

Finishes Six Weeks' Course Of Intensive Instruction

Avery B. Graybeal, Jr., of G-F-P Chevrolet Co., Inc., West Jefferson, N. C., was among 43 students recently graduated from the 19th session of the Chevrolet Post-Graduate School of Modern Merchandising in Detroit. Here Graybeal is receiving his diploma from M. E. Coyle, executive vice president of the General Motors Corporation who officiated at the graduation on behalf of the Chevrolet school. The students completed a six-week course of intensive instruction in the operation of a modern Chevrolet dealership, included among the graduates were men from all parts of the United States, from Canada, Switzerland and India.

Tune Playing Teaches Breath Control

To play a merry tune teaches breath control to this youngster, who is having speech therapy. Speech therapy is a basic service to the handicapped in education, in community living, and in job placement. It is only one of the many services made possible to crippled children by your purchase of Easter Seals under the sponsorship of the Jeffersons Rotary Club.

Leaders Discuss Plans For Field Day For Ashe Schools

At a recent meeting of school principals a committee, composed of J. B. Hess, of Jefferson school, James A. Stanley of Flatwood and Bob Davis of West Jefferson, was appointed to meet and discuss plans for holding an athletic field day for the schools of the county.

This committee with Mr. Hess as chairman, met at Jefferson school, Monday, and made the following plans:

A committee was appointed for grades 1 through 4, one for grades 5 through 8 and one for grades 9 through 12, to set up events and make rules and regulations for governing these events.

This special committee is to meet in a called meeting to decide on contests, rules and regulations and should announce through the Skyland Post, or send to the principal of each school a report naming events, rules, etc.

Results for each group will be tabulated by the special committee, signed by all three members and turned over to the general

committee. Individual winners and schools making highest score will be on prepared blanks for this committee for this purpose. Announcements will then be made with reference to winners, scores, etc.

On the day scheduled for the events, the central committee will have power to appoint any committee, or helper, to replace any one previously appointed, but failed to report for duty, so as to keep contests in all groups moving as rapidly as possible. It is the desire of the central committee to keep events in all three groups going on at the same time.

The following committees were appointed:

Primary grades — Dale Atwood, (Chairman), Jewel Robinson Miller, Ruth Colvard.

Grammar grades — James Miller, (Chairman), Thelma Shep-

herd, Oscar Houck.
High school — C. E. Francis, (Chairman), Frank James, Mrs. Irene Cox.

Committee to secure grounds — Glenn Miller, (Chairman), Mrs. A. B. Hurt, Mrs. Dean McMillan.

It was decided that the date for the field day events would be April 23, at 12:30 p.m.

It was explained that each committee shall select their own judges, also set up rules and regulations for the events.

Committees for each group will meet March 29, at 2:30 p. m., at Jefferson high school, to plan

events, make rules, select judges, etc. Chairman of each committee shall notify each school of plans regarding rules, events, etc., it was explained.

CARD OF THANKS

We wish to express our thanks to all our friends and relatives for the kindness and help shown us during the sickness and death of our husband and father, Mrs. D. D. Weaver and family.
