NEW FALL STYLES

As Displayed in Belk's Assortment of New Fall Dresses

No wonder women have looked forward with such high anticipation to the arrival of the new Fall dresses, for they bring with them all the charm, grace and beauty that can possibly be crowded into dresses. New colors, new materials, plain and combinations of two materials. They are arriving daily and the assortment is now most complete.

New Fall Hats Are Here!

The "Tam" effect to the fore and other smart hats show the African inspiration. These effects are carried out in most unusual designs, created of velvet and of velvet combined with satin and other new materials. Both large and small hats are popular and are here for your choosing in all the newest and smartest shapes, with a jauntiness and dash that make them most becoming to every woman.
