COOLIDGE WILL GIVE MEDAL TO CONCORD WOMAN

Mrs. R. E. Ridenhour, Sr., to Receive Medal From President For Having Formed Three Living Flags.

Mrs. R. E. Ridenhour, Sr., regent of the Cabarrus Black Boys chapter of the Daughters of the American Revolution, will receive a medal with two gold stars from the President of the United States on April 21st.

The medal, which will be presented Mrs. Ridenhour by President Calvin Coolidge, is the patriotic service medal of the United States Flag Association. It will be presented Mrs. Ridenhour by the President on the occasion of the White House reception to the D. A. R. during the annual meeting in Washington.

Mrs. Ridenhour has received a notice from James A. Moss, colonel of the United States army, retired, and director general of the flag association, stating that the medal with two gold stars would be presented her by the President.

It will be an unusual presentation service for Mrs. Ridenhour and others who will receive similar medals, as it will be the first time that the President of the United States has presented other than a government decoration at the White House. A letter received by Mrs. Ridenhour states in part as follows: "The fact that, as far as is known, this will be the first time in the history of the nation for a decoration other than a government one to be presented by the President of the United States at the White House."

Mrs. Ridenhour will receive the medal and the two gold stars for having formed three living flags. Two of the flags that she has formed are of children and one is an adult flag. Mrs. Ridenhour is now forming the fourth flag and will have forwarded to headquarters the names of those composing this flag before she leaves for Washington.

These flags are being formed in every state under the auspices of the flag association to commemorate the sesqui-centennial of the adoption of the flag by the American Congress in 1777. Each flag consists of a "flag staff," or organizer of the "living flag," a blue field, forty-eight stars and thirteen stripes. Every person who becomes a component part of such a "living flag" automatically becomes a life member of the United States Flag Association, pledged to uphold the principles and ideals for which the flag stands.

MORE BIRTHS THAN DEATHS REPORTED HERE LAST MONTH

Vital Statistics Show 48 Births and 19 Deaths Reported During March For City of Concord.

Forty-eight births, a majority of which occurred last month, were reported by W. M. Sherrill, registrar of vital statistics for Concord, in his report to the State Bureau of Vital Statistics for March.

For the month 19 deaths were reported to Mr. Sherrill, the figures show, 18 of them occurring in March.

Forty-four of the babies reported to Mr. Sherrill during the month were white, the colored total being far below the average, he said. Twenty-five of the 48 were males, the total being about the average for 1926.

Two stillbirths and three premature births were included in the total, the figures show, and three of the babies were registered as illegitimate, two of the three being colored.

Apoplexy and stillbirths led as the cause of deaths, there being five of each. Influenza and pneumonia, causing four deaths, while cancer was responsible for the death of two persons. The total for tuberculosis was lower than usual but one death being attributed to this malady.

Ten of the persons who died during the month, the report shows, were males and three of the 19 were colored.

One set of twins was reported but they lived but a day, being premature.

The white babies reported during the month, excluding the stillbirths and premature ones, included:

KNOWLES HELD IN COUNTY JAIL IN DEFAULT OF BOND

Alleged Bigamist Bound Over to Superior Court After Preliminary Hearing Held Here.

R. K. Knowles, aged 27, employee of the Cannon Manufacturing Company who was arrested Wednesday by city police officials on the charge of alleged bigamy, was bound over to Superior Court under \$500 bond following a preliminary hearing Friday afternoon at recorder's court before Judge A. B. Palmer, when probable cause was found. He was committed to the county jail in default of the bond.

At the hearing Friday, Mr. Knowles did not testify. L. A. Talbirt, chief of police, and B. A. Widenhouse, sergeant of police, testified that Knowles and stated to them that he married the second woman Saturday at York, S. C., and that he had not gotten a divorce from his first wife.

A marriage certificate from York, S. C., was introduced as evidence. The certificate stated that he had married a young girl of Concord in the South Carolina town, Mrs. Mamie Lee Knowles, first wife of Knowles, testified that she married him several years ago.

Knowles was arrested Wednesday on a warrant sworn out by Mrs. Mamie Lee Knowles, his first wife. She charged him with bigamy. When seen at the county jail Thursday Knowles admitted that he had married the second woman and that he also knew his first wife was still living. He said that he had not lived with his first wife for some time and that he has a suit entered in the Mecklenburg County Superior Court for a divorce from her. He also said that the divorce hearing would be given in Charlotte within the next few weeks.

Following his arrest, he said that he was sorry that he had not waited to secure his divorce and that he loved the second woman he married and would marry her again as soon as the bigamy charge was settled and he had a divorce from his first wife.

It has been reported that Knowles' first wife and the second woman he married in the South Carolina town had visited him at the county jail.

R. K. Knowles, alleged bigamist, was released today at noon when he made bond of \$500 for his appearance before the Superior Court. Bond was set at a preliminary hearing Friday afternoon when probable cause was found on the charge of bigamy.

