Which told his he rt was true. I gazed long at the vision, My eyes were filled with tears, For then I saw the ideal face Which had haunted me for years.

I smile I as I saw him advancing With a look which told to me What speech con dender so fully explain As the face I then did see. It was radiant and ful of beauty, Gleaning to , with hope and love ; It dimme t the substrine in its brightn The worlds whirl is space above.

I dreamed that is w s evening, Bright with the goiden rays Of the great sun that was sinking, hanging darkness into day. The veil of twilight had thus clothed All the world in silem night; The soft life ze was gen by playing With the moon's pale silver light.

I thought he stort beside me. And a smile playe on hi face; He whispered words of love to me, Which echoed through all space, I decamed as I booked up at him by near did throb with pride,

For he cast one loving look upo" me, And asked me to be his bride.

I knew how well he low d me, For the mond's wan light did show t The face once filled with sadness, Was now with love aglow. He plodged a vow to neavon. And an an el recorded it tiare, W en he had danned me for his bride, My life should be his care.

I dreamed of a beautiful maiden, But lik a bubble on the wave, It vanishe like all fair visions, And slept in its new made grave, As we sleep on the pillow at midnight, Ou dreams are s metimes tair ; How oft have we wished at the dawn

day, No hope of the dream was there. March 28th, 1891.
