adequate public library for Concord.

The matter was presented by J. T. Hartsel, who suggested that the question be submitted to the people in the form of a bond issue, the total of which would be \$60,000. Of the total \$50,000 would be spent for a new home and \$10,000 for books and other needed equipment.

The club endorsed the proposition and asked Mr. Hartsell to draw up at a bill, incorporating his ideas, for presentation at the next session of the general assembly.

In addition to Mr. Hartsell, T. H. Webb, W. R. Odell, A. R. Howard and W. W. Morris discussed the proposition, all picelging their co-operation.

A resolution of respect and sympathy was adopted by fac club for the loss of Fred Kent, former governor of the Rotary district of which Concord is a part. Mr. Kent died suddenly several days ago at Salisbury, Copies of the resolution, which was unanimusly adopted, were ordered sent to Mrs. Kent meeting.

J. A. Cannon and R. E. Ridenhour, Ja., will have charge of the program at the next meeting of the club.
