respect and admiration, I am, my dear sit,

Sincerely yours,
H. C. HERRING.
Several days ago Dr. Herring sent this letter to Senator Overman, and that the Senator greatly enjoyed it is shown by the following letter:
Dr. H. C. Herring, Concord, N. C.
My dear Dr. Herring:—Thank you so much for your letter of February 22nd enclosing copy of a letter which you wrote to "Bill Arp" over a quarter of a century ago, which I have enjoyed hugely. It carries me back to the good old days so far removed from the House when everything was turned over to old Jim Long to reply to Sutton of Fayetteville, who opposed the Dentist bill, and how Jim got the laugh on him, the ovation he received and the bill passed. I can well imagine how Bill Arp must have laughed when he ready our letter, which is well worth preserving and therefore I am herewith returning it to you in order that you may file it along with your valuable papers. I think it would be well to let some of our old friends are usy massifing away, but it is most refreshing to recall the br-gone days and lave a letter from my old friends are usy massifing away, but it is most refreshing to recall the br-gone days and lave a letter from my old friends are usy massifing away, but it is most refreshing to recall the br-gone days and lave a letter from my old friends are usy massifing away, but it is most refreshing to recall the br-gone days and lave a letter from my old friends are usy massifing away but it is most refreshing to recall the br-gone days and lave a letter from my old friends are usy massifing away but it is most refreshing to recall the br-gone days and lave a letter from my old friends are usy massifing away but it is most refreshing to recall the br-gone days and lave a letter from my old friends are usy constitutional Convention favored two comes.
