GIBSON STAGES UPHILL FIGHT BUT LOSES 10-9. Towel-Makers Win Thrilling Holiday Game Before Largest Crowd Ever Seen at Cabarrus Park.

Staging one of the most magnificent, inspiring uphill fights ever seen in this vicinity, the Gibson Mill baseball team Monday overcame a seven run lead secured by Kannapolis in the first two innings, only to lose in a heart breaking finish when errors allowed two Kannapolis runs to cross the plate in the last two innings. Despite the hot weather and many errors, the game thrilled every one of the huge holiday throng—the largest it is said that ever witnessed a game at Cabarrus Park. The Kannapolis Band was present and rendered a number of pleasing selections.

The Kannapolis celebrated the Fourth by jumping on their nemesis, Broadus Simmons, for ten hits and eight runs in the first two innings. This collection of hits included home runs by Motsinger and Johnson, and doubles by Kirke and Saunders. After the second, Broadus set the pace, but he was touched for but one more hit in the remaining seven innings, a single by Kirke in the ninth. Only twenty-three men faced him during that time.

It Happened Thusly. After Gibson had gotten a one-run lead when Jarrett parked one over the fence in left, Mtsinger, first up for the home team, decided this business of losing baseball games had gone far enough. Whereupon, he followed the example set by Jarrett, only he chose the wall at the other extreme of the field. Lee liked the looks of one of Simmons' hooks and crashed a single into right. Flowe attempted to sacrifice but Simmons was so big hearted that he threw the ball into the crowd behind third base. Lee going to third and Flowe to second. Kirke sent them both in with a screaming double to right, and scored himself when McClain singled to center. McClain went on to second when Hatley let the ball get through his legs. "Our Boy" Saunders made the first out of the inning when Watry retrieved his grounder in front of the plate in time to throw him out at first. Troy Johnson sent himself and McClain home with a four base knock over the favorite fence in left field. Lentz followed Johnson with a single to left and Barnes fanned for the second out. Mtsinger, at bat for the second time that inning, received a walk and Lee made his second single of the inning, filling the bases. Flowe singled to Jarrett for the third out.

Gibson went scoreless in their half of the second, but not so Kannapolis. Goaded on by the taste of blood, Kirke singled to right. He was forced at second by McClain and the latter was safe at first, the Gibson infield not being a believer in double plays. Saunders sent him to third with a double and Johnson scored him with an infield out. Lentz sent Saunders home with a single to center, the last run made by Kannapolis until the eighth.

Gibson Gets Onto Barnes. In the third Gibson, with their backs to the wall, began to peck on the delivery of "Sally" Barnes, International Leaguer, in a way that forecasted plenty of trouble for the portlander. With one down, Basinger singled to right and was then forced at second by Jarrett. Jarrett went to third and Watts to second when Saunders threw the latter's easy grounder far over Lentz's head. Jarrett pulled a spectacular play, in doubtful taste, by successfully stealing home. McClain threw wildly to third in an attempt to get Watts who had taken advantage of the momentary confusion created. Watts then attempted to come in home but Barnes picked up the ball and threw to McClain for a put-out. Jarrett and Watts could have saved themselves much trouble, their supporters much anxiety and their team one run if they had just waited, for Simmons picked out a good one and sent it far over the left field fence for all the bases.

Gibson made three more runs in the fourth on four singles and two errors and in the sixth they went ahead by counting three more times, the third after two were out. Simmons doubled into the crowd in right and went to third when Saunders erred Hatley's grounder to the hot corner. Basinger scored both of them with a long double to left and the score was tied. Basinger scored when Saunders made his fourth error of the afternoon by throwing Jarrett's slow grounder to him out of the reach of Lentz. Saunders was removed from the game and Flowe took his place. Homer Fink going to the mound. The score: Kannapolis 10—Gibson 9.

Kannapolis Ties Score in Eighth. Gibson kept her one run lead through the seventh, but lost it in the eighth when "Peck" Wood and Manager Basinger each made glaring errors of throwing the ball away and allowing Barnes, who had walked, to score all the way from first base. Win in Ninth. Flowe went out to start the ninth, Belk to Wood, but Kirke got his third hit, a single to right. He went to second on an error by Watts and scored the winning run when McClain's hit down the third base line took a bad hop and jumped over Ellere's head.

Briefs. A fusillade of straw hats from the Gibson stand greeted Jarrett's home run knock in the first. Maybe the owners regretted their extravagances when Kannapolis started her broadside of hits and runs. When Barnes "boomed" Smith in the second the blow could be heard all over the field. "Dago" was forced to leave the game. It is not thought the injury will have serious consequences. Johnson and Mtsinger played beautiful ball around the keystone sack. They had to, to make up for the shoddy fielding of Saunders on third. Belk was the star infield performer for Gibson. He has, by the way, signed a contract and will be a regular performer for the rest of the season.

Hatley made several brilliant catches in center. He robbed at least two Kannapolis players of extra base hits. Lee played well in the same position for Kannapolis. If Kannapolis wins the next three games, maybe she'll have a big, deciding game some time before the summer is over. It may be that the state championship will rest between the two teams. Simmons did some of the worst and some of the best pitching he has ever done. Monday. It takes a really good man to come back and pitch scoreless ball after having been hit all over the lot in the beginning. Most batters are ready to quit after four or five consecutive hits have been made off them.

Local Sale Passed Its Quota In the Chain Sale But Outcome of Contest With Monroe Not Known. A. E. Harris, manager of the Concord Efrid's store, passed the quota assigned his store for the annual chain sale but he does not know the outcome of the race between the Concord and Monroe stores. The sale closed Saturday night and reports of sales from the stores have been forwarded to Charlotte where the final checks will be made. The store that sold the most goods during the sale will be permitted to send an employe to New York free of cost. Stores in the chain were grouped in pairs and the winner in each pair will send a representative to New York.

NO TEN TOWNSHIP. In the passing of Mrs. Rose Brown Bost the Flowe's store community has lost a consecrated woman. She leaves a husband, two sons and one daughter, a father, two sisters and six brothers to mourn their loss.

The deceased was the daughter of Mack Brown and the late Bessie Hudson Brown and was in her forty-eighth year. She was a power for good in the church and community life. In the home she was a loving wife and devoted mother always striving to cultivate in her children's lives a taste for the higher things of life.

In the absence of his pastor, funeral services were conducted by Rev. Mr. Frye, of Oakboro. So vast has been the improvement in engine boilers and fireboxes that the power derived from a pound of coal today is nearly three times as great as it was fifty years ago.
