Charity and Children: "Concord may well congratulate herself at having secured so fine a preacher and pastor as Rev. C. H. Trueblood. He has done a great work in Thomasville and will leave with the high admiration of every thoughtful person in the community."

The teachers of the public schools of the county who began their work some time ago and who have not yet met, will meet here tomorrow morning at 10 o'clock for a conference with Prof. J. R. Many of the football fans of the city are planning to go to Chapel Hill Saturday to attend the game between the University and Davidson, which is expected to be one of the best games of the season. There is much interest also in the game today between Wake Forest and State College.

Trustees of the Concord Public Library met Thursday afternoon. Decision to increase the salary of Miss Gladys Swink, assistant to the librarian, was the most important action taken at the meeting, although several other matters of business received the attention of the board. Action will be taken on these matters later.

Announcement that a football game may be secured for the next Cabarrus County Fair has been received with enthusiasm by local football fans. It is argued that several thousand persons can be attracted here for a big game and fair officials will continue their efforts to secure a big game for the last day of the fair.

Tom S. Baker, star football player and one of the most popular students on the campus, has been elected president of the Student Body at Davidson College, to succeed Nevin (Nick) Sappenfield, of this city, who dropped out of school because of injuries received in a football game early in the season.

Football eyes of the State today are centered on Raleigh, where Wake Forest and State are playing their annual game. The Baptists enter the game favorites but State supporters are hoping for another upset. The game was moved up a day so as not to conflict with the Carolina-Davidson game tomorrow.

Plans are on foot now to secure a special Pullman to run from Concord to Chapel Hill for the Carolina-Virginia game Thanksgiving. The car will leave Concord on train 44 and return at night on train 35. The actual cost of the car will be divided among the persons making the trip, and anyone desiring to make the trip on train should notify P. B. Fetzer at once.

Pittsboro Newspaper to Go Under Hammer. The Chatham Record, weekly newspaper published at Pittsboro, is to be sold at auction under a mortgage held by V. R. Johnson, of the Farmers' Bank, of that city.

This paper was established by the late Henry A. London, September 19, 1878. For years it continued to be the only paper published in Chatham county. At the time that he started the paper there, Mr. London was a young practicing attorney. It seems that the venture was not a paying proposition from the start. After the death of the founder his son, Reference Librarian Henry M. London, continued the paper for several years. After moving to Raleigh, he continued to edit it from there for a time. Later, he sold the paper to Daniel L. Bell, young attorney from Graham. With the advent of the war, Mr. Bell answered his country's call for men and sold the paper to John G. Shaw, from Wilkesboro. The present owner and editor, O. J. Peterson, former editor of the Sampson County Democrat, bought the plant in September last year.

TOM SIMS Says

Our last criticism of those one-piece bathing suits is they don't make good winter underwear. The things you think you get for nothing cost more than those you think you pay for.

This is the month in which to begin some bad habits to swear off on New Years. The dangerous thing about shoveling snow is you are so liable to fall down on the job. It is estimated a great many people will get strong exercising to keep warm this winter. Only time some men think they have no kick coming is when it comes time to kick in with some cash. DR. BLAZER FREED

On Charge of Murdering His Imbecile Daughter.

Littleton, Colo., Nov. 12.—With the legal status of "murder for love" undetermined, Dr. Harold Elmer Blazer tonight stood free of the charge of murdering his 34-year-old daughter, Hazel, the "human husk." Less than an hour after the jury failed to agree on a verdict, the legal stigma of murder was removed when Judge Samuel Johnson granted a motion of dismissal by Prosecuting Attorney Joel E. Stone. The jury was out a little over fourteen hours. The defendant received the decision with comparative calm. "The jury should have acquitted me, but this last move is the equivalent of acquittal," he said.

For 32 years Dr. Blazer devotedly nursed the aimless, legless, deaf and dumb thing that was his daughter. Normal at birth, an attack of cerebral spinal meningitis at the age of six weeks left Hazel a helpless invalid. Through pneumonia, typhoid and other illness he watched over her both day and night, the only person on earth who could interpret this being's needs and desires.

His daughter, Mrs. Frances Bishop, born three years after Hazel, believes the crime justified. She told the jury so. "She was absolutely helpless," Mrs. Bishop said. "Her spine was twisted like the letter S."

"She couldn't walk, couldn't feed herself, and was not even able to brush a fly from her face. The noises she made were animal-like and frightened strangers. The sight of her eating was so revolting that I couldn't stand to watch her."

"For 32 years father poured on her the utmost devotion, love and care. He lived for her wholly. His worry over and care for her, I believe, unbalanced his mind and caused him to have the spells that came upon him after mother died. "Her only amusement—I suppose it was amusement for her—was to lie on the floor and crackle a piece of paper, the only object she could grasp, against her body or on the floor," Mrs. Bishop concluded.

The fight fans of New Orleans are looking forward to a treat on the night of November 13th, when Champion Harry Greb and Tony Marullo are to come together for a 15-round bout before one of the Crescent City clubs. It will be the second time the two have met.

GOOD DISPOSITIONS INVALUABLE

You can't watch your disposition too carefully. A crab and a grouchy are rarely successful. If your liver and stomach are in an unhealthy condition you can not have a sunny disposition because they affect the brain as well as the entire system. Mayr's Wonderful Remedy has been usually successful in such cases. Our advice to every one troubled in this way, especially when accompanied with bloating in the stomach, is to try this remedy. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist Creomulsion Company, Atlanta, Ga. (adv.)
