20 Registered Animals To Be Sold At Auction; Prizes To Be Awarded

A large number of dairy farmers from this area as well as others, are expected to attend the purebred Guernsey cattle sale to be held here on Saturday, when animals from some of the best herds in the state will be entered.

The sale will be sponsored by local business men in cooperation with the North Carolina Guernsey Breeders Association, N. C. Extension Service and local milk companies.

This is the second event of its kind to be held in the county and due to the interest shown in the initial sale last fall, this sale Saturday is expected to draw a large crowd of dairymen and others interested in the improvement of the dairy program through better breeding. The sale will open at 12:30 promptly at the shed of the Farmer's Bean and Vegetable Market.
