## Superior Court Will Open On Monday Town Of West Jefferson To Have Clean-up Weeks

#### April 16-28 Will Be Designated As Cleaning Time

Mayor Parsons asks The Cooperation Of All Citizens In Organized Effort

West Jefferson is to have two clean-up weeks from April 16-28, according to a decision reached by the board of aldermen and mayor at the meeting on Friday evening when plans for the event were discussed.

Business houses as well as residenses are expected to clean-up premises and to assemble all rubbish so that it can be hauled off by the garbage collection department during this period, it was pointed out.

Mayor Parsons asked that everyone cooperate in this general spring cleaning and that a special effort be made by the business houses as well as others, to keep all rubbish collected so that it will not blow over the town.

The board of aldermen called attention to an ordinance published elsewhere in this paper today, regarding the disposal of trash and rubbish.

Following this general period of cleaning up the town, it is manned to announce specific collection days in order that the garbage may be handled with little trouble and the appearance of the town improved. Plans for the extermination of rats are also expected to be worked out.

ident, Is Speaker At Rotary Club

Postwar goals for the Jeffersons and Ashe county were presented to the Jeffersons Rotary club last the drive to collect used clothing Thursday when Publisher Ed M. for the needy people of the war Anderson, former president of the organization, was guest speaker.

Anderson, who was presented not done so to bring their conby the program chairman, Sharpe S. Shoemaker, reminded the tributions in to the various comgroup of many plans previously discussed as well as a number of new ones, which would be of benefit to this section.

In outlining postwar plans he spoke first of employment. In discussing men in service in this connection, he said, "We must see that these men are integrated and happily situated back in the normal routine of peaceful liv-

He sighted farm, industrial, agricultural and other goals that would not only solve the employment problem, but would mean much in the further development of the county.

He praised the club for the fine fellowship as well as the work the organization is doing.

Jack Graybeal, of Fig, is the Junior Rotarian for the month, and was present.

Miss Ruth Tugman Is Chairman; Funds Are To Be Collected

The Cancer Control Drive is now underway in Ashe and in addition to the educational phases of the drive, funds will be collected to fight this great enemy of mankind.

The schools of the county have een given literature on the drive and it is hoped that through education that some cases of this disease may be discovered in time and cured. The schools will have airmail stickers to sell for contributions to the fund.

Other solicitations will be made of the business houses, Miss Ruth Tugman, chairman of the drive, said.
