## CLOSING EXERCISES FOR BROWN-NORCOTT TO BE HELD FRIDAY

**Rev. R. M. Courtney to Deliver Address at Exercises at the School Thursday Night.**

The closing exercises for the Brown-Norcott school will be held in the school auditorium Thursday and Friday, April 28th and 29th. The closing exercises will mark the end of a very successful term. Under the direction of Ed. B. Joyner, principal, the school has made wonderful progress during the last few years and now rates as one of the best elementary schools in Cabarrus county.

Thursday night at 7:30 o'clock the primary department will present a very interesting program consisting of songs, drills and plays, including a dramatization of "Mother Goose." This program will be followed by another which will consist of the graduating exercises and an address by Rev. R. M. Courtney, pastor of Central Methodist Church. Certificates of graduation will be presented to Mary Belle Boyd, Ola Mae Belk, Artie Lee Cullins, Cornelia Henrietta Yates, Myrtle Lee Benton, Margaret Virginia Blackwelder, Mildred Virginia Staten, Katie Lee Bennick and Roy Lee Hinson.

Following the presentation of certificates to the members of the graduating class, library reading course diplomas, certificates of perfect attendance and several prizes will be awarded to different pupils. The scholarship prize for this year goes to Miss Myrtle Benton, whose average is 97.

Friday afternoon at 2 o'clock the annual track meet will be held. This will consist of various athletic contests and games. Also a beautiful pageant, "Crowning the May Queen," will be given on the lawn.

Friday night at 7:30 the upper grades of the school will present a program of choruses, drills and several short plays. The public is cordially invited to all the final exercises of the school.

The faculty of the Brown-Norcott school consists of Mr. Joyner, principal, with Misses Pink Wilford, Helen Widenhouse, Mary Belle Cannon and Ruth Cannon.

## MAYOR BARRIER IS ONLY CANDIDATE WITH OPPOSITION

**G. L. Fisher Is Named by Friends as Candidate For Mayor in City Election on May Third.**

Concord voters still refuse to become excited about the municipal election next Tuesday. Rumors of independent candidates have been rather persistent but so far as public announcements are concerned, only one candidate named by Democrats in their primary will have opposition.

That candidate is Mayor C. H. Barrier, friends of G. L. Fisher having announced several days ago in The Daily Tribune that they were supporting him as the mayor's opponent.

It was rumored several weeks ago that members of the school board would have opposition in the election but so far no candidate has announced or been announced as opponents for the Democrats named in the primary.

The announcement of Mr. Fisher's candidacy was signed by "Citizens," this being unusual in view of the fact that such announcements in most instances are signed by the candidates themselves.

It is presumed that the announcement has Mr. Fisher's approval since he has not stated that he is not a candidate.

Unless all signs fail the vote next Tuesday will be light. There were less than a thousand voters cast in the Democratic primary and the total in the election may be as small unless the next several days bring out some campaign issue or more candidates.

## CLOSING EXERCISES FOR RURAL SCHOOLS WILL BE SATURDAY

**Dr. John H. Cook, of Greensboro, Principal Speaker.—Orchestra From Mt. Pleasant to Play.**

Graduating exercises for the pupils of the sixth and seventh grades of the rural schools of Cabarrus county will be held here Saturday at 1:30 o'clock at the High School auditorium.

The principal address of the commencement exercises will be made by Dr. John H. Cook, dean of the Department of Education of the North Carolina College for Women, and the diplomas, certificates and other awards will be made by J. B. Robertson, superintendent of rural schools for the county.

A feature of the exercises Saturday will be the musical program which will be presented by the Mt. Pleasant orchestra composed of students of Mt. Pleasant Collegiate Institute and Mount Amona Seminary. This orchestra has won applause on every occasion it has played this season and is now playing return engagements at several places.

The music of the orchestra promises to please as the majority of the numbers to be given are old-time popular numbers.

What is Tolerance?  
 In an effort to clear up the loose use of words, The Forum magazine has been running a series of definition contests. Each month a new word is announced, and readers of the magazine are invited to send in their definitions of what each word means to them. Among the words so defined have been "fundamentalist," "good sport," "natural," "the perfect child"—while "heaven" is to be thrown open for definition in an early issue.

In the May number the word to be defined is "tolerance," and here is a choice array of the definitions submitted.

"Tolerance," according to The Forum's readers, is:—  
 "What makes the business head writhe in his chair when the college graduate walks in and sits on his desk, asking for a job."  
 "The child of common sense and a sense of humor."  
 "That state of mind which regards truth as being always relative and never absolute."  
 "The recognition of truth and goodness wherever you come in contact with them."  
 "An indifference, good-natured or cynical, to that which one knows to be wrong."  
 "Suppressed contempt."  
 "The ability to endure the windy trades of certain old people on the subject of politics, religion, 'the good old times,' or the unspeakably degenerate younger generation."

**Model Man Found In Anson.**  
 If everybody was like a certain Anson county citizen the doctors and drug stores would have to go out of business, the tobacco factories would have to close down, the farmers would have to stop raising the land and the booze euphoriums would have to cease operations.

S. Baucum, of Burnsville township, Anson county, writes to the Wadesboro M. & L. that he is 75 years old, has never been sick in his life and has never taken a dose of medicine prescribed by a doctor. He has never taken a drop of liquor, never bought a plug of tobacco, does not chew smoke nor dip snuff. He was born on the 21st of February and has a birthday every four years.

## CONCORD MEN-BUY LENTZ PROPERTY; MAY ERECT PLANT

**Rumor Has it That John G. Parks Will Be Connected With New Hosiery Mill in Mt. Pleasant.**

John G. Parks and G. Ed. Kestler, both of Concord, purchased part of the L. A. Lentz property in Mt. Pleasant Tuesday, the property being sold so the Lentz estate could be settled. The purchase price was given as \$30,200. The property faces on Main street, near the business section of Mt. Pleasant. Included in the purchase were a store building, house and several vacant lots.

It is rumored here that a hosiery mill may be erected on this property, it being learned from authoritative sources that prominent men of Mt. Pleasant have approached Mr. Parks in regard to the matter. Mr. Parks recently sold his interests in the Parks-Belk stores and is known to have given serious consideration to several hosiery mill propositions made to him within the past several weeks. At the time he sold his Belk stock, it has been reported, Mr. Parks was considering moving to Tennessee to engage in the hosiery business but the purchase by him of the Lentz property has led to new rumors that he will be connected with a knitting mill to be erected in Mt. Pleasant. It is said further that should the mill be erected it will make full-fashioned seamless silk stockings.

Mr. Kestler and Mr. Parks could not be reached here today to verify rumors concerning their plans in Mt. Pleasant.

**COUPE STOLEN IN WARRENTON FOUND IN CITY MONDAY**

**Car Is Property of Mrs. O. D. Williams and Her Husband Came to Concord Monday For It.**

A Ford coupe, the property of Mrs. O. D. Williams, city nurse at Warrenton, was found by Concord police Monday and returned to the owner this morning.

The coupe was abandoned here sometime Sunday night and Mrs. Williams was advised of the fact when the State license bureau advised local officers of the owner. Mr. Williams came to Concord during the night and returned with the car this morning. The thieves took nothing from the car but the spare tire, and so far as could be seen the Ford was not damaged. Police believe the car was driven here by Concord men who abandoned it on Buffalo street.

Mr. Williams told officers the car was stolen Sunday night between 8 and 9 o'clock while he and Mrs. Williams were at church. The thieves evidently drove straight to Concord as the car was seen here shortly after midnight Monday morning.
