DR. WIEST SPEAKS AT TRINITY REFORMED CHURCH

Delivers First of Series of Sermons to Be Given Here During the Week.

"The majority of our church members are sincere, Godly, trustworthy men and women and I have faith in them," declared Dr. Edward F. Wiest in his first sermon in Trinity Reformed Church Tuesday night. "And why shouldn't I have? God has faith in man. Jesus has so much faith in you and me who also said: 'As the Father hath sent me so send I you.'" Dr. Wiest also spoke words of appreciation of being called a second time to conduct gospel services in this congregation. The former time the congregation was in the old building back of the county court house. He told how he was impressed with the beauty and the arrangement of the new church. "It is inspiring to me, I have a sense of awe and reverence." But a fine church building and good equipment does not make a congregation. It is the love of Jesus Christ working in the hearts of the members that makes a congregation pleasing unto the Lord.

Dr. Wiest spoke to the large congregation on the subject, "The Power of Love." It was replete with many beautiful stories, Biblical, personal and mythical. "If we say we love God, we will show this love to his children. That is his faith in man. We do the will of God because we love God. The child that obeys because obedience is compulsory is not an obedient child. The man who obeys the law because of the power of the police system is not a patriotic citizen. The love of Jesus Christ has the power, first, to remove prejudice. Justice is impossible, the knowledge of the truth is impossible so much prejudice. The story of the Scotchman who went to France as a missionary, won his way into the hearts of the French people, and lived nearly illustrated the power of love to overcome prejudice. Second, it banishes bitterness. No man can cherish bitterness in his heart when Jesus reigns there. The world knows of the bitterness of the human heart. Men are angry at each other. They fly at each other's throat. We read of murder, of revenge, of foul play. All this is the fruitage of cherishing bitterness. Again the power of the love of Jesus in the human heart causes enemies in the church to become brothers in the bonds of the gospel. The outside world points the finger of scorn and ridicule at the church when there is enmity within. But Dr. Wiest expressed all confidence in the members of the church, that the majority are loveable, are friends, and are peaceable. What would we be if we did not have this power of the gospel, this love of the Lord Jesus Christ to work among men and in men for peace and goodwill? And this love of Jesus gives men victorious power. Punishment won't give us this victorious life. Society must be protected, and those who refuse to obey must take the punishment justice metes out. We know that prison life makes men harder. No soul can be clubbed into the Kingdom of God. Hence the Christian men and women must win them by loving them, showing them the love of Jesus. The unsaved will be brought to Christ by those who know the saving power of Jesus Christ. The gospel that many people read is the gospel that Christian men and women live.

The song service was inspiring. Rev. C. C. Wagoner, of Newton, is the leader. Gospel songs will be used at the services both at 3:30 and 7:15 each day of the week. More than thirty responded to join a fellowship of prayer and personal work to go out and speak to the unsaved and win the non-church going to the Lord Jesus Christ and to the work of the Kingdom.

Tonight Dr. Wiest will speak on the subject, "Knowing and Trusting God."

MAJOR LEAGUES GET OFF TO FINE START TUESDAY

All Kinds of Baseball Offered For Pleasure for Fans in the Opening Week.

While thousands of fans sat bundled in winter clothing, major league baseball players pried the lid from the 1926 season Tuesday, all games in the major league being played despite the prevalence of February temperatures. All sort of baseball was offered to the fans, most of the games being won by close scores and two of the opening encounters going into extra innings.

The best game, perhaps, was the clash between Washington and Philadelphia in the junior circuit, the Senators winning 1 to 0 in a great pitcher's battle between the oldmaster, Walter Johnson, and his young rival, Ed Rommel, after fifteen innings of fast play.

In the National League the Cincinnati Reds and Chicago Cubs played ten innings before the Reds scored the winning run.

After seeing all of his pitchers slaughtered in the pre-season games with the New York Yankees, Manager Robinson, of the Brooklyn Robins, produced a winner in the Jess Petty, who held the Giants to one hit and scored a 3 to 0 victory.

Results in the American League Tuesday were:

Cleveland 2; Detroit 1.
Chicago 5; St. Louis 1.
Washington 1; Athletics 0.
New York 12; Boston 1.

In the National League, the results were:

Brooklyn 3; New York 0.
Phillies 6; Boston 3.
Cincinnati 7; Chicago 6.
St. Louis 7; Pittsburgh 6.

