HIGHS DEFEATED IN SEASON'S FIRST GAME

King's Mountain Scores 19 to 0 Victory Through Work of Hord and Scates.

The Concord high riders made their 1926 debut Friday and looked good in defeat.

Playing King's Mountain on Webb Field here the locals took a 19 to 0 defeat but in so doing they showed form that should develop with the season's play. A little slow at times in getting off their end runs the locals played well through the line and made several first downs by steady plunging.

Two backfield stars, Hord and Scates, were the margin of victory for King's Mountain. Fast on their feet these backs swept the Concord ends for long gains several times, carrying the ball in scoring position twice after one touchdown had been made in the first quarter from long passes. Stowe to Goforth.

Duke, Crowell and Hoover bore the brunt of the Concord attack with Hoover the most consistent of the trio. Kestler carried the ball for short gains several times and in the last quarter McEachern made several short gains. A sustained attack was lacking, however, and one fumble by Hoover and several by Duke hurt when scoring opportunities were seen.

King's Mountain could make no gains through the Concord line. Once or twice in midfield short plunges brought a yard or two but on the whole they had to resort to Hord and Scates and the pair functioned well. These backfield men are hardened athletes. Hord played shortstop all summer for the Mount Holly team and Scates is said to have pitched several games for the same team. Behind perfect interference by Stowe and Goforth the pair could get started and it usually was a backfield man who brought them down. They had no trouble getting by the linesmen and reeled off 30 yard gains several times.

In the first quarter Goforth was not guarded and took a long pass for 30 yards. On the next play Goforth again shot off to the left of the Concord line and received a 20 yard pass and on the second play took a short pass for a score. Stowe missed a place kick for the extra point.

On the first play after the score Hoover made 30 yards, Duke 9 and Hoover a first down. Crowell then lost two yards and Concord had to punt after making another first down and being brought back on a penalty. Scates then swept an end for 25 yards and Hord made 5 more. Concord held and Stowe punted to Duke who dropped the ball. Following the ball Scates scooped it up and ran 15 yards for the second score. Stowe again missed a place kick.

At the start of the third quarter King's Mountain was penalized for holding and Concord started a drive after Duke fumbled twice to have the ball recovered once by Crowell and by himself the other time. A pass Kestler to Hoover made first down. Duke made two yards and Hoover another first down. Crowell ran 12 yards for another down but here King's Mountain held and gained the ball when a pass was intercepted on the fourth down.

Hord ran 50 yards on the first play just before the quarter ended but on the third play Scates fumbled and Hoover recovered. White got off his only bad punt of the day in the next play, driving the ball straight over his head. Stowe recovered on the 8 yard line and Goforth scored through the line. Stowe dropped kicked the extra point.

The game was clean except for slugging by one King's Mountain man, Jenkins, who was put out of the game. He struck Hoover several blows when the latter had been tackled and was on the ground. Several hundred fans saw the game which was played in weather more suited for baseball than football. Students kept up a continuous cheering for the locals who promise to develop one of the best teams in the history of the local high school.

Long refereed and Bloomfield was umpire. Joe McClain was head linesman. Lineups were:

Concord: Morgan, C. White, Verbe, Uley, Craven, White, Kestler, Crowell, Duke (C), Hoover. King's Mountain: R. McDaniel, T. Goforth, Mason (C), r. e., Cranford, Jenkins, Stowe, Hord, Goforth, Wright. Substitutes, Concord—McKinley for Craven, Sanders for Uley, Brown for Morgan, Saunders for Verbe, Hastings for Hoover, McEachern for Hoover, John Brown for Crowell and Britt Brown for John Brogan. King's Mountain—Cole for Logan, Barrett for Logan, McDaniel for Jenkins, Scates for Wright, McGinnis for Hord.

TELLS OF CONDITIONS IN THE STORM AREA

E. E. Proctor, former resident of Concord, Says Conditions Indescribable.

E. E. Proctor, former resident of Concord now residing in Miami, in a letter to the Concord Daily Tribune says conditions in Florida following the storm are beyond expression:

"The letter, dated Thursday, reads: 'I volunteered for hospital work. I believe 1,000 killed and 3,000 hurt. Property damage \$100,000,000. Over 25,000 homeless.'

