A QUESTION ABOUT Brown's Iron Bitters

ANSWERED. The question has probably been asked thousands of times. "How can Brown!" Iron Bitters cure overthing?" Well, it doesn't. But it does cure any diemage for which a reputable physician would prescribe 1909. Physicians recognize Iron as the best reasonative prent known to the profession, and inquiry or any leading chemical firm will substantiate the assertion that there are many preputations of the than of any other substance used in medicins. This shows constraintly that from is acknowledged to be the most important factor in successful medical practice. It is, however, a remarkable fact, that prior to the discovery of BROWN'S IRON BITTE IRS no perfectly satisfactory from combination had ever been found.

BROWN'S IRON BITTER does not mure been doubt and a produce construction—all ether iron headache, or produce constinction—all other iron medicines de. BROVN'S IRON BITTIES cares indigestion, Editourness, Wenkness, Drapepala, Elalaria, Chilis and Pevers, Tired Feeling, General Mehicu, Pala in the Side, Back or Limbs, Headache and Neural-gia—for all these ailments Iron is preprihed daily. BROWN'S IRON BITTERS, however, does a schule. Like all other therough medicines, it acts slowly. When taken by men the first symptom of henceft is renswed onergy. The muscles then become frome, the digestion improves, the howels are active. In some the effect is usually more rapid and marked. The cyes begin at once to brighten; the skin clears up; healthy color comes to the cheeks; nervousness disappears; functional derangements become regular and if a nursing mother, abundant mistenence is cappilled for the child. Remaining Brown's Iron Bitters in the ONLY iron medicine that is not injurious. Physicians and Draggists recommend it. The Genuine has Trade Mark and crossed red lines on wrapper TAKE NO OTHER.
