VARIOUS MATTERS GIVEN ATTENTION BY LEGIONNAIRES

Fine Attendance Marked the Second Regular March Meeting in Club Room on Friday Night. Discussion of various matters of business and fine attendance marked the second regular March meeting of the Fred Y. McConnell Post of the American Legion Friday night. Ideal weather resulted in unusually good attendance and much interest was manifested in the matters under discussion. It is probable that Mr. Lee, with three rides, will come to Concord under the auspices of the Legion the last week in April or the first week in May. Either date will be agreeable to the post, it was decided at the meeting. A committee was instructed to confer further with moving picture theater owners here relative to staging pictures for the benefit of the post. It is proposed to show the first of these pictures at the Pastime sometime in April. Facts about the loans to be made on bonus certificates by Veterans' Bureau were discussed by Co. W. M. Sherrill. No loans will be available until April first, and persons desiring such loans should write the Veterans' Bureau in Charlotte for proper blanks. These blanks will not be available until the first of the month, Mr. Sherrill said. A regular note form must be signed by the person desiring to secure the loan, which will be made for one year. In addition the person securing the loan must furnish an affidavit signed by a postmaster, notary public or Legion official stating that he is the rightly owner of the certificate.

KIWANIS CLUB HAS LUNCHEON MEETING AT HOTEL CONCORD

Musical Program Given by Miss Pat Adams and Mrs. Leslie Correll—George F. McAllister Speaks. The Kiwanis Club of Concord had its regular weekly luncheon meeting Friday at Hotel Concord. Prof. George F. McAllister, of Mt. Pleasant Collegiate Institute, told briefly of the history of the institution, what it had contributed to the community and of its needs. A musical program was given by Miss Pat Adams and Mrs. Leslie Correll at the piano. Miss Adams sang three selections which were greatly enjoyed by the members of the Club. The program Friday was in charge of C. W. Swink and Dr. T. N. Spencer, and it was announced that C. H. Barrier and Ebb White would have charge of the program at the next meeting. A committee composed of L. T. Hartsell, Jr., and Noel Reed, with Ebb White and E. B. Grady as alternates, was named to attend the meeting of the Kiwanis Clubs which will be held at Memphis, Tenn., in June. Matty—Have you heard how the automobile has lengthened life in the United States? Charlie—Prevents overexercise, I suppose. Matty—Not that so much, but it's cut down the deaths from old age about eighty per cent.

SERIES OF SERVICES COME TO END SUNDAY WITH THREE SERVICES

Dr. J. M. Clark, of Statesville, to Complete Series of Evangelistic Services at Bayless Church. The series of evangelistic services which commenced at Bayless Memorial Presbyterian Church Sunday will come to an end Sunday when there will be three services. The services are being conducted by Dr. J. M. Clark, of Statesville, superintendent of Homes Missions and Evangelist of Concord Presbytery. Dr. Clark preached Friday afternoon and had for his subject "The Holy Spirit." At the night service the people listened attentively to a heart-searching sermon on the subject: "What It Means to Be a Christian." The discussion was based on three passages of Scripture. The first is in Acts 11:26, the second in 1 Peter 3:15 and the third in Acts 28:28. "The word 'Christian' is used in no other passage of Scripture. Now to be a Christian means something, and that something can be seen in these three Scriptures texts as well as in other parts of the Scripture. The fundamental condition of being a Christian runs through these texts, and that is a 'change.' Change in nature, character, creed, and life. How is this change to be brought about? From John 3:16 and many other Scripture texts we learn that it is brought about by 'belief' in Jesus. What does this faith mean? One may have a historical belief in Jesus, believing in him in a life-giving way, to such extent that one is controlled and directed by Jesus." "Another thing that being a Christian means is found in Matt. 10:32; namely we must make a public confession of Jesus as our Savior and King. This we must do in word, in deed, and the actual every day life in our whole life. "Is that all that being a Christian means? No, that is only the beginning. Being a Christian means that we must live a life of consecration to Jesus. That is we must live a life of surrender to Jesus, surrendering our wills, desires, affections, ambitions—our whole selves to the will of Jesus that we may be just what he wants us to be and do only the things that he wants us to do. So being a Christian means a separation from the world; it means that we must present our bodies, even, living sacrifices to Jesus; it means that we must live a life of consecrated service to Jesus." Dr. Clark will preach three times tomorrow, 11 A. M.; 3 P. M.; 7:30 P. M. tomorrow will be the last opportunity to hear Dr. J. M. Clark in this series of evangelistic services. Do not fail to hear him. Welcome awaits you here at this church. BILLIE DOVE LONGS TO HOBBY CONTINENT. Pretty First National Actress Not Satisfied With Thrills of Picture Making. "I want to cross the continent dressed in my own clothes and not be arrested in some tank town as a 'hobo.' "Every woman and girl has some such wild ambition, and that's mine. Like the rest of the thoroughly foolish dreams most of us have, it will never be realized. But what fun it is to imagine it!" That's the ambitious line from Billie Dove, First National's newest star acquisition, who is featured with Lewis Stone and Lloyd Hughes in "An Affair of the Follies" at the Concord Theatre Monday and Tuesday. Miss Dove has had adventures on the screen that should satisfy any woman's ambitions to do "different" things. In the picture, for instance, she's a stage star who deserts her husband for one hundred per cent her millionaire admirer, the adoration of the "bald-headed row," and the lure of a stage career to marry a fifty-dollar per week clerk. Then she's such a wonderful little bride that he can't bear to part with her in the morning, so he's always late for work—and as a consequence is discharged. However, Billie points out that the adventurous dreams of many women are being realized, and that with woman's new "freedom" her sex is doing all sorts of things it never dreamed of doing before. She cherishes a newspaper clipping which reports that a third of the "hobos" arrested in certain towns each summer are women in men's clothing, and that small town jails are obliged to install matrons to take care of the problem! Local Men, Students at Davidson College, Receive Gold Footballs. Nevil Sappenfield, and Charlie Ritchie, both of Concord, received gold footballs Thursday night as members of the State Championship varsity football team of Davidson College for 1926. Flowe, alumnus of Davidson College, was also presented a gold football in recognition of his support of the team during the year. Three other alumni were given footballs for the same reason Mr. Flowe received his. Masculine Voice (on the phone)—Hello, is this North 2447? M. P. C. I. PRESIDENT ADDRESSES KIWANIS CLUB FRIDAY NOON

