Mr. Farmer! What Kind of Weather Do You Like?

Some like "Fair" weather best. Some like it "Dry." Some like it "Wet." But we say "Fowl" weather is the best weather yet. Never mind the weather—bring us POULTRY, EGGS, BUTTER FAT and PORK.
If you have more poultry than our competitors want you have just enough to start to supply our demand. We have never had "Eggsactly" enough eggs.
Feed your cows your 1c Per Pound Cotton Seed and sell your Butter Fat at 28c per pound and keep the difference on your farm to enrich your soil to grow more corn to feed more pigs, chickens and cattle. "Purty good, eh!"
