THIRD GAME OF SERIES WON BY LOCAL HI TEAM

Coach Richards' Boys Play Good Brand of Baseball and Defeat Monroe by the Score of 12 to 3.

(BY JOE PIKE) Playing the third game of the season on the home diamond, the Concord Hi's ran wild with the Monroe boys Tuesday afternoon to the tune of 12 to 3. The game was hotly contested and was interesting throughout. Many thrills featured the fray, among them a pretty catch by Nash and a home run over the far distant center field fence by Watts, star center fielder and captain of the locals this season. This is one of the longest hits on record for Webb field, and it is hoped that he will soon repeat the performance.

Kestler, the latest find, broke his long non-hit record and uncoiled one of Mills' slants for one of the prettiest triples seen lately. He also played stellar ball around the initial bag. Johnston Irvin, pitched his first High School game with much success, letting Monroe down with only six hits and sending back ten by the famous strike-out route. The local boys connected up for nine hits, among them a home run, a triple and a double. Coach Richards' team as a whole showed excellent form, such as can be obtained only through much work and practice.

For Monroe, Whitley, Connell and Wilson showed up very well, but were not in the class with the locals. Wells, pitching for Monroe, did some very nice work but was hit hard by the Concord team.

The next game for the locals will be with Salisbury next Tuesday, and another victory is expected. Concord has won three games and lost none for this season, thereby having the best standing of any North Carolina team.

WILL SELL LAND WITH TAXES DUE FIRST OF JUNE

New Law Says That Land on Which Taxes Has't Been Paid Can Not Be Sold on May 1st, as Announced.

Cabarrus county residents who have not paid their county and state taxes will have until May 1st to pay them and then, if they are not paid they will be advertised for sale. It was said here today following the receipt of the new county laws that were passed at the last meeting of the legislature and which states that the land can not be sold until June 1st.

A list of the taxpayers who had failed to pay their state and county taxes was prepared by Sheriff R. V. Caldwell and ready for publication Tuesday when it was learned that the old law, which required that the land be advertised the first of April, be sold the first Monday in May and make a report to the county commissioners the first Monday in June, would not hold since a new county government act was passed at the last Legislature.

The new act, on which a ruling was released Tuesday by Attorney General Dennis G. Brummitt, states that the land on which taxes is due cannot be sold until June 1st. The act states that the land on which taxes have not been paid can be advertised for sale May 1st. The sheriff of the county is required to report to the board of county commissioners the first Monday in May on all unpaid county and state taxes, and the board of commissioners will order a sale of the land on which taxes is due the first Monday in June.

A report from Raleigh states that differences of opinion arose among the officials of the counties of the state about the new county act and Attorney General Brummitt was asked for a ruling on the new act and released it Tuesday.

It is believed that the sheriff's office that the majority of those that have not paid their taxes to date will have them paid between now and the first of May and thus save the additional cost of the advertising.

M. P. C. I. Cadets Play Gastonia Base Ball Team Friday

The base ball team of the Mount Pleasant Collegiate Institute will play the team of Gastonia Friday afternoon at 3:45 at Mt. Pleasant.

The cadet's team has proved to be an unusually good one and this season has won very game, six in number, that it has played. The coach said today that the team was one of the best that the Institute had put on the field for many years. The hitting of the players is unusually good, it was said.

The game with Gastonia Friday at Mt. Pleasant will be the second game of the year for the cadets with the Gastonia boys. The Gastonia team being defeated by the cadets Tuesday by the score of 13 to 1 when the two teams met at Gastonia.

MANY PERSONS ARE ATTENDING SERVICES HERE

Dr. John R. Jester, of Winston-Salem, Preaches on "Biggest Business in the World" Tuesday Night.

"The Biggest Business in the World" was Dr. John R. Jester's subject in the revival service at First Baptist Church Tuesday night. The visiting minister is gripping the hearts of his hearers with rousing messages. "If you know a person, then you can introduce that person to somebody else; and if you know Jesus Christ then you can introduce Christ to somebody else," said Dr. Jester. He was speaking upon the importance of soul winning, which he characterized as the "Biggest Business in the World."

The text for the message was found in James 5:20: "Let him know that he that converteth the sinner from the error of his way shall save a soul from death, and shall hide a multitude of sins."

"What are the qualifications for soul winning?" asked the minister. He then proceeded to answer the question by giving a number of conditions necessary to the accomplishment of this highly important work. First, there must be the consciousness in our own hearts that we have salvation. "It is not presumptuous to say I know I am saved; it is presumptuous not to say so. Paul in a wonderful declaration, declared: 'I know whom I believe. The blind man who had his sight restored, said: 'One thing I know, whereas I was blind, now I see.' Every true child of God can and should have a 'blessed assurance' of his own salvation; only then can he be a winner of souls."

