONDUCTED SUCCESSFULLY

Numbers of Girls of County Taught in Culinary Art—Miss Cooley Gives Recipe.

The biscuit contest, which is being conducted among the girls of the county by Miss Mattie Lee Cooley, home demonstration agent, is bringing good results, according to Miss Cooley, who declares that the girls are taking up the art of biscuit making rapidly.

Large numbers of the school girls have already been taught how to make them and the remainder will receive instruction this week.

The contest has enrolled girls between the ages of 12 and 20. These girls will be required to make biscuits at least four times, using the recipe as given in the demonstration which Miss Cooley makes at each school.

After they have made them four times they are to bring samples to school the first week in December. After being scored, the three best are to bring biscuits to Concord on December 12th for judging in the county-wide contest.

The recipe which is used by Miss Cooley is as follows:

Two cups of flour.
One teaspoon of baking powder.
One teaspoon of salt.
One-fourth to one-third teaspoon of soda.

Three tablespoons lard.
Sour milk to mix.
Sift together flour, baking powder, salt and soda. Add lard and sour milk. Dough should be made soft but not too soft to handle easily. The dough should be handled quickly and lightly and baked in a quick oven.
