The grand jury found probable cause in this case on Tuesday and a special venire of 100 men was drawn from which to select the jury for this case. Much of the day yesterday was taken up with the selection of the jury. Those chosen to serve on the case are Conley Harless, A. R. Kilby, S. A. Hamby, Robert L. Cox, W. E. Phillips, Q. R. > The defense put Fielding Petty, Jr., on the stand as its first witness. He admitted his relations with the girl and also admitted that he had been drinking. The case is expected to be concluded today.

The next major case scheduled for trial during this term of court is that of Mrs. Daryl Bare, charged with manslaughter in connection with the fatal shooting of Guy Bare, last August. Because of this it is expected that court will continue through this week at least. There is also a possibility that it might be continued into next week.
