High Schoolers Start Leather Sphere Sport Saturday.

By JAZZY MOORE

Kannapolis, Dec. 10.—One of the most elaborate affairs of the pre-Christmas season was the party given by Mrs. Ralph Harper Wilson at her home on Ridge Avenue on Wednesday last. A color scheme of red and green was artistically employed in decoration and the refreshments course, silver candelabra holding red tapers, were placed one in the dining room and the other in the living room. Stately elegance marked the entire setting, which was perfect throughout. Assisting Mrs. Wilson in receiving was her mother, Mrs. Robert Myers, of Thomasville. Four tables were arranged for bridge and one for rick. Bridge high score prizes, a handmade handkerchief, went to Mrs. White, while a low score prize, a georgette handkerchief, fell to Mrs. Sam Query. Mrs. H. B. Robertson was winner of rick top prize, a handkerchief, and Mrs. Frank Flowe was given the woody, a pair of candle sticks. To Mrs. Henry Smith, lovely bride of the autumn, was presented a dainty powder puff. To her out-of-town guests, Mrs. Johnston, of Mooresville, and Mrs. Paul Green, of Thomasville, Mrs. Wilson gave exquisite pieces of china.

In serving refreshments Mrs. Wilson was assisted by her mother, Mrs. Myers, Mrs. Burley Beaver, The dining room was covered in real lace, and in the center a silver basket held mammoth American beauty roses. During the course the candles were lighted. A red congealed fruit salad uniquely tied with green ribbon sandwiches, cakes, mints and coffee were served.

Although hundreds of persons have called at the Times-Tribune office for a 1926 memorandum book, we still have a large supply on hand and are anxious to give one to each subscriber to our paper. You will find the book very convenient.

Local basketball players are working hard for the game with Charlotte which is to be played Friday night. The Charlotte team is one of the strongest in the state and the Concord five is expecting a strenuous battle.

The new traffic signs created yesterday are working all right now. There was some confusion at the signs yesterday due to the fact that the public did not know they were up, but officers kept traffic moving correctly and no one was arrested for violating the laws.

During the past several weeks Dr. T. N. Spencer, secretary of the Cabarrus County Fair, has received letters and telegrams from a number of show owners who want to appear on the midway at the 1926 Cabarrus Fair. Dr. Spencer has closed no deals so far, it is understood.

An unusual freak of nature was received Wednesday by the J. & H. Cash Grocery Store when they had a load of cabbages sent them. In the load was on cabbage which was of a brilliant purple hue. It was of the shade recently popular among the ladies, a dark "pansy." The owners of the store declared that this was the only head of cabbage which they had ever received of this unusual color.

The "Piedmont Route," Charlotte Observer.

The map of the "Piedmont Route" shown in yesterday's paper carried information that was new to many readers. It was not general knowledge that one could travel by highway from Hagerstown, Md., to the South Carolina line just south of Charlotte without encountering any bad roads; nor was it generally known that the entire distance of 467 miles could be covered on hard surfaced road with the exception of 43 mi., which is good gravel road. With the publicity that is being given this route it ought very soon to become one of the most popular of the north-and-south highways.

More Chance.

"You say that Miss Agley is desperate for a man?"

"Yes. She had twin beds put in her room, so she'd have twice as many to look under."

I. C. C. SENDS ANNUAL REPORT TO CONGRESS

(Continued from Page One)

cultural products. The situation in the western half of the country, it said, has been brought under examination in proceedings under the resolution.

"Although the hearings now being held in the western district are broad in scope," the report added, "it is recognized they will not afford a record upon which the mandate of the Hoch-Smith resolution can be fully complied with, even in the western district. However, it is hoped that these hearings will afford a means whereby situations of pressing importance in the western district may be brought before us for consideration prior to a more comprehensive study to be made of the rate structure as a whole.

"We are now engaged in working out the details of a comprehensive plan for such a study. The task assigned to us by the resolution is one of magnitude which it will take time to complete. Current work is taxing the capacity of our forces and when the nation-wide study we contemplate is underway those forces will be inadequate."