MANY CONTINUE TO HEAR JESTER AT CHURCH HERE

Winston-Salem Minister Delivers Powerful and Forceful Sermons at the First Baptist Church.

Notwithstanding the disagreeable weather of Friday good sized congregations attended the afternoon and evening evangelistic services now in progress at the First Baptist Church. Dr. John R. Jester, pastor of the First Baptist Church of Winston-Salem, who is assisting the pastor of the church, Rev. C. Herman Trueblood, in these special services, delivered two strong messages at Friday's meetings.

In the afternoon the preacher drew some fine lessons from the life of Daniel. These lessons were summed up as: Memory, habit, purpose and conviction. It was a most timely message and received rapt attention from the goodly number who had come through the downpouring rain to hear the visiting minister.

At the evening service Dr. Jester delivered one of his most forceful and searching messages. The text for this sermon was from Hebrews 3:7: "Today if ye will hear his voice, harden not your hearts."

"God will not smother the human will," asserted the minister. "The human will must be open; it must respond freely to the call of God; there will be no compulsion on the part of God."

"People do harden their hearts against God's only design for their real and permanent good. Under the dominance of sin, hearts are hardened and steeled against the God of our salvation."

Dr. Jester pointed out the fact that the text did not apply solely to the unsaved. In fact the text, he declared, was addressed primarily to those who were supposed to be followers of God. "Through indifference, prejudice, envy, an unforgetting heart, and the 'deceitfulness of sin,' many a church member has had his heart hardened against God, and thereby lost his joy, and destroyed his usefulness," said the minister.

Dr. Jester gave the following specific hints by which people harden their hearts:

Heeding eight impulses, speculative inquiries, acting an attitude of levity, becoming a mere formalist, recklessness, hiding behind the inconsistencies of other and procrastination.

Dr. Jester will preach Sunday at all of the regular hours of worship in the church. There will be no services in the church today.

MISS JOHNSON'S CONDITION STILL EXTREMELY GRAVE

Parents and Brother and Sister of Injured Teacher at Bedside.—Was Injured on Thursday Afternoon.

The condition of Miss Maxine Johnson, teacher of English at Winecoff High School who sustained a badly fractured skull Thursday afternoon when struck by a baseball bat, remains very serious, according to a statement made today by attaches at the Concord Hospital.

Miss Johnson is conscious at times, it was reported and "about as she was yesterday, and that means in a very serious condition," the report from the hospital stated.

The parents of Miss Johnson, Mr. and Mrs. P. J. Johnson, of Pantego, Beaufort County, and her brother, Wilbur Johnson and sister, Miss Mildred Johnson, are at her bedside.

The father of Miss Johnson is North Carolina State Senator from Beaufort County.

Miss Johnson was struck on the head by a baseball bat which slipped from the hands of a player in the game Thursday afternoon between Concord and Winecoff High Schools at Winecoff. The bat struck with such force that it was broken and a splinter of wood penetrated the brain of the young teacher.

This year was the first one for Miss Johnson to teach at Winecoff. She finished at Greensboro College for Women in the Class of 1926 and was an honor student.

Free of Husband But Not by Razor Method.

Charlotte, April 8.—The sister of the former Nellie Freeman, noted slayer of her husband by means of a razor, got rid of her husband today in Mecklenburg superior court. The sister, Mrs. Lila Estelle Ezman, of Mecklenburg county, did not use a razor however, but got a divorce. Mrs. Ezman was accompanied at the divorce trial by her razor-using sister, now Mrs. Nellie Hatley of Concord. She testified that her husband had deserted her and their five children and had been unfaithful to her.

Gastonia High Team Visits City.

Coch Pat Crawford and his baseball team of the Gastonia High School, were in the city Friday afternoon and part of the night, visiting at the Y. M. C. A. The Gastonia team was to have played the Mt. Pleasant Institute at Mt. Pleasant Friday afternoon, but the game was rained out.

The Gastonia boys, who are to play the Winston-Salem High School in Winston-Salem today, spent their time at the Y. M. C. A. Friday afternoon, where they enjoyed all the privileges of the Association. A moving picture of the Gastonia-Concord football game which was played last fall, was shown the boys by Mr. H. W. Blanks, Secretary of the Y. M. C. A.

The members of the Gastonia team were loud in their praise of the Y. M. C. A., and expressed their desire of having an Association building in Gastonia. As it was stated by them, the boys of Gastonia have no place to "hang" except on the street corner, and it is their belief that a Y. M. C. A. such as Concord has, would be a great help.

Its Refrigerator Time

Are you planning to buy a new refrigerator? If so, why not let us show you the "LEONARD CLEANABLE?" The refrigerator that will mean an investment to you instead of an expense.

A refrigerator must be something more than a box for ice and a place to store food. It must keep the food cold and it must keep it cold by a constant circulation of pure, dry air. It must also be so constructed that it can be kept constantly clean, otherwise germs will gather and not only destroy the food, but seriously menace the health of the family.
