**CAROLINA AND DUKE WILL MEET SATURDAY**

Game Will Be Most Important Grid Contest in State—Wake Forest Plays Presbyterian.

Two more members of the State's "Not So Big Five", Carolina and Duke, will clash on the gridiron tomorrow, making four of the five to meet this week. Davidson and State having played in Raleigh Thursday in a game that resulted in a victory for the Presbyterians.

Wake Forest, another member of the quintette, plays but with out of State opposition the game will have no bearing on the State championship. Presbyterian College will face the Baptists at Asheville.

Elon and Guilford, about on a par according to games played so far, will meet at the home of the latter in Virginia to play Emory and Henry.

In the South quite a few games of importance are booked for tomorrow. Among these are the Georgia-Furman Alabama-Georgia Tech, Kentucky-

CONCORD HORSES WIN IN THURSDAY'S RACES

Macaroni Patch, Gracewood and The Creed Show Way to Others in Fast Stepping.

Concord horses were winners on the track at the fair grounds Thursday on the 2:20 trot and the 2:35 pace.

Macaroni Patch and Gracewood, owned by E. T. Cannon and driven by Rodgers, and The Creed, owned by J. F. Cannon and driven by Scott, were the leaders in the two races, with Macaroni Patch winning in straight heats in the pace.

Gracewood was second twice and first once in the trot, with The Creed winning one heat in the trot before being withdrawn because of an injury suffered in the victorious heat.

There was all sorts of racing at the fair Thursday. After the harness races there was a motorcycle race of three miles, a mule race and doughnut eating contest and a "free-for-all" that set a record for the South.

Twenty-three starters there were for the "free for all", said to be the largest number of horses ever to start on a southern track. There was money for each starter, regardless of how they finished and it was an unusual sight to see 23 horses on the track at one time.

What might have been a serious accident in the "free for all" turned out without injury to any one. While coming into the home stretch on the first lap of the first heat, the horse on "Wiley" broke and the crowd gasped and yelled as it saw the loose horse trotting rapidly in the big field.

Hatchel, driving the horse, was soon aware of what had happened. Just after leaving the grandstand he crawled to the back of his sulky, dragged one foot on the ground in an effort to halt his horse and failing in this, dropped to the ground and rolled toward the fence. Drivers behind him saw his predicament and steered clear of his body.

Practically every one in the grandstand jumped to their feet when they saw an ambulance start across the infield to the spot where Hatchel had dropped from his cart. Then they saw the ambulance dash toward the barn after picking up the driver. Hatchel was not hurt, however, and drove his horse in the next heat of the pace.

Right with the leaders trotted "Wiley" with his owner, H. H. Huggins, of Florence, S. C., after him. Interest centered in this contest now. Once Mr. Huggins caught the halter of the loose horse but could not stop the horse, he was being so bad to let "Wiley" go. Around the track they went again and this time, as the back stretch the driver dug his heels and as he drove past the grandstand he was generously applauded for the daring and expertness shown.

In addition to the winner these horses were entered in the pace:

Wiley, Twinkling Lilly, owned and driven by Fred Johnson, Shelbyville, Ind.; Mary M., owned and driven by W. B. Haskin, Augusta, Ga.; Crystal Boy, owned and driven by J. W. Thomas, of Revereville, Va.; Walnut Grattan, owned by George Styles, of Boone, Ga.; and driven by Jones; Rhythmic Todd, and Carrie, owned and driven by Balsler.

In the trot in addition to Gracewood and The Creed the entries were: Husky, owned and driven by D. H. Pope, Raleigh; Hazel A., owned and driven by F. L. McQuitty, Springfield, Ill.; Virginia C. Forbes, owned and driven by B. E. Gibson, of Magnolia, Ky.; Lizzie, Harvester, owned and driven by T. B. Garlock, of Shelbyville, Ind.; and Etta Moco, owned and driven by Balsler.

KING AT HIS BEST IN 'STELLA DALLAS'

Noted Director Praises Realistic Work of Playwright in Great Photodrama.

Henry King, whose latest screen production, Samuel Goldwyn's "Stella Dallas," comes to the Concord Theatre Monday and Tuesday, is recognized as one of the most faithful interpreters of intensely human drama.

He has an unending string of successes to his credit, among which might particularly be noted the gold medal photoplay, "Tolable David," as well as "The White Sister."

Yet King declares he never before has been fortunate enough to direct a drama with the appeal and heart interest of "Stella Dallas," which is a human drama of every-day American life, with situations such as many Americans might easily find themselves in.

"The characterizations in 'Stella Dallas' hold a definite appeal to me," said King.

"From the title role, so ably played by Belle Bennett, to the smallest bit, the characters all seemed to live and breathe as if, instead of building a photoplay, I were privileged to witness a slice of life itself, lifted from the center of some typically American city."

King has injected into "Stella Dallas," a United Artists Corporation release, all the human interest, realistic treatment and diverting finesse which went to make "Tolable David" one of the most talked-of pictures.

His cast includes nothing but experienced and hand-picked players, including, besides Miss Bennett, Ronald Colman, Alice Joyce, Jean Hersholt, Lois Moran, Douglas Fairbanks, Jr., etc.

The adaptation of Olive Higgins Prouty's celebrated novel is by Frances Marion, who writes all the Samuel Goldwyn scenarios.

FRIENDS ARE FOES ON THE GRIDIRON

Concord Boys Who "Live Around the Corner" From One Another Direct Football Teams.

Concord boys played a big part in the Davidson State football game at Raleigh Thursday.

Nevin (Nick) Sappenfield directed the play of the Davidson team for part of the game, while his life-long friend, Clarence (Peanut) Ridenhour was directing the play of the State team.

These boys live "just around the corner" from one another, attended grammar and high school together, are members of the same Church and Sunday School and played their first football with the local high school team.

Another Concord boy, Charles Ritchie, was consistently good in the Davidson line. Several other Cabarrus boys are members of the Davidson squad.
