A Sound Sleeper.

John Larkin, of New York, ate a big dinner and got awfully sleepy. With effort he found his way to the elevated railway and waited on the platform for the next train. John got sleeper and sleeper and just as the train was approaching he stepped on the platform onto the track. He was sound asleep when the first car passed over him. The conductor had seen him fall and brought the train to a stop as soon

as he could. It was necessary to jack the wheels of the car up in order to extricate the man. He was still sound asleep. Examination showed no injuries except a dislocated shoulder caused by his fall.

Bible Thought for Today

Peace and Security—I laid me down and slept; I awakened; for the Lord sustaineth me. I will not be afraid of ten thousands of the people, that have set themselves against me round about. Psalm 3:5, 6.
Prayer—Lord, we know that thou dost watch over us and dost neither slumber nor sleep.

Treat 'Em Rough.
"My dear," said the host to his wife, on her finding him in the bedroom with a damp towel clasped to his head, "I can't possibly stand those people any longer. I've got a splitting headache."
"But," said his wife, "I can't possibly ask them to go home. They are our guests, remember."
"Certainly you can't put them out," he agreed, "but don't you think you could go and seat yourself at the piano?"

MR. FARMER: WE WANT YOUR POULTRY, EGGS AND BUTTER FAT.

We cannot pay fancy prices for the reason that the market is low this year on account of over production, but you can sell a 2 pound rooster now for more money than you can get for him when he is a 4 pound stag or an 8 pound cock. Why waste feed on him? Sell him now and let the pullets grow.

We want your cream and are still paying 36 cents per pound for Butter Fat. Why sell your Butter for "SOAP GREASE" prices? Let us buy your cream all the year round. We have more than a hundred satisfied cream patrons and we can satisfy you.

We are distributing more than a Thousand Dollars per month among the farmers of Cabarrus County for Butter Fat alone.
