Register, Democrats! only one more day left.

The firm of Pass & Critcher Bros., has been dissolved by mutual consent. See notice elsewhere.

The largest crowd we have seen in many a day was here Friday to hear Senator Vance.

Mr. H. D. Foushee will please accept potatoes for a nice lot of fine sweet potatoes.

What about the meeting looking to the best means of handling the tobacco when the Roxboro market opens.

With two substantial banks and as well efficient as ours, the Roxboro tobacco market will be on a solid basis.

The communication in reference to the marriage of Miss Hattie Ivey to Mr. J. H. White was unavoidably crowded out, will appear in our next.

The most prominent white Republicans say "courthouse ring must go. What better authority can we have to oust the last one of them.

When the Legislature meets in January next, The Roxboro Land & Loan Co., will get a new charter under the name of The Peoples' Bank of Roxboro.

We are glad to learn that Mr. A. F. Barrett stood a very creditable examination before the State Board of Pharmacy last week, and is now a full fledged Pharmacist.

Democrats, work from now until the going down of the sun on the evening of November 4th, as you have never done before, and victory will be ours.

Our business men should use every means possible to make the tobacco market of Roxboro a success. To do this it will take the united effort of all. One or two men can't do everything.

The time is drawing near when our tobacco market will open, and our citizens should be making some arrangements to handle tobacco. What say you citizens of Roxboro to holding a meeting to discuss the best means of handling the tobacco as it comes on the market?

The report that if I am elected Treasurer of Person county I am going to get somebody else to attend to the business of the office, I denounce as false. If elected Treasurer of Person county I shall handle the funds and do the business of the office myself. C. B. BROOKS, Dem. Candidate for Treas.

The Stockholders of the new Bank last Wednesday, made wise selections in their officers. The President, Mr. J. A. Long, has never undertaken anything that success did not crown his efforts. The same can be said of Mr. J. S. Merritt, the Vice-President. And the Board of Directors are all successful business men but two, and they are successful farmers.

In another column will be found the advertisement of Messrs. Winston & Son, the oldest and largest Furniture dealers of Lynchburg, Va. The firm was established in 1815, and by their honest and faithful attention to business have succeeded as such a policy always does. We were shown over their mammoth establishment and can truthfully say that we were astonished at their immense stock and such remarkable low prices.

The organization of the New Bank in Roxboro last Wednesday was an important event for our town. As a tobacco market we will need all the money that two banks can bring us. In this enterprise no one deserves more credit than our popular young friend, Mr. J. S. Merritt. He has been active and persevering in his efforts to enlist the co-operation of the moneyed men of our county and of capitalists in other places. For his efforts and success he has as he deserves the congratulation and thanks of our whole town. In any move that has for its purpose the rebuilding of Roxboro, Mr. Merritt is relied on to give efficient aid. He is ready, willing, active, and has the talent of always "getting there."

Best Cream Cheese—quality guaranteed—try it. Tate & Shaw.

Mr. R. Henley's new advertisement will appear next week. It was handed in too late for this issue.

For scrofula, Salt rheum, etc., Take Hood's Sarsaparilla.

The advertisement of Messrs. Hall & Fore, dealers in Harness and Saddlery, will appear in our next issue. In the meantime if you need anything in their line, call on them.

WANTED.—I have two good rooms that I will rent cheap to tenants. Also want a number of table boarders, at reasonable prices. Call on the undersigned. Mrs. J. F. Terry.

Just received at Tate & Shaw's, a large and well selected line of Misses Shoes, which are of the best quality, and all marked down at the very lowest. Try us.

Ayer's Pills, being convenient, efficacious and safe, are the best cathartic, whether on land or sea, in city or country. For constipation, sick headache, indigestion, and torpid liver, they never fail. Try a box of them; they are sugar-coated.

On the first Monday in December Mr. S. P. Satterfield will have his big sale of town lots. This will be a splendid opportunity for a good investment. Already that part of town in which these lots are located is building up rapidly. Don't forget the day, December 1st, it being the first Monday.

For full information relating to Pianos and Organs, call on or address The Hobbie Music Co., Lynchburg, Va. This old established house is noted for its liberal and square dealings. They handle the Kuabe, Krunic & Bach and New England Pianos and Estey Organs.—Illustrated catalogues mailed free upon application.

There is a movement on foot to establish a high-grade boarding school here. The purpose of the moving spirits is to have such an endowment as will insure efficient teachers, and will furnish free tuition to indigent and orphan children. Col. C. S. Winstead is the originator of the plan, and he has the ability and inclination to carry it through. It will be a great influence for good in our midst and should be encouraged. Col. Winstead has testified to his faith in Roxboro's future by recently erecting an elegant store, and bank building and by his improvements in the hotel property—improvements that make it one of the most pleasant village hotels in the State.

From Main street there is no part of our town that shows to such advantage as what is known as Reamstown. A few months ago it was an old field, and being so close and convenient, was used by our boys as a base-ball ground,—and how they did hate to give it up, for it was level and smooth,—when Mr. Reams bought it and put a force of hands to grading streets and sidewalks, and to-day you can see houses dotted about in Reamstown, and still they continue to build. No part of our town is improving so rapidly as Reamstown, for the very simple reason that it is the most desirable part of the town to build in. Come and make your home with us and buy you one or more building lots on November 18th, 1890, when H. A. Reams will sell the last of that most desirable property.