"Danger from disease and after effects grave. I was in rain while wind was blowing 120 miles an hour several times. Barely escaped several times.

"Hardly a house left untouched. Still finding bodies and injured. It was terrible. I cannot express it as it really looks now in the aftermath."

MANY CHILDREN IN SCHOOLS UNDERWEIGHT

Of 1,262 Weighed in Central and No. 2 Schools 788 Are 7 Per Cent. or More Underweight.

Miss Margaret Ford, county tuberculosis nurse, has just completed the weighing of all students in the primary and grammar departments of Central and No. 2 School and her report shows many students underweight. Furthermore her report shows that more than half of the students in the schools are more than 7 per cent. underweight, and such students, experts say, cannot do their work as well as more normal children.

Miss Ford, Miss Courtney and Miss Stroupe, all nurses working in the city and county, are conducting their examinations in all of the schools of the city and some of those in the outlying districts.

The report submitted by Miss Ford shows that in the two schools she examined 1,262 students of whom 788 were 7 per cent. or more underweight.

In the grammar departments of the schools she found students as much as 25 per cent. underweight, there being eight of these in Central School and four in No. 2. Of the total found underweight 123 were as much as 20 per cent. below normal.

Only 58 of the children in the two schools were normal, while 177 were overweight and 239 were less than 7 per cent. underweight.

Miss Ford's reports follow: Central Primary: Number children overweight—25. Number children normal—20. Number children less than 7 per cent. underweight—57.

Number children 7 per cent.—42. Number children 8 per cent.—15. Number children 10 per cent.—56. Number children 12 per cent.—37. Number children 15 per cent.—38. Number children 18 per cent.—23. Number children 20 per cent.—33. Total number weighed—346.

KIWANIS MEETING

Dr. Rowan Discusses Points of Interest He Visited on European Trip.

Dr. J. C. Rowan, pastor of the First Presbyterian Church and member of the Concord Y tours party to Europe this summer, was heard at the weekly meeting of the Concord Kiwanis Club Friday. He spoke at the invitation of Dr. T. N. Spencer and J. B. Sherrill, program chairmen.

Dr. Rowan interestingly described some of the things he saw in Europe, gave a brief recital of his itinerary and pointed out some of the things that impressed him most. He did not give his impressions as to the attitude of the people there to Americans, but simply recited facts.

Mrs. H. G. Gibson and Mrs. Leslie Correll had charge of the musical program. Guests at the meeting were A. C. Provost, of Louisville, with E. B. Grady and Mr. Patton, of Elon College, with Gilbert Hendrix.

Dr. Spencer staged a contest with small balloons, the winner being the person who first broke the balloon. President Clarence Barrie won the first. This was one contest in which all entering won a prize, there being six in all. Prizes were also given to Mrs. Leslie Correll and Mrs. H. G. Gibson, who have so pleasantly and efficiently conducted the music program for the Kiwanis meetings.

The attendance prize was drawn by A. B. Palmer. It was a ticket to the county recital.

Fred Shepherd and C. W. Swink will be in charge of the program next week.

Guests at Hotel Concord Friday. The following were guests at Hotel Concord Friday:

T. W. Scarborough, Greensboro; P. N. Lawson, Winston-Salem; S. E. DeLano, Norfolk, Va.; E. J. Roseman, Salisbury; A. D. Watts, Statesville; C. J. Massa, Atlanta; Mr. and Mrs. E. S. Green, Goldenbridge, N. Y.; Irving Camp, New York City; A. B. Camp, Columbus, Ga.; M. P. Friedman, Durham; W. W. Curtis, Chicago, Ill.; H. S. Hurt, Chicago, Ill.; J. W. C. Brittingham, Baltimore, Md.; P. E. Benedict, Edward J. Riker, S. S. Robinson, Edward J. Weaver, Miami, Fla.; Charles L. Van Noppen, Greensboro; Tom Driskill, Knoxville, Tenn.; C. K. Boyd, City.

CHAMPIONSHIP GAME IN STATE FOOTBALL

Ranking of Carolina and Wake Forest Will Be Determined by Today's Game.

