County Made Record In AAA Grass Seed Plan

To Discontinue Seed Order; Farm Allowances Are To

During the past few weeks Ashe county farmers have received AAA purchase orders for more than one hundred thousand pounds of grass and clover seed, which is believed to be a record amount since records for the State show there was only : "ound one million pounds issued for the entire state.

AAA officials pointed ou that if this seed was properly used it would prove to be a great help in the improvement of pas $ur \varepsilon s$ in the county and would also tend to increase the dairy 1 program. Members of the Ashe ... AA committee said that they wished to thank all seed dealers for their splendid cooperation in putting this program across "It should mean much to the cou one member declared.

The annual debating contest sponsored by the Rotary Club was won this year by Dawes Graybeal and Thomas Roberts, Lansing High School's negative team.

They were victorious in the semi-finals at Jefferson April 21 when they met Jefferson's negative team. On Thursday night, April 24, they were guests of the Jefferson's affirmative, Ann Francis and Billie Oliver. These four final contestants receive medals from the club, and Lansing receives the debating cup, which, since it has been won for the second consecutive year by this school, may be kept in permanent possession.

The victorious team has won every debate in which it has engaged this year. A state debate was held earlier at Jefferson here this week. where Lansing's negative won over Boone's affirmative team.
