CALVIN COOLIDGE

R B CREAGER

NICHOLAS LONGWORTH

A meeting between Calvin Coolidge and a Texas delegation headed by R. B. Creager, Republican strategist, was considered to be a manoetwer preparatory to Coolidge's candidacy for re-election in 1928. Meanwhile, C. Bascom Slemp, who failed to get a cabinet post despite effective work in 1924, was reported praising Speaker Nicholas Longworth to Southern Republicans.

ing science in the public schools and in colleges receiving aid from the state" ever introduced in any legislature, according to an editorial in the New York Times of Sunday, February 7th, entitled "Against Teaching Science." After quoting the substance of the bill and mentioning the fact that a hearing would be held in; it this a hearing would be held in it this week, the editorial goes on to say:

week, the editorial goes on to say:

"The enactment of this bill (which is hardly conceivable in a state as forward as North Carolina is in the useful arts and sciences and in higher education) would make the Scriptures and ultimate authority in the realm of science, for all truth partake of the fundamental.

of the Rocky Mountain Region on a Five-State

MERCURY DROPS TO LOW POINTS

Below Zero in Some of Western and Mid-Western States.

Kansas City, Feb. 9.—(P)—Snow and sleet swept out of fae Rocky Mountain region today on a five-state front, bringing freezing temperatures to the middle west and southwest after more than a week of unusually mild winter weather.

Starting in Canada Sunday, the storm moved southward through Montana, Wyoming and Colorado, leaving a heavy blanket of snow and forcing temperatures to sub-zero marks. Preceded by sharp drops intemperature the clouds banks rolled slowly over the Bokotas, Nebraska, Kansas and Oklaioma yesterday to cover the southern part of this section with two or more inches of snow, or to bring a corresponding amount of rain or seet.

Snow continued in Kansas and pasts.

seet.

Snow continued in Kansas and parts of Missouri and Oklahoma today with the mercury varying from 15 to 30 degrees above zero. Rain or mist was general in northern Texas, with Abilene reporting a temperature of 34 above at midnight, as compared with 64 above at moon yesterday.