The fate of Carolina and Wake Forest in State football circles for 1926 is being determined this afternoon at Wake Forest where the two eleven are playing their first game of the budding season.

The championship always goes to one of the big five colleges and the Tar Heels and Deacons are the first to offer a game that will have any bearing on State honors.

Wake Forest is without Gresson this year but Emerson, Baley and Ober are back and the team is said to be as good as last year's. Carolina coaches have been saying little and as a result little is known of the team's complexion and possibilities.

Several of last year's stars are back, however, and followers of the team are optimistic.

State defeated Elon 10 to 6 Friday without demonstrating any great punch in the pinches. In the middle of the field the Tech players gained almost all will but near the goal they were held by the Christians. "Peanut" Ridenhour scored three of the ten points with a drop-kick from the 25-yard line.

Duke and Guilford meet at Durham with the former being the edge. Coach DeHart has started from the bottom at Duke and the playing of his charges will be watched with keen interest by those who expect the Methodists to be much in the running in a year or so.

In South Carolina the State championship also is at stake. Furman plays the Newberry eleven. South Carolina is expected to defeat Erskine and Furman is given the edge over Newberry. Unless they have developed fast during the week the Clemson players probably will meet defeat at the hands of the fast moving Presbyterian backs.

Inter-state interest centers in the Wofford-Davidson game at Spartanburg. The teams have been evenly matched for two years and as Wofford keeps most of her stars this year it is generally predicted that Davidson is in for a rough afternoon.

Here's our say as to the outcome of the games: Carolina over Wake Forest; Duke over Guilford; Davidson and Wofford tie; Furman over Newberry; South Carolina over Erskine and Presbyterian over Clemson.

FIGHT FANS HOME SAY TUNNEY MASTER FIGHTER

Doubt Whether Dempsey Would Have Beaten Him Three Years Ago—Dempsey Has No Alibi.

Jack Dempsey is more popular than ever because of the manner in which he accepted his defeat at the hands of Gene Tunney in Philadelphia Thursday night, think Concord fight fans who returned home this morning. "Dempsey offered no alibi and for this reason fans admire him more than ever, say Concord fans who drove 1,300 miles to see the championship bout.

Dr. Joe A. Hartsell, C. W. Byrd and C. S. Stuart reached home early this morning, having left Philadelphia Friday morning in Dr. Hartsell's car. They drove 618 miles without making a stop, reaching home about 3:30 this morning.

Discussing the fight and the convincing manner in which Tunney won from the champion, the Concord men said they doubted whether Dempsey could have defeated Tunney three years ago. Jack never had fought such a fighter as Tunney before, they pointed out, and his rushing tactics were of no avail.

For every blow Jack gave Tunney, he got at least five back in the opinion of those men who saw the fight from the ringside. Jack had plenty of his old-time pep and fight at the beginning but when he sought to land a crushing blow Tunney would not be there to get it. The winner was too fast on his feet, too clever with his hands.

Gene sent a crushing right to the jaw of the champion in the first round and Dempsey never seemed to get over it, say these fans. He hit Tunney some hard blows but that first-round blow was such a shock to his body and mind that he never was the same again.

Fully 85 per cent. of the spectators were for Tunney, although many of them had bet on Dempsey. This is paradoxical, but it is a fact that many persons who bet on Dempsey did so as a business proposition. They wanted Tunney to win but they didn't believe he could do it.

Active pall bearers will be two members of the three secret societies of which the deceased was a member, Odd Fellows, Junior Order and P. O. S. of A. They will be C. J. Williams, J. W. Collett, Dr. J. F. Bunn, F. H. Lee, W. R. Earnhardt and A. B. Cleaver.

Honorary pall bearers will be J. O. Moose, J. H. A. Holsouser, R. T. Lippard, C. P. Cline, T. A. Fisher and Joel Honeycutt.

Funeral services for P. G. Cook, who died suddenly at his home here last week, will be held at Trinity Reformed Church tomorrow afternoon at 3 o'clock. Rev. W. C. Ivey will conduct the services and interment will be made in Oakwood cemetery.

Changes in Southern Schedule Here. M. E. Woody, ticket agent for the Southern Railway, made public today changes in the schedule of some of the trains, effective at midnight tonight. The changes are:
