YOUNG WHITE SHOW MAN IS HELD AT LEXINGTON

Boyle Elder Held in Jail Following Shooting of Frank Miller, a Watchman.

Lexington, July 26.—Boyle Elder, young white man with a show troupe staying here this week, was being held in jail this morning while police are investigating the shooting last night of Frank Miller, night watchman at a local furniture factory. Miller claims that he was shot by a young man who attempted to hold him up at the boiler room of the factory and that he fired five times at the intruder, who fled. Elder was arrested on a show car not far from the factory later in the night. He was in bed and claims he was not about the factory, though Miller is said to have identified him.

This morning, companions of Elder in the show were co-operating with the police in an effort to arrest man named Moore, who left the show train yesterday afternoon and whom they declare they believe is probably the man wanted. Moore was with the show in Reidsville last week but received his discharge Saturday, it is stated, although accompanying the troupe here.

According to Miller's story to the police a young white man came to the factory yesterday afternoon and while there he showed him his pistol. Early last night, he told the officers, the same man returned, drew a pistol and fired, wounding him in the shoulder. Miller says he then began firing and his assailant fled.

CAIN DWELLER KILLS INVADER

Yancey County Mountaineer Surrenders to Sheriff at Burnsville, Claiming Self Defense.

Burnsville, July 26.—Joe Ray, of the Low Gap section near here walked into the office of Sheriff Will Hall this morning and calmly surrendered himself on a self-confessed charge of homicide.

"I shot and killed L. V. Ledford in my cabin a little after midnight," he said.

Then he sat down and without a tremor or hesitation told the sheriff and a shocked group of listeners his story of the killing.

"I was asleep in my cabin when Ledford came in," he began. "He was drunk. He woke me up and ordered me to hurry and help him get his automobile out of a ditch beside the highway. I told him I was sick and couldn't get up.

"Then he drew his revolver. 'If you don't hurry and get up I'll kill you,' he yelled. I knew it was either me or him, so I got my gun and shot him dead."

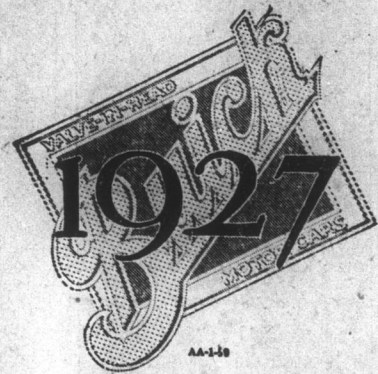

Four Bouts at Fort Bragg.

Fort Bragg, July 26.—(AP)—Four bouts, scheduled to go thirty rounds in all, have been arranged for the boxing program to be staged here July 29th. Harry Allen, holder of the mythical bantamweight title of the South and Cuba, will meet Dick Bowden, former Fayetteville youth, but now a resident of Florida and a member of the national guard of that state, in the main bout, in which Allen's title, won recently in Jacksonville, will be at stake.

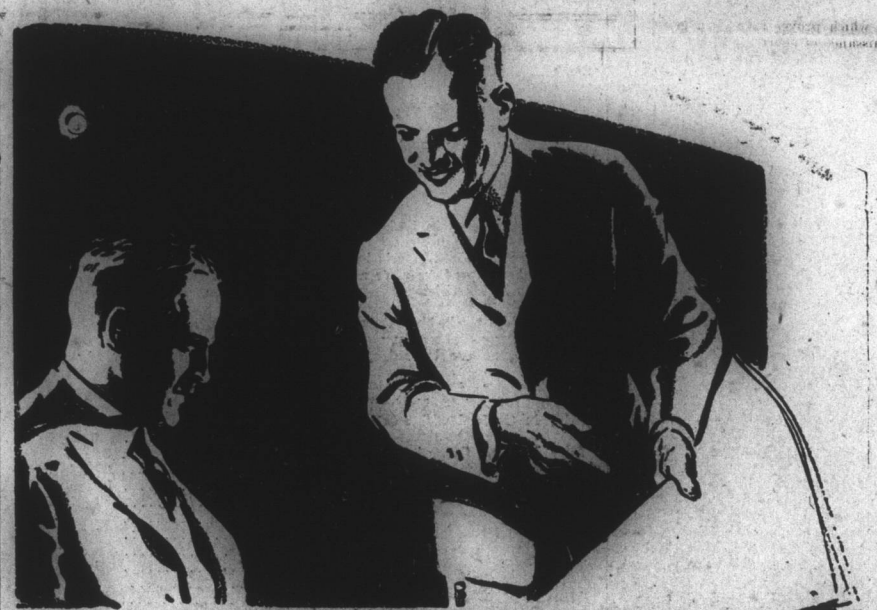

The other bouts include an eight-round semi-windup between Lee Johnston, local soldier, and "Spike" Webb, of Charlotte, and two six-round affairs between Hauser and Collins, of the local army post; and Soldier Dennis, of Fort Bragg, and "Buck" Walker, of Charlotte. A battle royal will round out the card.

Warmth by wireless is predicted by a Pittsburgh scientist who believes it will be possible in the future to broadcast heat waves as we now broadcast sound waves.