Dr. Jester also gave other qualifications for the soul winner as recognition of the fact that sinners are really lost without Christ. "If I didn't believe that people are lost without Christ, I would not preach another sermon. It was because people are lost that Christ came into this world. I believe, with all my soul, that there is no possible way of salvation outside of Christ. 'Christ came to redeem men from a lost condition—a condition of salvation and usefulness. It's your business, and my business, to bring folks to this mighty Christ, and there is no other business on this earth that is as big and as important as the soul winning business."

"The responsibility of souls rests upon us; we cannot escape this responsibility and we are failing as individual Christians, and as a church. If we fail to win souls, it matters not how fine a church building, how much culture, equipment, wealth, or what not we may possess, we are failing at our main task if we fail to bring souls to Christ."

Dr. Jester announced for his subject tonight: "A Forgotten Truth." This afternoon at the 3 o'clock service he speaks on "An Old Fashioned Revival."

The music is one of the features of the services. C. H. Kleppelburg is directing a fine spiritous song service each evening before the sermon. Last night the male quartet of the church, composed of Messrs. Agee, Preslar, Morris and Joiner, rendered a beautiful selection. Tonight Miss Elizabeth Baumgardner is expected to sing.

HOLD DEMOCRATIC PRIMARY IN CITY ON SATURDAY, APRIL 9

Twelve Candidates Have Announced For Ten Offices Which Will Be Opened in City This Year.

The Democratic primary for the city of Concord will be held Saturday, April 9th, between the hours of 2 and 6 o'clock in the afternoon. The Democrats of the city will nominate a mayor, six aldermen and three school commissioners. The primary Saturday in all probability will name the men for the offices for a very bright vote is expected at the election to be held May 3rd.

Twelve men are offering for the ten places that will be open. No one has announced as a candidate for mayor since Mayor C. H. Barrier announced some time ago that he would be a candidate to succeed himself. The following members of the board of aldermen announced at the same time as Mayor Barrier that they would be candidates for re-election: Alex R. Howard, Ward 1; W. A. Wilkinson, Ward 2; H. C. Hahn, Ward 3; J. G. McEachern, Ward 4; R. A. Hullender, Ward 5; and J. T. Sapp, at large. Since the announcements as candidates for aldermen were made W. L. Klutz, announced that this would be a candidate for alderman from Ward 5. Mr. Klutz will oppose Mr. Hullender, the present alderman from that ward.

The three members of the school board whose terms expire this year, L. T. Hartsell, Sr., of Ward 1; Dr. R. M. King, of Ward 4; and J. I. Hartsell, at large, have announced that they will be candidates to succeed themselves. Only one of these three candidates will have opposition in the coming race. He is Dr. King, of Ward 4, who will have opposition in the person of A. Campbell Cline. Mr. Cline announced several days ago that he is a candidate for school commissioner from that ward.

DENNY, OF Y. M. C. A., HAS RESIGNED AND WILL LEAVE CITY

Popular and Efficient Physical Director Will Take Up Duties as Director Erwin Mill at Durham.

J. W. Denny, who has been physical director of the Y. M. C. A. of this city for nearly four years, announced today that he had tendered his resignation to the board of directors of the Y. M. C. A. during last January and would leave Concord within the next few weeks.

Mr. Denny stated today that he had given his resignation last January to take effect July 15 and that since he offered his resignation that he had been accepted and accepted the position of director of the auditorium and Community House program of the Erwin Cotton Mills at Durham. The work at Durham will be very similar to the work of the "Y" here, it was said.

The work that Mr. Denny will be director of at Durham covers various extension and vocational classes and an athletic program that will meet every need for social and recreational life for the residents of that community. Mr. Denny said today that the director at the community house of Erwin Mills has a magnificent program worked out there. He said that the building was owned and the program of work was supported by the Erwin Cotton Mills for the people of the mill.

Since Mr. Denny has been in Concord he has done a splendid work among the young people of the community, conducting a health and gymnastic program that was one of the best to be found in any city. One of the greatest works that Mr. Denny has been carrying on, has been the daily health classes conducted in the schools of the city. Through this daily program practically every child in the city has received these health exercises.

The winner of the tournament held annually in London for the amateur billiard championship of the British Empire receives a magnificent silver trophy, three feet in height.