The following are the attendance figures for the opening day:

American League—New York at Boston, 12,000; Philadelphia at Washington, 25,000; Cleveland at Detroit, 35,000; St. Louis at Chicago, 37,000. Total, 100,000.

National League—Brooklyn at New York, 45,000; Boston at Philadelphia, 8,000; Pittsburgh at St. Louis, 17,000; Chicago at Cincinnati, 33,204. Total, 103,392.

GYM CLASSES TO MEET HERE ON FRIDAY NIGHT

HOGS BRING RICH INCOME TO FARM

Feeding By Scientific Methods Results in Animals of Gigantic Proportions.

Lexington, April 13.—Many Davidson county farmers last week sold 125 hogs to a Salisbury meat packer. It was stated today by county agent, C. A. Sheffield, those hogs, which netted 24,002 pounds, brought \$3,295.81. James L. Beall, the proprietor of Bealmeat farm, Linwood, furnished 47 of the animals. J. Ed Snider, who lives on the Central highway about eight miles southwest of Lexington, furnished 78.

Both lots of hogs had been on special feeding demonstrations conducted by Mr. Sheffield and V. W. Hays of the swine extension division of State college. Mr. Beall's lot had made an average gain of 1.75 pounds a day for 94 days. Mr. Snider's lot had been on test for 103 days, and made an average gain of 1.27 pounds per day.

Recently four farmers on the eastern side of the county furnished Davidson's first carload shipment to an outside market. The hogs sold by Mr. Beall and Mr. Snider would have made two large carloads, it is said.

Mr. Sheffield reports fine results from the recent campaign to sign up boys and girls for club work this year. An even 400-club workers were enrolled, 250 girls and 150 boys. Forty-five of the boys will give their attention to cotton. Clubs have been formed in most of the larger school districts, with individual members in other sections of the county.

Greater attention is being paid by the farmers of the county this year than ever before, it is stated, to the selection of cotton seed. Over 800 bushels of seed have been cleaned at the first cleaners ever operated in the county, at South Lexington, and the total cleanings is expected to reach 1,500 bushels. A large percent of the seed planted will be certified Mexican big boll, and the county agent is placing with other farmers in the county about 750 bushels of certified seed of this type produced in the county last year above what those growers will plant themselves.

English farmers have been prosecuted for selling apples containing 1-30 to 1-15 grain of arsenic in a pound. The poison came from insect spray.

In the State lottery of Argentina there is a drawing every day all the year round, with extra large prizes on holidays.

PASTIME THEATRE

whether you're a regular movie-goer or just an occasional one—HERE IS one picture you will want to see. It's a big human document, vibrant in its emotional appeal—

No glamorous artificialities, but a real story that will play upon your heartstrings and make you feel better for having seen it. Come! You, too will say: "It's a great picture!"

WEDNESDAY AND THURSDAY AT THE PASTIME THEATRE

ESSEX CAR STOLEN EARLY TUESDAY NIGHT

Car Was Taken From in Front of Home of J. A. Kennett Between 6:30 and 8 O'clock.

The Essex coach belonging to J. A. Kennett was stolen from in front of his home on Grove street early Tuesday night. The theft was discovered about 8 o'clock.

Mr. Kennett stated that the car was left in front of the house about 6:30 and he was in the front room of the house during most of the time. He did not hear any one start the motor of the car so it is evident that the thief rolled the car to the bottom of the hill on which it was parked.

The key to the motor was in the car, Mr. Kennett stated, but he did not lock the motor when getting out of the car. He did not fear any one would try to drive the car off so long as it was parked near the front door of his home. "I was sitting in the front room of my home, which is near the sidewalk, and the thief must have been looking at me when he drove my car off," Mr. Kennett stated.

Police officers in nearby cities and towns have been asked to be on the watch for the car. Mr. Kennett stated that the thief could probably go between 175 and 190 miles without buying gas or oil as he had the car filled with both Tuesday.

Mrs. Laura Rendleman Dies in Salisbury.

Relatives here have been advised of the death early this morning of Mrs. Laura Eddleman Rendleman, widow of Jacob A. Rendleman, at her home in Salisbury.

Mrs. Rendleman had been ill with pneumonia but her condition had improved sufficiently for her to sit up. Her death came suddenly.

The deceased was about 75 years of age and is survived by one half-brother, one half-sister and one son, John Rendleman, prominent Salisbury attorney.

Funeral services will be held tomorrow.
