Person Co., Meigs Co. Ober & Son's Co., Baltimore, Md. - I have used your tobacco compound for several years. In comparison with any other tobacco, it is the best I have ever used, and I think it would be a good idea to try anything better. And while the tobacco crop fired badly, I had no trouble with it. Ober's, neither did any of my neighbors who used it. I expect to use it in the future to the exclusion of all others. Yours truly, JOHN HANCOCK.

Roxboro, N. C. G. Ober & Son's Co., Baltimore, Md. - I can truly say that Ober's Special Compound for Tobacco is the best for the best tobacco, the application of which causes tobacco to grow of fine quality, gives it a good body, ripens early giving it a good, yellow complexion.
