Sir Walter Hotel Lobby Raleigh, April 10.—A successor to Charles A. Cannon as Republican nominee for United States Senator will be chosen at a meeting of the American Revolution. Hence the Republican Rate executive committee chairman, for next Thursday in the O. Henry Hotel in Greensbor. If the Republican leaders them-leves know who the choice will be chairman of the last convention. The principal question is whether of the principal question is whether or bib to Mr. Britt. Meady is well cared for on the ment staff in Washington. He love feast at fin Washington. He love feast that he laredy has well cared for on the principal staff of the prohibition enforce-ment staff in Washington. He love feast the taffer of the principal question is whether or bibics whole, vigilance lest propo-tion of the analy is well cared for on the bibie without sectarian comment in phain to his credit and, to the outsider r, it appears that only an exager-tate hereary has heightened by the fact that he lender das consented by the fact that he lender fact suprom-tate flexa guestion to the principal staff of the prohibition enforce-ment staff in Washington. He principal staff of the prohibition enforce-ment staff in Washington. He arry suprementation the care of low party and the testbook history read by the school children of the country vehicles for antional defense. A DAY OF ANNIVERSARIES Apil 19th One of Greeales Tapy.

anduce him to accept the nomination. That feeling is heightened by the fact. That he lifedy has consented to run for chief justice of the State suprement for chief justice of the state suprement to over either Senator Coverman or Robert Republican norm, be scheme of hings and, furthermore, it deent seem to pay to tempt heighteners. The whole seems to he not such solars for the sections of the scheme of things and, furthermore, it deent seems to pay to tempt heighteners in the scheme of things and, furthermore, it deent seems to pay to tempt heighteners in the scheme of things and, furthermore, it deent seems to pay to tempt heighteners in the scheme of the scheme is the scheme of the scheme is the scheme is