The New Bank. Promptly at 1 o'clock on Wednesday, the 15th, as advertised, the Stockholders of the Roxboro Land & Loan Co., met in Mr. J. S. Merritt's office to perfect an organization. By motion of Mr. J. S. Merritt, Mr. Thos. H. Street was made Chairman, with Messrs. J. D. Morris and J. A. Noell as Secretaries. Mr. Street, after taking the chair, stated the object of the meeting. The first business of the meeting was the call of the roll of Stockholders, and 401 shares were found to be represented. A quorum being present, the following business was transacted: The Code of By-laws was read, and explained by paragraph by Mr. J. S. Merritt, and with a few corrections were adopted. The following officers and Directors were elected: President, J. S. Merritt; Vice-President, Mr. J. S. Merritt; Directors, A. R. Foushee, J. C. Pass, C. B. Brooks, J. L. Brooks and L. Taylor Gleaves. After the stockholders had paid in their first instalment the meeting adjourned. The President has not decided when the Bank will be ready for business. The officials are corresponding with several experienced and prominent bank officials in regard to a Cashier. The friends of the institution may rest assured that a good man will be selected. We feel confident that with the officers at its head, the enterprise will be a success, every one of whom have made a success in life.

Success in life is the result of push and energy. If the blood is impure and sluggish, both body and mind lack vigor. To cleanse and vitalize the blood and impart new life to the system, nothing else has such a marvelous effect as Ayer's Sarsaparilla.

The regular opening of the campaign in this County took place Tuesday at Chub Lake. The candidates were all present except Col. C. S. Noell and Hon. W. F. Reade, Republican candidates for the Legislature. We do not know that these gentlemen will accept the nomination tendered them, as we have not learned anything definite. We hope they will not, as they are both most estimable men, and defeat will be their only glory if they attempt to lead the Republican party in Person county this time. After the candidates announced themselves for the various County offices, Maj. Yancey made a plain, forcible speech, when Mr. W. W. Kitchin, being called on, spoke for an hour, and in the language of Senator Vance, "made it so plain that a wayfaring man, though a Radical, could not misunderstand." He was followed by Mr. John F. Woody, Republican Revenue officer, and as his language was such as we cannot give to our readers we will refrain from commenting on it. All in all it was a good day for Democracy.

Died.

On the morning of October 11th, 1890, Mrs. Fanny Heater Dixon, wife of Mr. William S. Dixon, and daughter of Mr. and Mrs. A. J. Heater, of this county.

The deceased was cut down in young womanhood. She was born October 25th, 1865, and consequently lived only about 25 years. She had been married about one year. Sister Dixon was a favorite with all with whom she came in contact with. Of sweet, unassuming manners, and a gentle, lady-like disposition, she naturally won her way into all hearts around her. But it is a joyous thought that she possessed the crowning grace of womanhood—a Christ-possessed heart. She was happily converted to God when she was about 15 years of age and afterward joined the Methodist Episcopal Church, South, at Lew's Chapel. She was an earnest worker in the Church and Sunday School. The preacher will miss the inspiration of her face hereafter as he shall look down on the seat left vacant by her. The zealous Christian, the dutiful daughter, the affectionate sister, the loving wife and mother is gone—but simply to Heaven, where with the white-robbed there she awaits the coming of the dear ones left behind. May God tenderly soothe the aching hearts of husband, father, mother, brothers and sisters, which lovingly over the tender infant and finally bring to all the saints everlasting rest in Heaven. HER PASTOR.

A RARE INVESTMENT IN THE GOLDEN TOBACCO BELT OF NORTH CAROLINA.

At Roxboro, Person County, N. C., On Monday, the 1st Day of December, 1890.

I am going to sell about 100 lots in this beautiful and growing Town. Sixty lots in the North-Western border of the Town, which has just been laid off and opened up by nice broad smooth streets and sidewalks, affording most beautiful drives, and by far the prettiest and most desirable portion of the Town for residences. These lots are large, containing from 1/2 an acre to one acre in each lot. Size, front, depth and quantity of ground will be given to each lot at the time of sale, so you will know just what you are getting.

Then 12 lots for business houses at the Lynchburg & Durham depot, suitable for any kind of business—of sufficiently convenient sizes. Then again in the heart of the present resident portion of the Town, about 15 beautiful lots for residences.

Big money can and will be made by investing in any of these lots on day of sale, which remember is the 1st DAY OF DECEMBER, 1890, at Roxboro, North Carolina, the booming Town of the "Golden Tobacco Belt."

To any person purchasing a lot his Rail Road fare will be refunded. Special rates will also be given over the D. & D. R. R.

TERMS OF SALE: 1/3 Cash, balance on a credit of six months, with 6 per cent interest on deferred payment.

Roxboro is situated midway between South Boston and Durham, on the Lynchburg & Durham R. R., and is in the centre of the Golden Tobacco Belt of North Carolina. Tobacco is now the most profitable and staple of Agricultural products. Roxboro is surrounded by an area of fifteen miles of the most prosperous and thriving agricultural section of the South.

The future growth of Roxboro is certain and sure, just as has been that of Danville, Va., Durham, Henderson and Oxford, N. C. Having superior natural advantages over either of these towns, in that we have a larger territory from which to draw the fine tobacco trade.

Also within a short distance is the now famous Blue Wing Copper mines.

Everybody come to the sale December the 1st, 1890, and see how bustling North Carolinians hustle.

NOTHING SUCCEEDS LIKE SUCCESS.

THE REASON RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEP-ROSY to the simplest disease known to the human system. The scientific men of to-day claim and prove that every disease is CAUSED BY MICROBES, —AND— RADAM'S MICROBE KILLER exterminates the Microbes and drives them out of the system, and when that is done, you cannot have an ache or pain. No matter what the disease, whether a simple case of Malarial Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases constitutionally.

Asthma, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Chills and Fever, Female Troubles, in all its forms, and, in fact, every Disease known to the Human System.

Beware of Fraudulent Imitations! See that our Trade Mark (same as above) appears on each jug.
