

Let us Clean Your Rugs. That's one thing that has positively gone out of style as a home task.

No wonder, if you consider how laborious it is when done by home methods, and how much better and easier it can be done our scientific way.

We remove every trace of dirt, every lurking germ, restoring the freshness and brightness of your rugs, raising the pile and reviving the colors.

Our prices are as pleasing as our service. You merely phone us. We do the rest.