George F. McAllister Speaks at Luncheon—Enjoyable Musical Program Is Given For Club Members. Prof. George F. McAllister, of Mt. Pleasant Collegiate Institute, was the principal speaker at the luncheon meeting Friday of the Kiwanis Club held at Hotel Concord. Prof. McAllister gave a brief sketch of the history of the Mt. Pleasant Institute telling of the founding of the first institution in 1853. He said that it was closed during the War Between the States and reopened in 1896. The institution from its first year to date has graduated thirty classes, according to Dr. McAllister. He said that approximately seventy of the graduates were ministers, a large number were college professors, and that a large number of the graduates were making good in the business and professional world. Dr. McAllister spoke of the school as being a place which endeavored to develop character and to train the boys to be Christian boys and men as well as develop their minds by studying. "We would do well to consider the influence and environments that surround the youth. We should make them such that they will influence the youth in the right direction, to make them men and women of character who will stand for the better, the worth while things in life," he said. The needs of Mt. Pleasant Collegiate Institute were told by Prof. McAllister, who said that the institution needed additional buildings and more money for the endowment fund. He then stressed the importance of the work being done by the institution and said that with the aid and co-operation of the representative men of the community such as were members of the Kiwanis, Rotary and other clubs, that the institution could supply its needs and with a larger, better equipped plant could contribute more to the community and country than is possible with the plant as it is at present. GRANDSTAND WILL BE ERECTED SOON FOR HIGH SCHOOL. Members of School Board Authorize Committee to Make Plans For Erection of Stands at Once. Meeting Friday night members of the city school board appointed a committee to draw up plans for the erection of a grandstand on Webb Field at the high school. Representatives of the baseball association recently organized here met with the school board and offered plans as to the kind of stand to be erected. The committee from the board was authorized to confer further with the baseball committee. It is planned, it is said, to cut back part of the embankment which runs around one side of the field. This will make a regulation playing field and will leave sufficient space for the stands. An estimate of the cost of cutting down the field and erecting the stand has been secured by the baseball association and these figures were presented to the board committee. Under the plan being worked out a semi-pro team will use the field during the summer, after the school work has been completed for the year. The stands will be available in the future for all athletic contests to be staged by high school students. It is reported that plans for the semi-pro team to represent Concord this summer are being worked out. Just when the team will be assembled has not been determined yet, but a full playing season is provided under tentative plans adopted by the association. Wealth Behind Wallpaper. Paris, March 10.—A family in cleaning and repairing one of the rooms of an apartment they had just rented at Begles, near Bordeaux, found concealed behind the old wallpaper a bundle of National Defence bonds to the value of several thousand dollars. In 1825, at Chestire, England, Jack Jones defeated Patsy Tunney in a fight in a fight that lasted 276 rounds.

LOUIS CATON HIT BY CAR; MAN RAN AND MADE ESCAPE. Police Have Not Found Driver. Said to Be John Settlement. Two Women in Car Arrested. Louis Caton, twelve-year-old son of Mr. and Mrs. J. Alex Caton, of East Depot Street, sustained several bruises on the body and legs when he was knocked down by a car said to have been driven by John Settlement, originally of West Hickory. The accident occurred about 8 o'clock Friday night in front of the home of Mr. Caton. The boy was not seriously injured and was able to be at play this morning. The car that struck the boy was said to have been driven by a man who had two women, both of whom were said to have been wearing overalls, with him. After striking the boy the driver of the car stopped the machine and ran. Police officials questioned the women who were with the man but at noon today had not been able to arrest him. It was said today that J. H. Brown, welfare officer, and Deputy Sheriff Carl Honeycutt chased the car said to have been driven by Settlement from Kannapolis to Concord and were unable to catch the driver of the car who continued to swerve from side to side in the road to keep the officers from stopping him. The local officers kept track of the car after it reached Concord. He is understood that Settlement will be taken to Kannapolis when he is caught, as it was also said that he is under a suspended sentence there. Heads Davidson Student Body. Davidson, March 19.—H. M.
